(a) The date and place of finding;

(b) Sex, color or race, and approximate birth date of child;

(c) Name and address of the person or institution with which the child has been placed for care;

(d) Name given to the child by the custodian of the child; and

(e) Other data as required by the state registrar to complete a birth certificate.

(2) The place where the child was found shall be entered as the place of birth.

(3) A report registered under this section shall constitute the certificate of birth for the child.

(4) If the child is identified and a certificate of birth is found or obtained, the report registered under this section shall be placed in a special file and shall not be subject to inspection except upon order of a Circuit Court.

Section 414. KRS 213.076 is amended to read as follows:

(1) A certificate of death or a provisional certificate of death for each death which occurs in the Commonwealth shall be filed with the cabinet or as otherwise directed by the state registrar prior to final disposition, and it shall be registered if it has been completed and filed in accordance with this section. The funeral director, or person acting as such, who first takes custody of a dead body shall be responsible for filing the certificate of death. The funeral director, or person acting as such, shall obtain the required personal and statistical particulars from the person best qualified to supply them over the signature and address of the informant. The funeral director, or person acting as such, shall within five (5) days of the death, present the certificate to the attending physician, if any, or to the health officer or coroner as directed by the state registrar, for the medical certificate of the cause of death and other particulars necessary to complete the record as required by this chapter.

(a) It shall be unlawful for an institution to release a dead human body until the funeral director, or person acting as such, has completed and filed with the local registrar or person in charge of the institution, a provisional certificate of death. If death occurs outside an institution, the provisional certificate shall be filed with the local registrar by the funeral director, or person acting as such, prior to final disposition of the dead body. A copy of the provisional certificate of death signed by the person with whom it was filed, shall constitute authority for the possession, transportation, and, except for cremation, final disposition of the body.

(b) All persons having in their possession a completed provisional certificate of death shall file the certificate at not more than weekly intervals with the local registrar.

(c) If the place of death is unknown but the dead body is found in the Commonwealth, the certificate of death shall be completed and filed in accordance with this section. The place where the body is found shall be shown as the place of death. If the date of death is unknown, it shall be determined by approximation subject to amendment upon completion of any postmortem examination required to be performed.

(d) If death occurs in a moving conveyance in the United States and the body is first removed from the conveyance in the Commonwealth, the death shall be registered in Kentucky, and the place where it is first removed shall be considered the place of death. If a death occurs on a moving conveyance while in international waters or air space or in a foreign country or its air space, and the body is first removed from the conveyance in the Commonwealth, the death shall be registered in Kentucky, but the certificate shall show the actual place of death insofar as can be determined.

(2) If any certificate of death is incomplete or unsatisfactory, the state registrar shall call attention to the defects in the certificate and require the person responsible for the entry to complete or correct it. The state registrar may also require additional information about the circumstances and medical conditions surrounding a death in order to properly code and classify the underlying cause.

(3) The medical certification shall be completed, signed, and returned to the funeral director within five (5) working days after presentation to the physician, dentist, or chiropractor in charge of the patient's care for the illness or condition which resulted in death, except when inquiry is required by KRS 72.400 to 72.475. In such cases, the coroner shall complete and sign the certificate within five (5) days after receiving results of the inquiry as required by KRS 72.400 to 72.475. In the absence of the physician, dentist, or chiropractor, or with such person's approval, the certificate may be completed and signed by his associate physician, dentist, or chiropractor, or the chief medical officer of the institution in which death occurred, or the physician who performed an autopsy upon the decedent, or a physician employed by the local health department, if the individual has access to the medical history of the case and death is due to natural causes.

(4) If death occurs more than thirty-six (36) hours after the decedent was last treated or attended by a physician, dentist, or chiropractor, the case shall be referred to the coroner for investigation to determine and certify the cause of death. In the event that a coroner is not available to sign the certificate and there is no duly appointed deputy, the county judge/executive shall appoint a competent person to investigate the death and certify to its cause.

(5) (a) The physician, dentist, chiropractor, or coroner who certifies to the cause of death shall return the certificate to the funeral director, or person acting as such, who, in turn, shall file the certificate directly with the Office of Vital Statistics. Any certified copies of the record requested at the time of filing shall be issued in not more than two (2) working days.

(b) In the case of a death in which diabetes was an underlying cause or contributing condition, diabetes shall be listed in the appropriate location on the death certificate by the physician, dentist, chiropractor, or coroner who certifies to the cause of death.

(c) In the case of a death in which diabetes was an immediate, underlying, or contributing cause of or condition leading to death, the physician, dentist, chiropractor, or coroner who certifies to the cause of death shall check "yes" for each of the following questions on the death certificate:

1. "Did the deceased have diabetes?"; and
2. "Was diabetes an immediate, underlying, or contributing cause of or condition leading to death?".

(6) The Office of Vital Statistics shall provide self-addressed, color-coded envelopes for the funeral homes in the Commonwealth of Kentucky.

(7) Three (3) free verification-of-death statements shall be provided to the funeral director by the Office of Vital Statistics for every death in the Commonwealth of Kentucky.

(8) The body of any person whose death occurs in Kentucky shall not be interred, deposited in a vault or tomb, cremated, or otherwise disposed of, or removed from or into any registration district, until a provisional certificate of death has been filed with the local registrar of the registration district in which the death occurs. If the death occurred from a disease declared by the Cabinet for Health ***and Family*** Services to be infectious, contagious, or communicable and dangerous to the public health, no permit for the removal or other disposition of the body shall be granted by the registrar except under conditions prescribed by the Cabinet for Health ***and Family*** Services and the local health department. The Cabinet for Health ***and Family*** Services shall identify by regulation those communicable diseases which require blood and body fluid precautions. If a person who has been diagnosed as being infected with a communicable disease for which blood and body fluid precautions are required, dies within a health facility as defined in KRS 216B.015, the facility shall notify any embalmer or funeral director to whom the body will be transported of the need for such precautions. The notice shall be provided by including the statement "Blood and Body Fluid Precautions" on the provisional report-of-death form as prescribed by the Cabinet for Health ***and Family*** Services. Lack of this notice shall not relieve any embalmer or funeral director from taking universal blood and body fluid precautions as are recommended by the United States Department of Health and Human Services, Centers for Disease Control for Morticians' Services. No embalmer or funeral director shall

charge more for embalming the remains of a person with a communicable disease which requires blood and body fluid precautions than the price for embalming services listed on the price list funeral providers are required to maintain and provide to consumers pursuant to 16 C.F.R. Sec. 453.2 (1988).

(9) A burial-transit permit for the final disposition issued under the law of another state which accompanies a dead body or fetus brought into the Commonwealth shall be the authority for final disposition of the body or fetus in the Commonwealth and may be accepted in lieu of a certificate of death. There shall be noted on the face of the record made for return to the local registrar that the body was shipped to Kentucky for interment and the actual place of death.

(10) Nothing in this section shall be construed to delay, beyond a reasonable time, the interment or other disposition of a body unless the services of the coroner or the health officer are required or the Department for Public Health deems it necessary for the protection of the public health. If compliance with this section would result in unreasonable delay in the disposition of the body the funeral director, or person acting as such, shall file with the local registrar or deputy registrar prior to interment a provisional certificate of death which shall contain the name, date, and place of death of the deceased, the name of the medical certifier, and an agreement to furnish within ten (10) days a complete and satisfactory certificate of death.

(11) No sexton or other person in charge of any place in which interment or other disposition of dead bodies is made shall inter or allow interment or other disposition of a dead body or fetus unless it is accompanied by a copy of the provisional certificate of death. The sexton, or if there is no sexton, the funeral director, or person acting as such, shall enter on the provisional certificate over his signature, the date, place, and manner of final disposition and file the certificate within five (5) days with the local registrar.

(12) Authorization for disinterment, transportation, and reinterment or other disposition shall be required prior to disinterment of any human remains. The authorization shall be issued by the state registrar upon proper application. The provisions of this subsection shall apply to all manners of disposition except cremation and without regard for the time and place of death. The provisions of KRS 381.765 shall not apply to remains removed for scientific study and the advancement of knowledge.

(13) After a death certificate has been on file for five (5) years, it may not be changed in any manner except upon order of a court. Prior to that time, requests for corrections, amendments, or additions shall be accompanied by prima facie evidence which supports the requested change.

Section 415. KRS 213.078 is amended to read as follows:

(1) Any certificate of death form developed or distributed by the Cabinet for Health ***and Family*** Services shall contain the following questions:

(a) "Did the deceased have diabetes?"; and

(b) "Was diabetes an immediate, underlying, or contributing cause of or condition leading to death?".

(2) If the person completing the certificate of death fails to answer the questions identified in subsection (1) of this section, the state registrar shall call attention to the defects in the certificate and require the person responsible for the entry to complete or correct it.

Section 416. KRS 213.111 is amended to read as follows:

(1) Notwithstanding the provisions of KRS 311.300 to 311.350, any hospital or institution of higher learning may make application to any medical school incorporated within the Commonwealth for the loan of unclaimed whole dead bodies or parts thereof for educational or scientific purposes if the approval of the Cabinet for Health ***and Family*** Services has first been obtained. Approval shall be granted or denied by the Cabinet for Health ***and Family*** Services on the basis of proposed use, need, qualification of personnel, and adequacy of equipment and facilities.

(2) A special transit permit shall be obtained for the transportation of the dead bodies or parts thereof from the state registrar. Transportation and the ultimate burial of all the bodies or parts thereof shall be in accordance with the provisions of this chapter and KRS 311.340.

(3) All approved recipients shall keep a record of all bodies received by them and comply with all other regulations of the Cabinet for Health ***and Family*** Services.

Section 417. KRS 213.116 is amended to read as follows:

(2) Each county clerk shall on or before the tenth day of each month furnish to the state registrar, from the marriage licenses issued and the marriage certificates returned to the clerk during the previous month, the information required by the Cabinet for Health ***and Family*** Services upon forms prescribed and furnished by the cabinet. The county clerk shall collect from the applicants for a marriage license at the time the license is issued one dollar ($1), which shall constitute the clerk's fee for forwarding the required information to the state registrar.

(3) A marriage record not filed within the time prescribed by this section may be registered in accordance with administrative regulations adopted by the cabinet.

(4) In all actions for dissolution of marriage, the petitioner, or the petitioner's attorney or legal representative, shall file,

concurrently with the petition, the information requested on forms prescribed and furnished by the Cabinet for Health ***and Family*** Services. The provisions of the information shall be prerequisite to the issuance of a final decree in the matter by the court.

(5) Each Circuit Court clerk shall, within forty-five (45) days after entry of a final judgment of divorce, absolute or limited, or annulment of marriage, complete the form prescribed and furnished by the Cabinet for Health ***and Family*** Services and forward it to the state registrar.

Section 418. KRS 213.131 is amended to read as follows:

(1) To protect the integrity of vital records, to insure their proper use, and to insure the efficient and proper administration of the system of vital statistics, it shall be unlawful for any person to permit inspection of, or to disclose information contained in vital records or to copy or issue a copy of all or part of any record except as authorized by this chapter, by regulation, or by order of a court of competent jurisdiction. Administrative regulations adopted by the cabinet shall provide for adequate standards of security and confidentiality of vital records and shall conform to subsection (4) of this section.

(2) The state registrar shall prepare annually an alphabetical list of all persons registered as born in the preceding year. The list shall show the person's name, the mother's maiden name, and the date and county of birth. This list shall be an open record subject to inspection by the public upon request.

(3) The state registrar shall prepare annually an alphabetical list of all persons registered who die in the Commonwealth. This list shall show the name of the deceased and the date and county of death and shall be an open record subject to inspection by the public upon request.

(b) The information is requested by a federal, state, county, or municipal agency of government which needs the data or information in the conduct of official duties; or

(c) The cabinet has prepared, in writing, a statement of the conditions under which the data or records will be used and received an agreement signed by a responsible agent of the research organization agreeing to meet with and conform to the conditions.

(5) If one hundred (100) years have elapsed after the date of birth, or fifty (50) years have elapsed after the date of death, the records of these events in the custody of the state registrar shall become public records and information shall be made available in accordance with regulations which shall provide for continued safekeeping of the records.

Section 419. KRS 213.161 is amended to read as follows:

(1) In order to obtain information which may be useful to research organizations studying the causes and incidence of the sudden infant death syndrome, a program is hereby established in the Cabinet for Health ***and Family*** Services. The purpose of this program shall be to obtain factual information concerning the characteristics, incidence, and distribution of the sudden infant death syndrome throughout the Commonwealth and to provide a means of public education concerning any research findings which may lead to the possible means of prevention, early identification, and treatment of children susceptible to the sudden infant death syndrome.

(2) In instances where an ostensibly healthy child dies suddenly and unexpectedly with no known or apparent cause as determined by a physician or a coroner, an autopsy with the written approval of the parents or legal guardian of the child shall be performed within forty-eight (48) hours and the results reported to the cabinet and to the parents or legal guardian of the child.

(3) In order to implement the provisions of this section, the secretary of the Cabinet for Health ***and Family*** Services shall:

Section 422. KRS 214.034 is amended to read as follows:

Except as otherwise provided in KRS 214.036:

(1) All parents, guardians, and other persons having care, custody, or control of any child shall have the child immunized against diphtheria, tetanus, poliomyelitis, pertussis, measles, rubella, mumps, hepatitis B, and haemophilis influenzae disease in accordance with testing and immunization schedules established by regulations of the Cabinet for Health ***and Family*** Services. Additional immunizations may be required by the Cabinet for Health ***and Family*** Services through the promulgation of an administrative regulation pursuant to KRS Chapter 13A if recommended by the United States Public Health Service or the American Academy of Pediatrics. All parents, guardians, and other persons having care, custody, or control of any child shall also have any child found to be infected with tuberculosis examined and treated according to administrative regulations of the Cabinet for Health ***and Family*** Services promulgated under KRS Chapter 13A. The persons shall also have booster immunizations administered to the child in accordance with the regulations of the Cabinet for Health ***and Family*** Services.

(2) A local health department may, with the approval of the Department of Public Health, require all first-time enrollees in a public or private school within the health department's jurisdiction to be tested for tuberculosis prior to entering school. Following the first year of school, upon an epidemiological determination made by the state or local health officer in accordance with administrative regulations promulgated by the Cabinet for Health ***and Family*** Services, all parents, guardians, and other persons having care, custody, or control of any child shall have the child tested for tuberculosis, and shall have any child found to be infected with tuberculosis examined and treated according to administrative regulations of the Cabinet for Health ***and Family*** Services. Nothing in this section shall be construed to require the testing for tuberculosis of any child whose parent or guardian is opposed to such testing, and who objects by a written sworn statement to the testing for tuberculosis of the child on religious grounds. However, in a suspected case of tuberculosis, a local health department may require testing of this child.

(3) All public or private primary or secondary schools, and preschool programs shall require a current immunization certificate for any child enrolled as a regular attendee, as provided by administrative regulation of the Cabinet for Health ***and Family*** Services, promulgated under KRS Chapter 13A, to be on file within two (2) weeks of the child's attendance.

Nor shall KRS 158.035, 214.010, 214.020, 214.032 to 214.036, and 214.990 be construed to require the immunization of any child whose parents are opposed to medical immunization against disease, and who object by a written sworn statement to the immunization of such child on religious grounds. Provided, however, that in the event of an epidemic in a given area, the Cabinet for Health ***and Family*** Services may, by emergency regulation, require the immunization of all persons within the area of epidemic, against the disease responsible for such epidemic.

Section 424. KRS 214.155 is amended to read as follows:

regulations prescribed by the secretary of the Cabinet for Health ***and Family*** Services. Testing, recording, and reporting of the results of newborn screening tests shall be performed at the times and in the manner as may be prescribed by the secretary of the Cabinet for Health ***and Family*** Services or the secretary's designee. The secretary of the Cabinet for Health ***and Family*** Services shall by regulation establish and collect fees to cover the cost of analyzing the testing samples for newborn screening tests.

(2) Nothing in this section shall be construed to require the testing of any child whose parents are members of a nationally recognized and established church or religious denomination, the teachings of which are opposed to medical tests, and who object in writing to the testing of his or her child on that ground.

(3) The cabinet shall make available the names and addresses of health care providers including, but not limited to, physicians, nurses, and nutritionists, who may provide postpartum home visits to any family whose infant or child has tested positive for a newborn screening test.

(6) The secretary for health ***and family*** services or his or her designee shall apply for any federal grants available through the Public Health Service Act to evaluate the effectiveness of newborn screening, counseling, or health care services in reducing the morbidity and mortality caused by heritable disorders in newborns and children.

Section 425. KRS 214.160 is amended to read as follows:

(1) Every physician and every other person legally permitted to engage in attendance upon a pregnant woman in this state shall take or cause to be taken from the woman a specimen of blood for serological test for syphilis as soon as he is engaged to attend the woman and has reasonable grounds for suspecting that pregnancy exists. If the woman is in labor at the time the diagnosis of pregnancy is made, which may make it inadvisable to obtain a blood specimen at that time, the specimen shall be obtained within ten (10) days after delivery. The specimen of blood shall be submitted to the laboratory of the Cabinet for Health ***and Family*** Services or a laboratory approved by the cabinet for the purpose of having made a serological test for syphilis. The test shall be of a type approved by the Cabinet for Health ***and Family*** Services.

(2) The Cabinet for Health ***and Family*** Services shall, as often as necessary, publish a list of the five (5) most frequently abused substances, including alcohol, by pregnant women in the Commonwealth. Any physician and any other person legally permitted to engage in attendance upon a pregnant woman in this state may perform a screening for alcohol or substance dependency or abuse, including a comprehensive history of such behavior. Any physician may administer a toxicology test to a pregnant woman under the physician's care within eight (8) hours after delivery to determine whether there is evidence that she has ingested alcohol, a controlled substance, or a substance identified on the list provided by the cabinet, or if the woman has obstetrical complications that are a medical indication of possible use of any such substance for a nonmedical purpose.

(3) Any physician or person legally permitted to engage in attendance upon a pregnant woman may administer to each newborn infant born under that person's care a toxicology test to determine whether there is evidence of prenatal exposure to alcohol, a controlled substance, or a substance identified on the list provided by the Cabinet for Health ***and Family*** Services, if the attending person has reason to believe, based on a medical assessment of the mother or the infant, that the mother used any such substance for a nonmedical purpose during the pregnancy.

(4) The circumstances surrounding any positive toxicology finding shall be evaluated by the attending person to determine if abuse or neglect of the infant, as defined under KRS 600.020(1), has occurred and whether investigation by the Cabinet for Health ***and Family*** Services is necessary.

(5) No prenatal screening for alcohol or other substance abuse or positive toxicology finding shall be used as prosecutorial evidence.

(6) No person shall conduct or cause to be conducted any toxicological test pursuant to this section on any pregnant woman without first informing the pregnant woman of the purpose of the test.

(7) Every physician or other person legally permitted to engage in attendance upon a pregnant woman in the Commonwealth shall take or cause to be taken from the woman a specimen of blood which shall be submitted for the purpose of serologic testing for the presence of hepatitis B surface antigen to a laboratory certified by the United States Department for Health and Human Services pursuant to Section 333 of the Public Health Service Act (42 U.S.C. sec. 263a), as revised by the Clinical Laboratory Improvement Amendments (CLIA), Pub.L. 100-578.

Section 426. KRS 214.170 is amended to read as follows:

Every physician or other person who takes or causes to be taken from a woman in pregnancy, or suspected pregnancy, a blood specimen for serological tests for syphilis, shall identify the specimen as being from a pregnant woman submitting it for tests. The laboratory shall report the result of the test if reactive on forms prepared and furnished by the Cabinet for Health ***and Family*** Services to the Cabinet for Health ***and Family*** Services not later than one (1) week after the examination is made.

Section 427. KRS 214.175 is amended to read as follows:

(1) The Cabinet for Health ***and Family*** Services may conduct periodic anonymous surveys to determine the prevalence within the Commonwealth of drug and alcohol use during pregnancy. These periodic surveys may include, but are not limited to, toxicology tests to determine the presence of alcohol, controlled substances, or other drugs which have not been prescribed due to medical necessity.

(2) All hospitals and any other health facilities licensed pursuant to KRS Chapter 216B which provide for obstetrical services, including delivery of newborn infants, shall, as a condition of licensure, participate in any periodic surveys conducted by the Cabinet for Health ***and Family*** Services for the purposes of determining the prevalence of alcohol or other substance abuse among pregnant women and newborn infants.

(3) Any surveys conducted pursuant to this section shall be conducted according to guidelines established by the Cabinet for Health ***and Family*** Services. The toxicology test may be performed without a physician's order and without patient or parental consent. For the purpose of this section any toxicology test performed shall be considered medically necessary.

(4) The results of any individual toxicology tests performed pursuant to this section shall remain confidential and shall only be released to the Cabinet for Health ***and Family*** Services. Any results shall be collected and compiled in aggregate form without the name of the hospital, patient, or other means of identifying the individual subject of the test.

(5) No test result obtained pursuant to this section shall be admissible in any court or other hearing as evidence in any proceeding, criminal or civil, against the individual subject of the test.

(6) No hospital shall incur any liability, except for negligence, for performing any test required or authorized under KRS 214.160 and 214.175 or for reporting the result of the test pursuant to any administrative regulation promulgated by the Cabinet for Health ***and Family*** Services under KRS Chapter 13A in accordance with this section.

(7) The cabinet may use any state appropriation and any gifts, grants, or federal funds that become available for the purposes of implementing the provisions of this section.

Section 428. KRS 214.181 is amended to read as follows:

(1) The General Assembly finds that the use of tests designed to reveal a condition indicative of human immunodeficiency virus (HIV) infection can be a valuable tool in protecting the public health. The General Assembly finds that despite current scientific knowledge that zidovudine (AZT) prolongs the lives of acquired immunodeficiency syndrome victims, and may also be effective when introduced in the early stages of human immunodeficiency virus infection, many members of the public are deterred from seeking testing because they misunderstand the nature of the test or fear that test results will be disclosed without their consent. The General Assembly finds that the public health will be served by facilitating informed, voluntary, and confidential use of tests designed to detect human immunodeficiency virus infection.

(2) A person who has signed a general consent form for the performance of medical procedures and tests is not required to also sign or be presented with a specific consent form relating to medical procedures or tests to determine human immunodeficiency virus infection, antibodies to human immunodeficiency virus, or infection with any other causative agent of acquired immunodeficiency syndrome that will be performed on the person during the time in which the general consent form is in effect. However, a general consent form shall instruct the patient that, as part of the medical procedures or tests, the patient may be tested for human immunodeficiency virus infection, hepatitis, or any other blood-borne infectious disease if a doctor orders the test for diagnostic purposes. Except as otherwise provided in subsection (5)(c) of this section, the results of a test or procedure to determine human immunodeficiency virus infection, antibodies to human immunodeficiency virus, or infection with any probable causative agent of acquired immunodeficiency syndrome performed under the authorization of a general consent form shall be used only for diagnostic or other purposes directly related to medical treatment.

(3) In any emergency situation where informed consent of the patient cannot reasonably be obtained before providing health-care services, there is no requirement that a health-care provider obtain a previous informed consent.

(4) The physician who orders the test pursuant to subsections (1) and (2) of this section, or the attending physician, shall be responsible for informing the patient of the results of the test if the test results are positive for human immunodeficiency virus infection. If the tests are positive, the physician shall also be responsible for either:

(a) Providing information and counseling to the patient concerning his infection or diagnosis and the known medical implications of such status or condition; or

(b) Referring the patient to another appropriate professional or health-care facility for the information and counseling.

(5) (a) No person in this state shall perform a test designed to identify the human immunodeficiency virus, or its antigen or antibody, without first obtaining the informed consent of the person upon whom the test is being performed, except as specified in subsections (2) and (3) of this section.

(b) No test result shall be determined as positive, and no positive test result shall be revealed to any person, without corroborating or confirmatory tests being conducted.

(c) No person who has obtained or has knowledge of a test result pursuant to this section shall disclose or be compelled to disclose the identity of any person upon whom a test is performed, or the results of the test in a manner which permits identification of the subject of the test, except to the following persons:

1. The subject of the test or the subject's legally authorized representative;
2. Any person designated in a legally effective release of the test results executed prior to or after the test by the subject of the test or the subject's legally authorized representative;
3. A physician, nurse, or other health-care personnel who has a legitimate need to know the test result in order to provide for his protection and to provide for the patient's health and welfare;
4. Health-care providers consulting between themselves or with health-care facilities to determine diagnosis and treatment;
5. The cabinet, in accordance with rules for reporting and controlling the spread of disease, as otherwise provided by state law;
6. A health facility or health-care provider which procures, processes, distributes, or uses:
   a. A human body part from a deceased person, with respect to medical information regarding that person; or
   b. Semen provided prior to the effective date of this section for the purpose of artificial insemination;
7. Health facility staff committees, for the purposes of conducting program monitoring, program evaluation, or service reviews;
8. Authorized medical or epidemiological researchers who shall not further disclose any identifying characteristics or information;
9. A person allowed access by a court order that is issued in compliance with the following provisions:
   a. No court of this state shall issue an order to permit access to a test for human immunodeficiency virus performed in a medical or public health setting to any person not authorized by this section or by KRS 214.420. A court may order an individual to be tested for human immunodeficiency virus only if the person seeking the test results has demonstrated a compelling need for the test results which cannot be accommodated by other means. In assessing compelling need, the court shall weigh the need for testing and disclosure against the privacy interest of the test subject and the public interest which may be disserved by disclosure which deters blood, organ, and semen donation and future human-immunodeficiency-virus-related testing or which may lead to discrimination. This paragraph shall not apply to blood bank donor records;
   b. Pleadings pertaining to disclosure of test results shall substitute a pseudonym for the true name of the subject of the test. The disclosure to the parties of the subject's true name shall be communicated confidentially, in documents not filed with the court;
   c. Before granting any order, the court shall provide the individual whose test result is in question with notice and a reasonable opportunity to participate in the proceedings if he or she is not already a party;
   d. Court proceedings as to disclosure of test results shall be conducted in camera, unless the subject of the test agrees to a hearing in open court or unless the court determines that a public hearing is necessary to the public interest and the proper administration of justice;
   e. Upon the issuance of an order to disclose test results, the court shall impose appropriate safeguards against unauthorized disclosure, which shall specify the persons who may have access to the information, the purposes for which the information shall be used, and appropriate prohibitions on future disclosure.

No person to whom the results of a test have been disclosed shall disclose the test results to another person except as authorized by this subsection. When disclosure is made pursuant to this subsection, it shall be accompanied by a statement in writing that includes the following or substantially similar language: "This information has been disclosed to you from records whose confidentiality is protected by state law. State law prohibits you from making any further disclosure of such information without the specific written consent of the person to whom such information pertains, or as otherwise permitted by state law. A general authorization for the release of medical or other information is NOT sufficient for this purpose." An oral disclosure shall be accompanied by oral notice and followed by a written notice within ten (10) days.

(6) (a) The Cabinet for Health ***and Family*** Services shall establish a network of voluntary human immunodeficiency virus testing programs in every county in the state. These programs shall be conducted in each public health department established under the provisions of KRS Chapter 212. Additional programs may be contracted to other private providers to the extent that finances permit and local circumstances dictate.

(b) Each public health department shall have the ability to provide counseling and testing for the human immunodeficiency virus to each patient who receives services and shall offer the testing on a voluntary basis to each patient who requests the test.

(c) Each public health department shall provide a program of counseling and testing for human immunodeficiency virus infection, on an anonymous or confidential basis, dependent on the patient's desire. If the testing is performed on an anonymous basis, only the statistical information relating to a positive test for human immunodeficiency virus infection shall be reported to the cabinet. If the testing is performed on a confidential basis, the unique code and other information specified under KRS 214.645 shall be reported to the cabinet. The cabinet shall continue to provide for anonymous testing and counseling.

(d) The result of a serologic test conducted under the auspices of the cabinet shall not be used to determine if a person may be insured for disability, health, or life insurance or to screen or determine suitability for, or to discharge a person from, employment. Any person who violates the provisions of this subsection shall be guilty of a Class A misdemeanor.

(7) No public health department and no other private or public facility established for the primary purpose of conducting a testing program for acquired immunodeficiency syndrome, acquired immunodeficiency syndrome related complex, or human immunodeficiency virus status without first registering with the cabinet, complying with all other applicable provisions of state law, and meeting the following requirements:

(a) The program shall be directed by a person who has completed an educational course approved by the cabinet in the counseling of persons with acquired immunodeficiency syndrome, acquired immunodeficiency syndrome related complex, or human immunodeficiency virus infection;

(b) The program shall have all medical care supervised by a physician licensed under the provisions of KRS Chapter 311;

(c) The program shall have all laboratory procedures performed in a laboratory licensed under the provisions of KRS Chapter 333;

(d) Informed consent shall be required prior to testing. Informed consent shall be preceded by an explanation of the test, including its purpose, potential uses, and limitations and the meaning of its results;

(e) The program, unless it is a blood donor center, shall provide pretest counseling on the meaning of a test for human immunodeficiency virus, including medical indications for the test; the possibility of false positive or false negative results; the potential need for confirmatory testing; the potential social, medical, and economic consequences of a positive test result; and the need to eliminate high-risk behavior;

(f) The program shall provide supplemental corroborative testing on all positive test results before the results of any positive test is provided to the patient;

(g) The program shall provide post-test counseling, in person, on the meaning of the test results; the possible need for additional testing; the social, medical, and economic consequences of a positive test result; and the need to eliminate behavior which might spread the disease to others;

(h) Each person providing post-test counseling to a patient with a positive test result shall receive specialized training, to be specified by regulation of the cabinet, about the special needs of persons with positive results, including recognition of possible suicidal behavior, and shall refer the patient for further health and social services as appropriate;

(i) When services are provided for a charge during pretest counseling, testing, supplemental testing, and post-test counseling, the program shall provide a complete list of all charges to the patient and the cabinet; and

(j) Nothing in this subsection shall be construed to require a facility licensed under KRS Chapter 333 or a person licensed under the provisions of KRS Chapters 311, 312, or 313 to register with the cabinet if he or she does not advertise or hold himself out to the public as conducting testing programs for human immunodeficiency virus infection or specializing in such testing.

(8) Any violation of this section by a licensed health-care provider shall be a ground for disciplinary action contained in the professional's respective licensing chapter.

(9) Except as provided in subsection (6)(d) of this section, insurers and others participating in activities related to the insurance application and underwriting process shall be exempt from this section.

(10) The cabinet shall develop program standards consistent with the provisions of this section for counseling and testing persons for the human immunodeficiency virus.

Section 429. KRS 214.185 is amended to read as follows:

(1) Any physician, upon consultation by a minor as a patient, with the consent of such minor may make a diagnostic examination for venereal disease, pregnancy, alcohol or other drug abuse or addiction and may advise, prescribe for, and treat such minor regarding venereal disease, alcohol and other drug abuse or addiction, contraception, pregnancy, or childbirth, all without the consent of or notification to the parent, parents, or guardian of such minor patient, or to any other person having custody of such minor patient. Treatment under this section does not include inducing of an abortion or performance of a sterilization operation. In any such case, the physician shall incur no civil or criminal liability by reason of having made such diagnostic examination or rendered such treatment, but such immunity shall not apply to any negligent acts or omissions.

(2) Any physician may provide outpatient mental health counseling to any child age sixteen (16) or older upon request of such child without the consent of a parent, parents, or guardian of such child.

(3) Notwithstanding any other provision of the law, and without limiting cases in which consent may be otherwise obtained or is not required, any emancipated minor or any minor who has contracted a lawful marriage or borne a child may give consent to the furnishing of hospital, medical, dental, or surgical care to his or her child or himself or herself and such consent shall not be subject to disaffirmance because of minority. The consent of the parent or parents of such married or emancipated minor shall not be necessary in order to authorize such care. For the purpose of this section only, a subsequent judgment of annulment of marriage or judgment of divorce shall not deprive the minor of his adult status once obtained. The provider of care may look only to the minor or spouse for payment for services under this section unless other persons specifically agree to assume the cost.

(4) Medical, dental, and other health services may be rendered to minors of any age without the consent of a parent or legal guardian when, in the professional's judgment, the risk to the minor's life or health is of such a nature that treatment should be given without delay and the requirement of consent would result in delay or denial of treatment.

(5) The consent of a minor who represents that he may give effective consent for the purpose of receiving medical, dental, or other health services but who may not in fact do so, shall be deemed effective without the consent of the minor's parent or legal guardian, if the person rendering the service relied in good faith upon the representations of the minor.

(6) The professional may inform the parent or legal guardian of the minor patient of any treatment given or needed where, in the judgment of the professional, informing the parent or guardian would benefit the health of the minor patient.

(7) Except as otherwise provided in this section, parents, the Cabinet for Health ***and Family*** Services, or any other custodian or guardian of a minor shall not be financially responsible for services rendered under this section unless they are essential for the preservation of the health of the minor.

(2) Any individual who has reason to believe that the provisions of KRS 214.280 to 214.300 have been or are being violated may present the relevant facts to the board of health or any of its deputies. It shall then be the duty of the board of health to make an investigation of the facts, and if the board is of the opinion that there is or has been a violation it shall prosecute the person guilty thereof.

Section 432. KRS 214.420 is amended to read as follows:

(1) The General Assembly hereby declares that confidentiality is essential for the proper administration and operation of sexually transmitted disease control activities in this state and that the principle of confidentiality must remain inviolate.

(2) All information, records, and reports in the possession of local health departments or the Cabinet for Health ***and Family*** Services and which concern persons infected with or suspected of being infected with or tested for or identified in an epidemiologic investigation for sexually transmitted disease are hereby declared to be strictly confidential and only personnel of local health departments and the Cabinet for Health ***and Family*** Services who are assigned to sexually transmitted disease control activities shall have access to such information, records, and reports.

(3) Nothing in this section shall be construed as preventing:

 (a) The release of medical information to the physician retained by the person infected with or suspected of being infected with a sexually transmitted disease;

 (b) The release of medical or epidemiological data or information for statistical purposes in a manner so that no individual person can be identified;

 (c) The release of medical information with the written consent of all persons identified in the information to be released;

The following policies shall apply to blood establishments and to donors of blood:

(1) All blood establishments within the Commonwealth shall be licensed by the United States Food and Drug Administration and remain in compliance with all applicable federal regulations. The Cabinet for Health ***and Family*** Services shall, under administrative regulations promulgated pursuant to KRS Chapter 13A, establish fees necessary to cover the cost of and adhere to a schedule for regular inspection, by the Office of the Inspector General of the Cabinet for Health ***and Family*** Services, of all blood establishments within the Commonwealth to ascertain whether each blood establishment is licensed and in compliance with KRS 214.450 to 214.464 and KRS 214.468. (2) All blood establishments shall test blood for the human immunodeficiency virus and for any known causative agent for any blood-borne communicable disease, using tests approved and required, for purposes of blood donation, by the United States Food and Drug Administration.

(3) It shall be the duty of the administrator of any blood establishment which collects blood for the purpose of distributing to another health service, health facility, or health-care provider the blood for transfusion to:

(a) Secure donor consent and a signed written risk factor history and donor consent form for each potential paid or volunteer donor for the purpose of determining if the potential donor is at high risk for infection with the human immunodeficiency virus, or has tested confirmatory positive for infection with the human immunodeficiency virus; or has acquired immune deficiency syndrome; or has tested confirmatory positive for infection with any causative agent for acquired immune deficiency syndrome recognized by the United States Centers for Disease Control; or has a blood-borne communicable disease;

(b) Provide a means for a potential donor to self-elect not to donate blood;

(d) Post a sign in the blood establishment which is visible to all potential donors and which states: "Persons with acquired immune deficiency syndrome (AIDS), or who have tested confirmatory positive for infection with the human immunodeficiency virus (HIV), or who have a blood-borne communicable disease or who have one (1) or more risk factors for the human immunodeficiency virus as determined by the United States Centers for Disease Control, are prohibited by law from donating or selling blood. Persons violating the law are guilty of a Class D felony. ASK STAFF OF THIS BLOOD ESTABLISHMENT."

(4) The provisions of this section shall not be construed to impose requirements which are in conflict with donor eligibility requirements set out in United States Food and Drug Administration or American Association of Blood Banks standards.

Section 434. KRS 214.464 is amended to read as follows:

(1) (a) Untested blood may be transfused only in an emergency situation in which the attending physician determines a patient is in imminent danger of death or serious physical injury and no tested and labeled blood as set forth under KRS 214.458 is readily available to alleviate the emergency situation; provided, however, that the attending physician shall obtain specific prior consent for the transfusion from the patient in the emergency situation or if the patient's condition renders the patient incapable of giving consent, seek from the next of kin of the patient, if available, prior informed consent to transfuse any untested blood. For purposes of this section, the patient's "next of kin" means, in the following order;

1. The spouse of the patient;
2. If there is none, then the mother or father of the patient;
3. If there is none, then any adult son or daughter of the patient; or
4. If there is none, then any brother or sister of the patient.

If blood has not been tested, the test shall be performed as soon after the transfusion as possible. If the blood subsequently tests positive for any blood-borne communicable disease, the patient's attending physician shall be immediately notified. The attending physician shall, in turn, notify the patient of the test results. The patient or next of kin shall indicate notification of receipt of the test results and any offer of treatment or referral to another health-care provider on a form provided by the health facility or health service and approved by the Cabinet for Health ***and Family*** Services.

The cancer patient data management system shall be administered by the Lucille Parker Markey Cancer Center.

(2) Each licensed health facility which provides diagnostic services, or diagnostic services and treatment, or treatment to cancer patients shall report to the Kentucky Cancer Registry, through the cancer patient data management system and in a format prescribed by the Kentucky Cancer Registry, each case of cancer seen at that health facility. Failure to comply may be cause for assessment of an administrative fine for the health facility, the same as for violation of KRS 216B.250.

(3) Each health facility shall grant to the cancer registry access to all records which would identify cases of cancer or would establish characteristics of the cancer, treatment of the cancer, or status of any identified cancer patient. Hospitals actively participating and enrolled in the cancer patient data management system of the Kentucky Cancer Program as of July 13, 1990, shall be considered to be in compliance with this section. The Lucille Parker Markey Cancer Center shall provide staff assistance in compiling and reporting required information to hospitals which treat a low volume of patients.

(4) No liability of any kind or character for damages or other relief shall arise or be enforced against any licensed health facility by reason of having provided the information or material to the Kentucky Cancer Registry pursuant to the requirements of this section.

(5) The identity of any person whose condition or treatment has been reported to the Kentucky Cancer Registry shall be confidential, except that:

  (a) The Kentucky Cancer Registry may exchange patient-specific data with any other cancer control agency or clinical facility for the purpose of obtaining information necessary to complete a case record, but the agency or clinical facility shall not further disclose such personal data; and

  (b) The Kentucky Cancer Registry may contact individual patients if necessary to obtain follow-up information which is not available from the health facility.

(6) All information, interviews, reports, statements, memoranda, or other data furnished by reason of this section and any findings or conclusions resulting from those studies shall be privileged.

(7) The Kentucky Cancer Registry shall make periodic reports of its data and any related findings and recommendations to the Legislative Research Commission, the Interim Joint Committees on Appropriations and Revenue and on Health and Welfare, the Governor, the Cabinet for Health ***and Family*** Services, the reporting health facility, and other appropriate governmental and nongovernmental cancer control agencies whose intent it is to reduce the incidence, morbidity, and mortality of cancer. The Kentucky Cancer Registry may conduct analyses and studies as are indicated to advance cancer control in the Commonwealth.

Section 437. KRS 214.605 is amended to read as follows:

(1) (a) The Cabinet for Health ***and Family*** Services or the licensing board or certifying entity, subject to the board's or entity's discretion, shall approve appropriate educational courses on the transmission, control, treatment, and prevention of the human immunodeficiency virus and acquired immunodeficiency syndrome, that may address appropriate behavior and attitude change, to be completed as specified in the respective chapters by each person licensed or certified under KRS Chapters 311, 311A, 312, 313, 314, 315, 320, 327, 333, and 335. Each licensing board or certifying entity shall have the authority to determine whether it shall approve courses or use courses approved by the cabinet. Completion of the courses shall be required at the time of initial licensure or certification in the Commonwealth, as required under KRS 214.615 and 214.620, and shall not be required under this section or any other section more frequently than one (1) time every ten (10) years thereafter, unless the licensing board or certifying entity specifically requires more frequent completion under administrative regulations promulgated in accordance with KRS Chapter 13A.

(2) Each licensee or certificate holder shall submit confirmation on a form provided by the cabinet of having completed the course by July 1, 1991, except persons licensed under KRS Chapters 314 and 327 for whom the completion date shall be July 1, 1992.

Section 439. KRS 214.620 is amended to read as follows:

(1) The boards of the professions in KRS Chapter 311A and KRS 311.450, 311.571, 311.601, 312.085, 312.175, 313.040, 313.080, 313.290, 313.305, 314.041, 314.042, 314.051, 314.073, 315.050, 315.065, 320.250, 320.280, 327.050, 333.100, 333.190, 335.080, 335.090, 335.100, and 335.150, and the Cabinet for Health ***and Family*** Services shall begin planning for the implementation of those sections listed above which require, as a part of initial licensure or certification, applicants for certain specified professions to complete an educational course on the transmission, control, treatment, and prevention of human immunodeficiency virus and acquired immunodeficiency syndrome. The planning shall include collecting information from the facilities and programs which educate and train the licensed professionals affected by the licensure requirements of those sections listed above and shall also include developing administrative regulations for the implementation of the licensure requirements.

(2) The Cabinet for Health ***and Family*** Services shall develop, if requested by a licensing board or certifying entity, instructional material on the human immunodeficiency virus, including information related to methods of transmission, education, and infection control. The materials developed under this section shall be provided to persons licensed under KRS Chapters 317 and 317A. Costs of production and distribution of the instructional materials shall be wholly assumed from the fees assessed by the licensing boards which regulate the professionals who are provided with educational materials under this section. To expeditiously and economically develop, produce, and distribute the instructional material required under this section, the Cabinet for Health ***and Family*** Services shall consult with the professional associations of professions to determine whether suitable instructional materials already exist that may be lawfully reproduced or reprinted.

(3) The Cabinet for Human Resources shall require that, by July 1, 1992, all employees of health facilities defined in KRS 216B.015 shall have completed an educational course on the transmission, control, treatment, and prevention of the human immunodeficiency virus and acquired immunodeficiency syndrome with an emphasis on appropriate behavior and attitude

change except for those employees who shall have completed such a course as required for their professional licensure or upon evidence that the employee received such a course from another health facility where the employee was previously employed.

(4) Information on the human immunodeficiency virus infection shall be presented to any person who receives treatment at any hospital, however named, skilled-nursing facilities, primary-care centers, rural health clinics, outpatient clinics, ambulatory-care facilities, ambulatory surgical centers, and emergency-care centers licensed pursuant to KRS Chapter 216B. Section 440. KRS 214.625 is amended to read as follows:

(1) The General Assembly finds that the use of tests designed to reveal a condition indicative of human immunodeficiency virus (HIV) infection can be a valuable tool in protecting the public health. The General Assembly finds that despite current scientific knowledge that zidovudine (AZT) prolongs the lives of acquired immunodeficiency syndrome victims, and may also be effective when introduced in the early stages of human immunodeficiency virus infection, many members of the public are deterred from seeking testing because they misunderstand the nature of the test or fear that test results will be disclosed without their consent. The General Assembly finds that the public health will be served by facilitating informed, voluntary, and confidential use of tests designed to detect human immunodeficiency virus infection.

(2) A person who has signed a general consent form for the performance of medical procedures and tests is not required to also sign or be presented with a specific consent form relating to medical procedures or tests to determine human immunodeficiency virus infection, antibodies to human immunodeficiency virus, or infection with any other causative agent of acquired immunodeficiency syndrome that will be performed on the person during the time in which the general consent form is in effect. However, a general consent form shall instruct the patient that, as part of the medical procedures or tests, the patient may be tested for human immunodeficiency virus infection, hepatitis, or any other blood-borne infectious disease if a doctor orders the test for diagnostic purposes. Except as otherwise provided in subsection (5)(c) of this section, the results of a test or procedure to determine human immunodeficiency virus infection, antibodies to human immunodeficiency virus, or infection with any probable causative agent of acquired immunodeficiency syndrome performed under the authorization of a general consent form shall be used only for diagnostic or other purposes directly related to medical treatment.

(3) In any emergency situation where informed consent of the patient cannot reasonably be obtained before providing health-care services, there is no requirement that a health-care provider obtain a previous informed consent.

(4) The physician who orders the test pursuant to subsections (1) and (2) of this section, or the attending physician, shall be responsible for informing the patient of the results of the test if the test results are positive for human immunodeficiency virus infection. If the tests are positive, the physician shall also be responsible for either:

(a) Providing information and counseling to the patient concerning his infection or diagnosis and the known medical implications of such status or condition; or

(b) Referring the patient to another appropriate professional or health-care facility for the information and counseling.

(5) (a) No person in this state shall perform a test designed to identify the human immunodeficiency virus, or its antigen or antibody, without first obtaining the informed consent of the person upon whom the test is being performed, except as specified in subsections (2) and (3) of this section.

(b) No test result shall be determined as positive, and no positive test result shall be revealed to any person, without corroborating or confirmatory tests being conducted.

(c) No person who has obtained or has knowledge of a test result pursuant to this section shall disclose or be compelled to disclose the identity of any person upon whom a test is performed, or the results of the test in a manner which permits identification of the subject of the test, except to the following persons:

1. The subject of the test or the subject's legally authorized representative;

2. Any person designated in a legally effective release of the test results executed prior to or after the test by the subject of the test or the subject's legally authorized representative;

3. A physician, nurse, or other health-care personnel who has a legitimate need to know the test result in order to provide for his protection and to provide for the patient's health and welfare;

4. Health-care providers consulting between themselves or with health-care facilities to determine diagnosis and treatment;

5. The cabinet, in accordance with rules for reporting and controlling the spread of disease, as otherwise provided by state law;

6. A health facility or health-care provider which procures, processes, distributes, or uses:

a. A human body part from a deceased person, with respect to medical information regarding that person; or

b. Semen provided prior to July 13, 1990, for the purpose of artificial insemination;

7. Health facility staff committees, for the purposes of conducting program monitoring, program evaluation, or service reviews;

a. No court of this state shall issue an order to permit access to a test for human immunodeficiency virus performed in a medical or public health setting to any person not authorized by this section or by KRS 214.420. A court may order an individual to be tested for human immunodeficiency virus only if the person seeking the test results has demonstrated a compelling need for the test results which cannot be accommodated by other means. In assessing compelling need, the court shall weigh the need for testing and disclosure against the privacy interest of the test subject and the public interest which may be disserved by disclosure which deters blood, organ, and semen donation and future human immunodeficiency virus-related testing or which may lead to discrimination. This paragraph shall not apply to blood bank donor records;

b. Pleadings pertaining to disclosure of test results shall substitute a pseudonym for the true name of the subject of the test. The disclosure to the parties of the subject's true name shall be communicated confidentially, in documents not filed with the court;

c. Before granting any order, the court shall provide the individual whose test result is in question with notice and a reasonable opportunity to participate in the proceedings if he is not already a party;

d. Court proceedings as to disclosure of test results shall be conducted in camera, unless the subject of the test agrees to a hearing in open court or unless the court determines that a public hearing is necessary to the public interest and the proper administration of justice; and

e. Upon the issuance of an order to disclose test results, the court shall impose appropriate safeguards against unauthorized disclosure, which shall specify the persons who may have access to the information, the purposes for which the information shall be used, and appropriate prohibitions on future disclosure.

No person to whom the results of a test have been disclosed shall disclose the test results to another person except as authorized by this subsection. When disclosure is made pursuant to this subsection, it shall be accompanied by a statement in writing which includes the following or substantially similar language: "This information has been disclosed to you from records whose confidentiality is protected by state law. State law prohibits you from making any further disclosure of such information without the specific written consent of the person to whom such information pertains, or as otherwise permitted by state law. A general authorization for the release of medical or other information is NOT sufficient for this purpose." An oral disclosure shall be accompanied by oral notice and followed by a written notice within ten (10) days.

(6) (a) The Cabinet for Health ***and Family*** Services shall establish a network of voluntary human immunodeficiency virus testing programs in every county in the state. These programs shall be conducted in each public health department established under the provisions of KRS Chapter 211. Additional programs may be contracted to other private providers to the extent that finances permit and local circumstances dictate.

(b) Each public health department shall have the ability to provide counseling and testing for the human immunodeficiency virus to each patient who receives services and shall offer the testing on a voluntary basis to each patient who requests the test.

(c) Each public health department shall provide a program of counseling and testing for human immunodeficiency virus infection, on an anonymous or confidential basis, dependent on the patient's desire. If the testing is performed on an anonymous basis, only the statistical information relating to a positive test for human immunodeficiency virus infection shall be reported to the cabinet. If the testing is performed on a confidential basis, the unique code and other information specified in KRS 214.645 shall be reported to the cabinet. The cabinet shall continue to provide for anonymous testing and counseling.

(d) The result of a serologic test conducted under the auspices of the cabinet shall not be used to determine if a person may be insured for disability, health, or life insurance or to screen or determine suitability for, or to discharge a person from, employment. Any person who violates the provisions of this subsection shall be guilty of a Class A misdemeanor.

(7) No public health department and no other person in this state shall conduct or hold themselves out to the public as conducting a testing program for acquired immunodeficiency syndrome, acquired immunodeficiency syndrome related complex, or human immunodeficiency virus status without first registering with the cabinet, complying with all other

applicable provisions of state law, and meeting the following requirements:

(a) The program shall be directed by a person who has completed an educational course approved by the cabinet in the counseling of persons with acquired immunodeficiency syndrome, acquired immunodeficiency syndrome related complex, or human immunodeficiency virus infection;

(b) The program shall have all medical care supervised by a physician licensed under the provisions of KRS Chapter 311;

(c) The program shall have all laboratory procedures performed in a laboratory licensed under the provisions of KRS Chapter 333;

(d) Informed consent shall be required prior to testing. Informed consent shall be preceded by an explanation of the test, including its purpose, potential uses, and limitations and the meaning of its results;

(e) The program, unless it is a blood donor center, shall provide pretest counseling on the meaning of a test for human immunodeficiency virus, including medical indications for the test; the possibility of false positive or false negative results; the potential need for confirmatory testing; the potential social, medical, and economic consequences of a positive test result; and the need to eliminate high-risk behavior;

(f) The program shall provide supplemental corroborative testing on all positive test results before the results of any positive test is provided to the patient;

(g) The program shall provide post-test counseling, in person, on the meaning of the test results; the possible need for additional testing; the social, medical, and economic consequences of a positive test result; and the need to eliminate behavior which might spread the disease to others;

(h) Each person providing post-test counseling to a patient with a positive test result shall receive specialized training, to be specified by regulation of the cabinet, about the special needs of persons with positive results, including recognition of possible suicidal behavior, and shall refer the patient for further health and social services as appropriate;

(i) When services are provided for a charge during pretest counseling, testing, supplemental testing, and post-test counseling, the program shall provide a complete list of all charges to the patient and the cabinet; and

(j) Nothing in this subsection shall be construed to require a facility licensed under KRS Chapter 333 or a person licensed under the provisions of KRS Chapters 311, 312, or 313 to register with the cabinet if he or she does not advertise or hold himself or herself out to the public as conducting testing programs for human immunodeficiency virus infection or specializing in such testing.

(8) Any violation of this section by a licensed health-care provider shall be a ground for disciplinary action contained in the professional's respective licensing chapter.

(9) Except as provided in subsection (6)(d) of this section and KRS 304.12-013, insurers and others participating in activities related to the insurance application and underwriting process shall be exempt from this section.

(10) The cabinet shall develop program standards consistent with the provisions of this section for counseling and testing persons for the human immunodeficiency virus.

If the building or the premises are open to the public, the employer or business enterprise shall post signs on or about the premises if carrying concealed weapons is prohibited. Possession of weapons, or ammunition, or both in a vehicle on the premises shall not be a criminal offense so long as the weapons, or ammunition, or both are not removed from the vehicle or brandished while the vehicle is on the premises. A private but not a public employer may prohibit

employees or other persons holding a concealed deadly weapons license from carrying concealed deadly weapons, or ammunition, or both in vehicles owned by the employer, but may not prohibit employees or other persons holding a concealed deadly weapons license from carrying concealed deadly weapons, or ammunition, or both in vehicles owned by the employee, except that the Justice Cabinet may prohibit an employee from carrying any weapons, or ammunition, or both other than the weapons, or ammunition, or both issued or authorized to be used by the employee of the cabinet, in a vehicle while transporting persons under the employee's supervision or jurisdiction. Carrying of a concealed weapon, or ammunition, or both in a location specified in this subsection by a license holder shall not be a criminal act but may subject the person to denial from the premises or removal from the premises, and, if an employee of an employer, disciplinary measures by the employer.

(15) All moneys collected by the Department of State Police pursuant to this section shall be used to administer the provisions of this section. By March 1 of each year, the Department of State Police and the Administrative Office of the Courts shall submit reports to the Governor, the President of the Senate, and the Speaker of the House of Representatives, indicating the amounts of money collected and the expenditures related to this section and KRS 237.115, 244.125, 527.020, and 527.070, and the administration of the provisions of this section and KRS 237.115, 244.125, 527.020, and 527.070.

(16) The General Assembly finds as a matter of public policy that it is necessary to provide statewide uniform standards for issuing licenses to carry concealed firearms and to occupy the field of regulation of the bearing of concealed firearms to ensure that no person who qualifies under the provisions of this section is denied his rights. The General Assembly does not delegate to the Department of State Police the authority to regulate or restrict the issuing of licenses provided for in this section beyond those provisions contained in this section. This section shall be liberally construed to carry out the constitutional right to bear arms for self-defense.

(17) (a) A person who has a valid license issued by another state of the United States to carry a concealed deadly weapon in that state may, subject to provisions of Kentucky law, carry a concealed deadly weapon in Kentucky, and his license shall be considered as valid in Kentucky.

(b) The Department of State Police shall, not later than thirty (30) days after July 15, 1998, and not less than once every six (6) months thereafter, make written inquiry of the concealed deadly weapon carrying licensing authorities in each other state as to whether a Kentucky resident may carry a concealed deadly weapon in their state based upon having a valid Kentucky concealed deadly weapon license, or whether a Kentucky resident may apply for a concealed deadly weapon carrying license in that state based upon having a valid Kentucky concealed deadly weapon license. The Department of State Police shall attempt to secure from each other state permission for Kentucky residents who hold a valid Kentucky concealed deadly weapon license to carry concealed deadly weapons in that state, either on the basis of the Kentucky license or on the basis that the Kentucky license is sufficient to permit the issuance of a similar license by the other state. The Department of State Police shall enter into a written reciprocity agreement with the appropriate agency in each state that agrees to permit Kentucky residents to carry concealed deadly weapons in the other state on the basis of a Kentucky-issued concealed deadly weapon license or that will issue a license to carry concealed deadly weapons in the other state based upon a Kentucky concealed deadly weapon license. If a reciprocity agreement is reached, the requirement to recontact the other state each six (6) months shall be eliminated as long as the reciprocity agreement is in force. The information shall be a public record and shall be available to individual requesters free of charge for the first copy and at the normal rate for open records requests for additional copies.

(18) By March 1 of each year, the Department of State Police shall submit a statistical report to the Governor, the President of the Senate, and the Speaker of the House of Representatives, indicating the number of licenses issued, revoked, suspended, and denied since the previous report and in total and also the number of licenses currently valid. The report shall also include the number of arrests, convictions, and types of crimes committed since the previous report by individuals licensed to carry concealed weapons.

(19) The following provisions shall apply to concealed deadly weapon training classes conducted by the Department of Criminal Justice Training or any other agency pursuant to this section:

Only a test which is recommended by the Centers for Disease Control or by the Food and Drug Administration is deemed to be reliable for the purposes of this section. If a specific Centers for Disease Control or Food and Drug Administration-recommended test indicates the existence or possible existence of human immunodeficiency virus infection or a health condition related to the human immunodeficiency virus infection, before relying on a single test to deny issuance of an insurance contract, limit coverage under an insurance contract, or to establish the premium for an insurance contract, the insurer shall follow the applicable Centers for Disease Control or Food and Drug Administration-recommended test protocol and shall utilize any applicable Centers for Disease Control or Food and Drug Administration-recommended follow-up tests or series of tests to confirm the indication.

(b) Prior to testing, the insurer shall disclose in writing its intent to test the applicant for the human immunodeficiency virus infection or for a specific health condition derived therefrom and shall obtain the applicant's written informed consent to administer the test. 3. The benefits of locating and counseling any person by whom the infected person may have been exposed to human immunodeficiency virus and any person whom the infected person may have exposed to the virus; and
4. The availability, if any, of the services of public health authorities with respect to locating and counseling any person described in subparagraph 3. of this paragraph.

(d) A medical test for human immunodeficiency virus infection or for a health condition derived from the infection shall only be required or given to an applicant for an insurance contract on the basis of the applicant's health condition or health history, on the basis of the amount of insurance applied for, or if the test is required of all applicants.

(e) An insurer may ask whether an applicant for an insurance contract has been tested positive for human immunodeficiency virus infection or other health conditions derived from such infection. Insurers shall not inquire whether the applicant has been tested for or has received a negative result from a specific test for human immunodeficiency virus infection or for a health condition derived from such infection.

(f) Insurers shall maintain strict confidentiality of the results of tests for human immunodeficiency virus infection or a specific health condition derived from human immunodeficiency virus infection. Information regarding specific test results shall be disclosed only as required by law or pursuant to a written request or authorization by the applicant. Insurers may disclose results pursuant to a specific written request only to the following persons:

1. The applicant;
2. A licensed physician or other person designated by the applicant;
3. An insurance medical-information exchange under procedures that are used to assure confidentiality, such as the use of general codes that also cover results of tests for other diseases or conditions not related to human immunodeficiency virus infection;

5. Reinsurers, contractually retained medical personnel, and insurer affiliates if these entities are involved solely in the underwriting process and under procedures that are designed to assure confidentiality;
6. To insurer personnel who have the responsibility to make underwriting decisions; and
7. To outside legal counsel who needs the information to represent the insurer effectively in regard to matters concerning the applicant.

(g) Insurers shall use for the processing of human immunodeficiency virus-related tests only those laboratories that are certified by the United States Department of Health and Human Services under the Clinical Laboratory Improvement Act of 1967, which permit testing of specimens in interstate commerce, and which subject themselves to ongoing proficiency testing by the College of American Pathologists, the American Association of Bioanalysts, or an equivalent program approved by the Centers for Disease Control.

(5) (a) An insurance contract shall not exclude coverage for human immunodeficiency virus infection. An insurance contract shall not contain benefit provisions, terms, or conditions which apply to human immunodeficiency virus

infection in a different manner than those which apply to any other health condition. Insurance contracts which violate this paragraph shall be disapproved by the commissioner pursuant to KRS 304.14-130(1)(a), 304.32-160, and 304.38-050.

(b) A health insurance contract shall not be canceled or nonrenewed solely because a person or persons covered by the contract has been diagnosed as having or has been treated for human immunodeficiency virus infection.

(c) Sexual orientation shall not be used in the underwriting process or in the determination of which applicants shall be tested for exposure to the human immunodeficiency virus infection. Neither the marital status, the living arrangements, the occupation, the gender, the beneficiary designation, nor the zip code or other territorial classification of an applicant's sexual orientation.

(1) An action to establish or enforce child support may be initiated by the parent, custodian, or agency substantially contributing to the support of the child. The action may be brought in the county in which the child resides or where the defendant resides.

(2) At the time of initial establishment of a child support order, whether temporary or permanent, or in any proceeding to modify a support order, the child support guidelines in KRS 403.212 shall serve as a rebuttable presumption for the establishment or modification of the amount of child support. Courts may deviate from the guidelines where their application would be unjust or inappropriate. Any deviation shall be accompanied by a written finding or specific finding on the record by the court, specifying the reason for the deviation.

(3) A written finding or specific finding on the record that the application of the guidelines would be unjust or inappropriate in a particular case shall be sufficient to rebut the presumption and allow for an appropriate adjustment of the guideline award if based upon one (1) or more of the following criteria:

(a) A child's extraordinary medical or dental needs;

(b) A child's extraordinary educational, job training, or special needs;

(c) Either parent's own extraordinary needs, such as medical expenses;

(d) The independent financial resources, if any, of the child or children;

(e) Combined monthly adjusted parental gross income in excess of the Kentucky child support guidelines;

(f) The parents of the child, having demonstrated knowledge of the amount of child support established by the Kentucky child support guidelines, have agreed to child support different from the guideline amount. However, no such agreement shall be the basis of any deviation if public assistance is being paid on behalf of a child under the provisions of Part D of Title IV of the Federal Social Security Act; and

(g) Any similar factor of an extraordinary nature specifically identified by the court which would make application of the guidelines inappropriate.

(4) "Extraordinary" as used in this section shall be determined by the court in its discretion.

(5) When a party has defaulted or the court is otherwise presented with insufficient evidence to determine gross income, the court shall order child support based upon the needs of the child or the previous standard of living of the child, whichever is greater. An order entered by default or due to insufficient evidence to determine gross income may be modified upward and arrearages awarded from the date of the original order if evidence of gross income is presented within two (2) years which would have established a higher amount of child support pursuant to the child support guidelines set forth in KRS 403.212.

(6) The court shall allocate between the parents, in proportion to their combined monthly adjusted parental gross income,

reasonable and necessary child care costs incurred due to employment, job search, or education leading to employment, in addition to the amount ordered under the child support guidelines.

(7) (a) If health care insurance coverage is reasonable and available at the time the request for coverage is made, the court shall allocate between the parents, in proportion to their combined monthly adjusted parental gross income, the cost of health care insurance coverage for the child, in addition to the support ordered under the child support guidelines.

(b) A parent, who has one hundred percent (100%) of the combined monthly adjusted parental gross income, shall be entitled to a reduction in gross income of the entire amount of premiums incurred and paid.

(c) The court shall order the cost of health care of the child to be paid by either or both parents of the child regardless of who has physical custody. The court order shall include:

1. A judicial directive designating which parent shall have financial responsibility for providing health care for the dependent child, which shall include, but not be limited to, insurance coverage, payments of necessary health care deductibles or copayments; and

2. A statement providing that if the designated parent's health care coverage provides for covered services for dependent children beyond the age of majority, then any unmarried children up to twenty-five (25) years of age who are full-time students enrolled in and attending an accredited educational institution and who are primarily dependent on the insured parent for maintenance and support shall be covered.

(d) If health care insurance coverage is not reasonable and available at the time the request for the coverage is made, the court order shall provide for health care insurance coverage at the time it becomes reasonable and available.

(8) The cost of extraordinary medical expenses shall be allocated between the parties in proportion to their combined monthly adjusted parental gross incomes. "Extraordinary medical expenses" means uninsured expenses in excess of one hundred dollars ($100) per child per calendar year. "Extraordinary medical expenses" includes, but is not limited to, the costs that are reasonably necessary for medical, surgical, dental, orthodontal, optometric, nursing, and hospital services; for professional counseling or psychiatric therapy for diagnosed medical disorders; and for drugs and medical supplies, appliances, laboratory, diagnostic, and therapeutic services.

(9) The court order shall include the Social Security numbers of all parties subject to a support order.

(10) In any case administered by the Cabinet for ***Health and Family Services***~~[Families and Children]~~, if the parent ordered to provide health care coverage is enrolled through an insurer but fails to enroll the child under family coverage, the other parent or the Cabinet for ***Health and Family Services***~~[Families and Children]~~ may, upon application, enroll the child.

(11) In any case administered by the cabinet, information received or transmitted shall not be published or be open for public inspection, including reasonable evidence of domestic violence or child abuse if the disclosure of the information could be harmful to the custodial parent or the child of the parent. Necessary information and records may be furnished as specified by KRS 205.175.

(12) In the case in which a noncustodial parent provides health care coverage, and changes employment, and the new employer provides health care coverage, the Cabinet for ***Health and Family Services***~~[Families and Children]~~ shall transfer notice of the provision for coverage for the child to the employer, which shall operate to enroll this child in the noncustodial parent's health plan, unless the noncustodial parent contests the notice as specified by KRS Chapter 13B.

(13) Notwithstanding any other provision of this section, any wage or income shall not be exempt from attachment or assignment for the payment of current child support or owed or to-be-owed child support.

(14) A payment of money received by a child as a result of a parental disability shall be credited against the child support obligation of the parent. A payment shall not be counted as income to either parent when calculating a child support obligation. An amount received in excess of the child support obligation shall be credited against a child support arrearage owed by the parent that accrued subsequent to the date of the parental disability, but shall not be applied to an arrearage that accrued prior to the date of disability. The date of disability shall be as determined by the paying agency.

Section 601. KRS 403.213 is amended to read as follows:

(1) The Kentucky child support guidelines may be used by the parent, custodian, or agency substantially contributing to the support of the child as the basis for periodic updates of child support obligations and for modification of child support orders for health care. The provisions of any decree respecting child support may be modified only as to installments accruing subsequent to the filing of the motion for modification and only upon a showing of a material change in circumstances that is substantial and continuing.

(2) Application of the Kentucky child support guidelines to the circumstances of the parties at the time of the filing of a motion or petition for modification of the child support order which results in equal to or greater than a fifteen percent (15%) change in the amount of support due per month shall be rebuttably presumed to be a material change in circumstances. Application which results in less than a fifteen percent (15%) change in the amount of support due per month shall be rebuttably presumed not to be a material change in circumstances. For the one (1) year period immediately following enactment of this statute, the presumption of material change shall be a twenty-five percent (25%) change in the amount of child support due rather than the fifteen percent (15%) stated above.

(3) Unless otherwise agreed in writing or expressly provided in the decree, provisions for the support of a child shall be terminated by emancipation of the child unless the child is a high school student when he reaches the age of eighteen (18). In cases where the child becomes emancipated because of age, but not due to marriage, while still a high school student, the court-ordered support shall continue while the child is a high school student, but not beyond completion of the school year during which the child reaches the age of nineteen (19) years. Provisions for the support of the child shall not be terminated by the death of a parent obligated to support the child. If a parent obligated to pay support dies, the amount of support may be modified, revoked, or commuted to a lump-sum payment, to the extent just and appropriate in the circumstances. Emancipation of the child shall not terminate the obligation of child support arrearages that accrued while the child was an unemancipated minor.

(4) The child support guidelines table shall be reviewed at least once every four (4) years by a commission consisting of the following persons:

(a) The secretary of the Cabinet for ***Health and Family Services***[~~Families and Children~~] or a supervisory staff person designated by him;

(b) Two (2) members of the Kentucky Bar Association who have at least six (6) consecutive years' experience and are presently practicing domestic relations cases, one (1) member from a metropolitan or large urban area and one (1) member from a less populated area;

(c) Two (2) Circuit Judges appointed by the Chief Justice of the Kentucky Supreme Court, one (1) from a metropolitan or large urban area, and one (1) from a less populated area;

(d) One (1) District Judge appointed by the Chief Justice of the Kentucky Supreme Court;

(e) Two (2) county attorneys appointed by the president of the County Attorneys Association, one (1) from a metropolitan or large urban area and one (1) from a less populated area;

(f) The Attorney General or his designee, who shall be an attorney from his office;

(g) One (1) person who is a custodial parent;

(h) One (1) person who is a noncustodial parent;

(i) One (1) person who is a parent with split custody; and

(j) One (1) child advocate.

The members designated in paragraphs (g) to (j) of this subsection shall be appointed by the Governor from a list of three (3) names for each category submitted by the Cabinet for ***Health and Family Services***[~~Families and Children~~]. If the status of one (1) of these members changes, the member shall be replaced through appointment by the Governor from a list of three (3) names submitted by the cabinet.

(5) The commission shall make a recommendation to the Kentucky General Assembly to ensure that the child support guidelines table results in a determination of appropriate child support amounts.

Section 602. KRS 403.705 is amended to read as follows:

(1) One (1) or more local domestic violence coordinating councils may be established in any jurisdiction or group of counties.

(5) Local domestic violence coordinating councils may, if authorized by the local coroner or a medical examiner, create a domestic violence fatality review team, the purpose of which shall be to prevent future deaths and injuries related to domestic violence.

(6) Domestic violence fatality review teams of local domestic violence coordinating councils may:

(a) Analyze information regarding local domestic violence fatalities to identify trends, patterns, and risk factors;

(b) Evaluate the effectiveness of local prevention and intervention strategies; and

(c) Recommend, to the Governor's Council on Domestic Violence and Sexual Assault, changes in the Kentucky Revised Statutes, administrative regulations, policies, budgets, and treatment and service standards that may facilitate the prevention of domestic violence fatalities. The fatality review team may establish a protocol for the investigation of domestic violence fatalities and may establish operating rules and procedures as it deems necessary to carry out the purposes of this section.

(7) The review of a case by a domestic violence fatality review team may include information from reports generated or received by agencies, organizations, or individuals responsible for investigation, prosecution, or treatment in the case.

(8) The proceedings, records, opinions, and deliberations of the domestic violence fatality review team shall be privileged and shall not be subject to discovery, subpoena, or introduction into evidence in any civil action in any manner that would directly or indirectly identify specific persons or cases reviewed by the local team. Nothing in this subsection shall be construed to restrict or limit the right to discover or use in any civil action any evidence that is discoverable independent of the proceedings of the domestic violence fatality review team.

Section 603. KRS 403.7505 is amended to read as follows:

(3) No later than January 1 after July 15, 1996, and July 31 of every even-numbered year which follows, every law enforcement agency shall submit a copy of the agency's written domestic violence policy to the Justice Cabinet.

(4) If a law enforcement agency fails to submit a copy of the agency's written domestic violence policy in a timely manner, the secretary shall promptly notify the law enforcement agency in writing of the requirements contained in this section.

(5) If the secretary determines that a law enforcement agency has submitted a domestic violence policy which is inadequate, the secretary shall reject the policy and provide assistance to the agency in developing an adequate domestic violence policy.

The cabinet may furnish this list to the newspaper of general circulation in that county for publication.

(2) The Division of Child Support Enforcement in the Cabinet for ***Health and Family Services***~~[Families and Children]~~ shall determine uniform standards for publication. In any county where a publication fully complying with this definition does not exist, the Cabinet for ***Health and Family Services***~~[Families and Children]~~ may publish this list in the publication utilized by the Circuit Court Clerk of the county for publication of other legal notices in the county. (2) The employer shall provide the information within twenty (20) days of the hiring or return to work of the employee. The information shall include:

(a) The employee's name, address, and Social Security number; and

(b) The employer's name, address, and, if the employer has been assigned one, federal and state employer identification numbers.

(3) An employer shall report the required information by submitting a copy of the employee's W-4 form or, at the option of the employer, an equivalent form provided by the Cabinet for ***Health and Family Services***~~[Families and Children]~~ as prescribed by administrative regulation promulgated by the Cabinet for ***Health and Family Services***~~[Families and Children]~~ in accordance with KRS Chapter 13A.

(4) The Cabinet for ***Health and Family Services***~~[Families and Children]~~ shall enter all new hire information into the database of the cabinet within five (5) business days.

(5) The Cabinet for ***Health and Family Services***~~[Families and Children]~~ may promulgate administrative regulations in accordance with KRS Chapter 13A if the Cabinet for ***Health and Family Services***~~[Families and Children]~~ determines exceptions are needed to reduce unnecessary or burdensome reporting or are needed to facilitate cost-effective operation of the cabinet under this section.

(6) The Cabinet for ***Health and Family Services***~~[Families and Children]~~ shall use the information collected pursuant to this section for the location of noncustodial parents, establishment, modification, and enforcement of child support and any other matter related to paternity or child support.

(7) If the employer fails to report as required by this section, the Cabinet for ***Health and Family Services***~~[Families and Children]~~ shall give the employer written notice of the provisions of this section, including the penalty for failure to report.

(8) If the employer has not filed a report within twenty (20) days from the date that the written notice is sent to him, the Cabinet for ***Health and Family Services***~~[Families and Children]~~ shall send a second written notice.

(9) If the employer fails to file a W-4 or equivalent form within twenty (20) days from the date that the second written notice is sent, or supplies a false or incomplete report, and the failure is a result of a conspiracy between the employee and the employer to prevent the proper information from being filed within twenty (20) days from the date that the second written notice is sent, the Cabinet for ***Health and Family Services***~~[Families and Children]~~ shall send the employer by certified mail, return receipt request, notice of an administrative fine. The fine shall be two hundred fifty dollars ($250) per calendar month per person for any violation occurring after the second notice has been given, and continuing until a W-4 or equivalent form is received by the Cabinet for ***Health and Family Services***~~[Families and Children]~~. No fine shall be imposed for any period of less than one (1) full calendar month.

(10) The employer shall have ten (10) days after receipt of the administrative fine notice to request a hearing before the Cabinet for ***Health and Family Services***~~[Families and Children]~~ on whether the administrative fine was properly assessed. If a timely request for a hearing is received, the Cabinet for ***Health and Family Services***~~[Families and Children]~~ shall schedule and conduct a hearing in accordance with administrative regulations promulgated by the cabinet in accordance with KRS Chapter 13A.

The Kentucky Lottery Corporation and the Cabinet for ***Health and Family Services***~~[Families and Children]~~ shall develop a system to allow the Kentucky Lottery Corporation to receive a list of delinquent child support obligors from the Cabinet for ***Health and Family Services***~~[Families and Children]~~ on a monthly basis. The Kentucky Lottery Corporation shall withhold delinquent amounts from prizes of winners that appear on the list. This system shall be timely and shall not create an unavoidable delay in the payment of a lottery prize.

Section 609. KRS 405.465 is amended to read as follows:

(1) This section shall apply only to those child support, medical support, maintenance, and medical support insurance orders that are established, modified, or enforced by the Cabinet for ***Health and Family Services***~~[Families and Children]~~ or those court orders obtained in administering Part D, Title IV of the Federal Social Security Act.

(2) All child support orders and medical support insurance orders being established, modified, or enforced by the Cabinet for ***Health and Family Services***~~[Families and Children]~~, or those orders obtained pursuant to the administration of Part D, Title IV of the Federal Social Security Act, shall provide for income withholding which shall begin immediately.

(3) The court shall order either or both parents who are obligated to pay child support, medical support, or maintenance under

this section to assign to the Cabinet for ***Health and Family Services***~~[Families and Children]~~ that portion of salary or wages of the parent due and to be due in the future as will be sufficient to pay the child support amount ordered by the court.

(4) The order shall be binding upon the employer or any subsequent employer upon the service by certified mail of a copy of the order upon the employer and until further order of the court. The employer may deduct the sum of one dollar ($1) for each payment made pursuant to the order.

(5) The employer shall notify the cabinet when an employee, for whom a wage withholding is in effect, terminates employment and provide the terminated employee's last known address and the name and address of the terminated employee's new employer, if known.

(6) Any assignment made pursuant to court order shall have priority as against any attachment, execution, or other assignment, unless otherwise ordered by the court.

(7) No assignment under this section by an employee shall constitute grounds for dismissal of the obligor, refusal to employ, or taking disciplinary action against any obligor subject to withholding required by this section.

Section 610. KRS 405.467 is amended to read as follows:

(1) All support orders issued by the Cabinet for ***Health and Family Services***~~[Families and Children]~~, including those issued pursuant to Part D, Title IV of the Federal Social Security Act, shall provide for immediate withholding of earnings of the parent or parents obligated to pay child support and medical support as is necessary to pay the child support obligation, except where one (1) of the parties demonstrates, and the court or administrative order finds that there is good cause not to require immediate income withholding, or a written agreement is reached by both parties which provides for an alternative arrangement.

(2) In any case in which a support order was issued in the state and in which a parent is required to pay court-ordered or administratively determined child support, medical support, maintenance, and medical support insurance, and wage withholding is not in effect, and an arrearage accrues that is equal to the amount of support payment for one (1) month, upon request of the absent parent, request of the custodial parent, or upon administrative determination, the secretary shall issue an order for withholding of earnings of the parent as is necessary to comply with the order plus interest at the legal rate on the arrearage, if any, without the need for a judicial or administrative hearing.

(3) In any case in which a parent is required either by court order or administrative order to provide medical insurance coverage for the child and the parent has failed to make application to obtain coverage for the child, the secretary shall issue an order for withholding of the employee's share, if any, of premiums for health coverage and to pay the share of premiums to the insurer, without the need for a judicial or administrative hearing.

(4) The cabinet shall advise the obligated parent that a wage withholding has commenced by sending a copy of the order to withhold at the same time that the order is sent to the employer. The only basis for contesting the withholding shall be a mistake of fact or law. If the parent contests the withholding, the cabinet shall give the obligor an opportunity to present his or her case at an administrative hearing conducted in accordance with KRS Chapter 13B and decide if the withholding will continue.

(5) The cabinet shall combine any administrative or judicial wage withholding order, or multiple administrative or judicial orders for child support and medical support into a single wage withholding order when payable through the cabinet to a single family or to multiple family units.

(6) The cabinet shall serve the order to withhold earnings or notice of multiple wage withholding orders specifying wage withholding requirements on the employer of an obligor by certified mail, return receipt requested. The order shall state the amount to be withheld, or the requirement to enroll the child under the health insurance coverage, including amounts to be applied to arrearages, plus interest at the legal rate on the arrearage, if any, and the date the withholding is to begin. The total amount to be withheld, including current support and payment on arrearages plus interest, and medical insurance coverage may not exceed the limit permitted under the federal Consumer Credit Protection Act at 15 U.S.C. sec. 1673(b).

(7) If there is more than one (1) notice for child support withholding against a single absent parent, the cabinet shall allocate amounts available for withholding, giving priority to current child support, up to the limits imposed under Section 303(b) of the Consumer Credit Protection Act at 15 U.S.C. sec. 1673(b). The allocation by the cabinet shall not result in a withholding for one (1) of the support obligations not being implemented. Amounts resulting from wage withholding shall be allocated on a proportionate basis between multiple family units. Any custodial parent adversely affected by the provisions of this subsection shall have standing to challenge any proportionate allocations and, for good cause shown, a District Court, Circuit Court, or family court of competent jurisdiction may set aside the cabinet's proportional allocations as to the custodial parent.

(8) If the amounts to be withheld preclude collection of the total amount of combined child support and medical support due to the limits of the federal Consumer Credit Protection Act at 15 U.S.C. sec. 1673(b), the actual amount received shall be applied first to the current monthly child support obligation amount. Any payment exceeding the current monthly child support obligation shall then be applied by the cabinet to the administratively ordered or judicially ordered medical support obligation.

(9) The employer shall forward to the Cabinet for ***Health and Family Services***~~[Families and Children]~~ that portion of salary

or wages of the parent due and to be due in the future as will be sufficient to pay the child support amount ordered.

(10) The employer shall be held liable to the cabinet for any amount which the employer fails to withhold from earnings due an obligor following receipt of an order to withhold earnings.

(11) Any order to withhold earnings under this section shall have priority as against any attachment, execution, or other assignment, notwithstanding any state statute or administrative regulation to the contrary.

(12) No withholding under this section shall be grounds for discharging from employment, refusing to employ, or taking disciplinary action against any obligor subject to withholding required by this section.

(13) The remedies provided for in this section shall also be available for applicable support orders issued in other states.

(14) Interstate requests for withholding of earnings shall be processed by the cabinet.

Section 611. KRS 405.490 is amended to read as follows:

(1) Any person, including the obligor, who has been served with an order to withhold and deliver the obligor's property shall answer the order within twenty (20) days.

(2) The person in possession of any obligor's property shall withhold it and deliver it to the cabinet in accordance with the secretary's directions; or the obligor may offer a bond which is satisfactory to the cabinet.

(3) The person in possession of obligor's property shall have no liability or further responsibility after fulfilling the duties under this section.

(4) The obligor may dispute the amount of delinquent support by requesting a dispute hearing with twenty (20) days.

(5) If the obligor does not request a hearing, acknowledgment of the obligation is presumed and the secretary may apply the withheld property to the delinquent child support obligation.

(6) If a hearing is requested, when property or a bond is released to the secretary pursuant to an order to withhold and deliver property, the secretary shall hold the property or bond, pending determination of the obligor's liability by a hearing officer, pursuant to KRS 405.450.

(7) Upon a decision adverse to the Cabinet for ***Health and Family Services***[~~Families and Children~~] by a hearing officer, of the Circuit Court on appeal, the cabinet shall return the property together with interest at the legal rate for judgments.

The court shall provide as an explicit condition of every sentence to probation or conditional discharge that the defendant not commit another offense during the period for which the sentence remains subject to revocation.

(2) When imposing a sentence of probation or conditional discharge, the court may, in addition to any other reasonable condition, require that the defendant:

(a) Avoid injurious or vicious habits;

For good cause shown, the testing fee may be waived by the court.

(3) When imposing a sentence of probation or conditional discharge in a case where a victim of a crime has suffered monetary damage as a result of the crime due to his property having been converted, stolen, or unlawfully obtained, or its value substantially decreased as a result of the crime, or where the victim suffered actual medical expenses, direct out-of-pocket losses, or loss of earning as a direct result of the crime, or if as a direct result of the crime the victim incurred medical expenses that were paid by the Cabinet for Health ***and Family*** Services, the Crime Victims Compensation Board, or any other governmental entity, the court shall order the defendant to make restitution in addition to any other penalty provided for the commission of the offense. Restitution shall be ordered in the full amount of the damages, unless the damages exceed one hundred thousand dollars ($100,000) or twice the amount of the gain from the commission of the offense, whichever is greater, in which case the higher of these two (2) amounts shall be awarded. The court may, in lieu of ordering monetary restitution, order the defendant to make restitution by working for or on behalf of the victim. (c) When a defendant fails to make restitution ordered to be paid through the circuit clerk or a court-authorized program run by the county attorney or the Commonwealth's attorney, the circuit clerk or court-authorized program shall notify the court; and

(d) An order of restitution shall not preclude the owner of property or the victim who suffered personal physical or mental injury or out-of-pocket loss of earnings or support or other damages from proceeding in a civil action to recover damages from the defendant. A civil verdict shall be reduced by the amount paid under the criminal restitution order.

(4) When requiring fees for controlled substances or alcohol tests, or other fees and payments authorized by this section or other statute, except restitution, to be paid by the defendant, the court shall not order the payments to be paid through the circuit clerk.

The House of Representatives of the Commonwealth of Kentucky hereby recognizes and honors the employees of Dotiki Mine Alliance Coal, LCC for reacting with such tremendous bravery and skill when, on February 11, 2004, a life-threatening fire broke out within the mine. As a result of the dedicated efforts of these distinguished citizens, all miners were evacuated unharmed; the fire was extinguished by equipment that was quickly allowed to pass through the property of surrounding landowners; and, though the miners were not allowed to return to the mine for three weeks, each was assigned to other Alliance affiliates resulting in no interruption of pay to any miner nor any layoffs at the mine. These tremendous accomplishments, along with the invaluable expertise and assistance provided by the federal Mine Safety and Health Administration and the Kentucky Department of Mines and Minerals and the extraordinary efforts of Alliance Coal and the communities of Webster and Hopkins Counties, culminated in the reopening of the mine on March 8, 2004. This reopening was of particular importance as Dotiki Mine is one of the largest workforces in this area of Kentucky, providing jobs to approximately 375 citizens and producing more coal annually than any other mine in Kentucky and any other underground, non-longwall mine in the Nation. Inasmuch as the skilled employees of Dotiki Mine and Alliance Coal, along with all those who contributed to the success of this critical endeavor, have labored with such diligence and integrity within their profession and have brought such honor and pride to their families and communities by their triumph over this devastating fire, the members of this august body are pleased to join with Representative Eddie Ballard and Representative Jim Gooch, Jr., in commending each of these outstanding individuals and in extending to each best wishes for continued success and good fortune. Done in Frankfort, Kentucky, this eighteenth day of March, in the year two thousand and four.

Legislative Citation No. 94 was adopted without objection.

House Floor Amendment No. 2 to the House Committee Substitute to **SB 111**, by Representative Nelson:

SB 111, On page 20, following line 2, by inserting the following:

"Section 5. KRS 158.070 is amended to read as follows:

(1) The minimum school term shall be one hundred eighty-five (185) *work* days, including no less than the equivalent of one hundred seventy-five (175) six (6) hour instructional days. A board of education may extend its term beyond the minimum term. *A school term shall not be lengthened without a commensurate increase in the salary schedule.*

(2) *If a work day is extended beyond seven and one-half (7-1/2) hours, or a work week is extended beyond thirty-seven and one-half (37-1/2) hours, the certified staff shall be compensated for the excess time at their normal rate of pay or provided compensatory time on an hour-for-hour basis. Compensatory time shall accumulate until it is used or until it is compensated at the normal rate of pay. Nothing in this paragraph shall reduce or eliminate a benefit provided by an employer-employee bargained contract, or limit the benefits of future contracts.*

(3) The local board of education, upon recommendation of the local school district superintendent, shall adopt a school calendar for the upcoming school year that establishes the opening and closing dates of the school term, beginning and ending dates of each school month, instructional days, and days on which schools shall be dismissed. The local board may schedule days for breaks in the school calendar that shall not be counted as a part of the minimum school term.

(4)[~~(3)~~] Any local board of education operating its schools on a year-round school program basis shall conform with administrative regulations promulgated and adopted by the Kentucky Board of Education upon the recommendation of the commissioner of education, which regulations must be in conformity with the following criteria:

- (a) The year-round school program shall be operated on a fiscal year beginning July 1 and ending June 30;
- (b) A pupil's required attendance in school shall be for at least the minimum instructional term; and
- (c) No teacher shall be required to *work*[~~teach~~] more than the minimum term during the school year.

(5)[~~(4)~~] (a) Each local board of education shall use four (4) days of the minimum school term for professional development and collegial planning activities for the professional staff without the presence of pupils pursuant to the requirements of KRS 156.095. At the discretion of the superintendent, one (1) day of professional development may be used for district-wide activities and for training that is mandated by federal or state law. The use of three (3) days shall be planned by each school council, except that the district is encouraged to provide technical assistance and leadership to school councils to maximize existing resources and to encourage shared planning.

(b) A local board may approve a school's flexible professional development plan that permits teachers or other certified personnel within a school to participate in professional development activities outside the days scheduled in the school calendar or the regularly scheduled hours in the school work day and receive credit towards the four (4) day professional development requirement within the minimum one hundred eighty-five (185) days that a teacher shall be employed.

1. A flexible schedule option shall be reflected in the school's professional development component within the school improvement plan or consolidated plan and approved by the local board. Credit for approved professional development activities may be accumulated in periods of time other than full day segments.
2. No teacher or administrator shall be permitted to count participation in a professional development activity under the flexible schedule option unless the activity is related to the teacher's classroom assignment and content area, or the administrator's job requirements, or is required by the school improvement or consolidated plan, or is tied to the teacher's or the administrator's individual growth plan. The supervisor shall give prior approval and shall monitor compliance with the requirements of this paragraph. In the case of teachers, a professional development committee or the school council by council policy may be responsible for reviewing requests for approval.

(c) The local board of each school district may use up to a maximum of four (4) days of the minimum school term for holidays; provided, however, any holiday which occurs on Saturday may be observed on the preceding Friday.

(d) Each local board may use two (2) days for planning activities without the presence of pupils.

(e) Each local board may use the number of days deemed necessary for:

1. National or state disaster or mourning when proclaimed by the President of the United States or the Governor of the Commonwealth of Kentucky;
2. Local disaster which would endanger the health or safety of children; and
3. Mourning when so designated by the local board of education and approved by the Kentucky Board of Education upon recommendation of the commissioner of education.

(6)[~~(5)~~] The Kentucky Board of Education, upon recommendation of the commissioner of education, shall adopt administrative regulations governing the use of school days, including days missed from the regular school day as a result of local disaster, as defined in subsection *(5)*[~~(4)~~](e)2. of this section, and regulations setting forth the guidelines and procedures to be observed for the approval of the days utilized for the opening and closing of school and the days utilized for professional development and planning activities for the professional staff.

(7)[~~(6)~~] (a) In setting the school calendar, school may be closed for two (2) consecutive days for the purpose of permitting professional school employees to attend statewide professional meetings. These two (2) days for statewide professional meetings may be scheduled to begin with the first Thursday after Easter, or upon request of the statewide professional education association having the largest paid membership, the commissioner of education may designate alternate dates. If schools are scheduled to operate during days designated for the statewide professional meeting, the school district shall permit teachers who are delegates to attend as compensated professional leave time and shall employ substitute teachers in their absence. The commissioner of education shall designate one (1) additional day during the school year when schools shall be closed to permit professional school employees to participate in regional or district professional meetings. These three (3) days so designated for attendance at professional meetings shall not be counted as a part of the minimum school term. School shall be closed on the day of a regular election, and may be closed on the day of a primary election, and those days may be used for professional development activities, professional meetings, or parent-teacher conferences.

(b) All schools shall be closed on the third Monday of January in observance of the birthday of Martin Luther King, Jr. Districts may:

1. Designate the day as one (1) of the four (4) holidays permitted under subsection *(5)*[~~(4)~~](c) of this section; or
2. Not include the day in the minimum school term specified in subsection (1) of this section.

(8)[~~(7)~~] Students applying for excused absence for attendance at the Kentucky State Fair shall be granted one (1) day of excused absence.

(9)[~~(8)~~] Schools shall provide continuing education for those students who are determined to need additional time to achieve the outcomes defined in KRS 158.6451, and schools shall not be limited to the minimum school term in providing this education. Continuing education time may include extended days, extended weeks, or extended years. A local board of education may adopt a policy requiring its students to participate in continuing education. The local policy shall set out the conditions under which attendance will be required and any exceptions which are provided. The Kentucky Board of Education shall promulgate administrative regulations establishing criteria for the allotment of grants to local school districts and shall include criteria by which the commissioner of education may approve a district's request for a waiver to use an alternative service delivery option, including providing services during the school day on a limited basis. These grants shall be allotted to school districts to provide instructional programs for pupils who are identified as needing additional time to achieve the outcomes defined in KRS 158.6451. A school district that has a school operating a model early reading program under KRS 158.792 may use a portion of its grant money as part of the matching funds to provide individualized or small group reading instruction to qualified students outside of the regular classroom during the school day.

(10)[~~(9)~~] Notwithstanding any other statute, each school term shall include no less than the equivalent of the minimum number of instructional days required by this section.

(11)[~~(10)~~] Notwithstanding the provisions of KRS 158.060(3) and the provisions of subsection (1) of this section, a school district shall arrange bus schedules so that all buses arrive in sufficient time to provide breakfast prior to the instructional day. In the event of an unforeseen bus delay, the administrator of a school that participates in the Federal School Breakfast Program may authorize up to fifteen (15) minutes of the six (6) hour instructional day if necessary to provide the opportunity for children to eat breakfast not to exceed eight (8) times during the school year within a school building.

Section 6. KRS 158.649 is amended to read as follows:

(1) "Achievement gap" means a substantive performance difference on each of the tested areas by grade level of the Commonwealth Accountability Testing System between the various groups of students including male and female students, students with and without disabilities, students with and without English proficiency, minority and nonminority students, and students who are eligible for free and reduced lunch and those who are not eligible for free and reduced

lunch.

(2) By November 1 of each year, the Department of Education shall provide each school council, or the principal if a school council does not exist, data on its students' performance as shown by the Commonwealth Accountability Testing System. The data shall include, but not be limited to, information on performance levels of all students tested, and information on the performance of students disaggregated by race, gender, disability, English proficiency, and participation in the federal free and reduced price lunch program. The information from the department shall include an equity analysis that shall identify the substantive differences among the various groups of students identified in subsection (1) of this section.

(3) By December 1, 2002, each local board of education upon the recommendation of the local district superintendent shall adopt a policy for reviewing the academic performance on the state assessments required under KRS 158.6453 for various groups of students, including major racial groups, gender, disability, free and reduced price school lunch eligibility, and limited English proficiency. The local board policy shall be consistent with Kentucky Board of Education administrative regulations. Upon agreement of the school-based decision making council, or the principal if there is not a council, and the superintendent, the local board shall establish a biennial target for each school for reducing identified gaps in achievement as set out in subsection (4) of this section.

(4) By February 1, 2003, and each February 1 in odd-numbered years thereafter, the school-based decision making council, or the principal if there is not a council, with the involvement of parents, faculty, and staff shall set the school's biennial targets for eliminating any achievement gap and submit them to the superintendent for consideration. The superintendent and the school-based decision making council, or the principal if there is not a council, shall agree on the biennial targets before they are submitted to the local board of education for adoption.

(5) By April 1, 2003, and each April 1 in odd-numbered years thereafter, the school council, or the principal if a school council does not exist, with the involvement of parents, faculty, and staff, shall review the data and revise the consolidated plan to include the biennial targets, strategies, activities, and a time schedule calculated to eliminate the achievement gap among various groups of students to the extent it may exist. The plan shall include but not be limited to activities designed to address the following areas:

(a) Curriculum alignment within the school and with schools that send or receive the school's students;

(b) Evaluation and assessment strategies to continuously monitor and modify instruction to meet student needs and support proficient student work;

(c) Professional development to address the goals of the plan;

(d) Parental communication and involvement;

(e) Attendance improvement and dropout prevention; and

(f) Technical assistance that will be accessed.

(6) The principal shall convene a public meeting at the school to present and discuss the plan prior to submitting it to the superintendent and the local board of education for review, in the public meeting required under KRS 160.340

(7) Based on the disaggregated biennial assessment results, the local board shall determine if each school achieved its biennial targets for each group of students. Only data for a group of students including ten (10) or more students shall be considered.

(8) Notwithstanding KRS 160.345(8) and 158.070*(9)*[~~(8)~~], if a local board determines that a school has not met its biennial target to reduce the identified gap in student achievement for a group of students, the local board shall require the council, or the principal if no council exists, to submit its revisions to the consolidated plan describing the use of professional development funds and funds allocated for continuing education to reduce the school's achievement gap for review and approval by the superintendent. The plan shall address how the school will meet the academic needs of the students in the various groups identified in subsection (1) of this section.

(9) The superintendent shall report to the commissioner of education if a school fails to meet its targets to reduce the gap in student achievement for any student group for two (2) successive biennia. The school's consolidated plan shall be subject to review and approval by the Kentucky Department of Education and the school shall submit an annual status report. The Department of Education may provide assistance to schools as it deems necessary to assist the school in meeting its goals.

(10) The school-based decision making council, or the principal if there is not a council, shall no longer be required to seek approval of the plan under subsections (8) and (9) of this section when it meets its biennial target for reducing the gap in student achievement for the various groups of students identified in subsection (1) of this section.".

(5)[~~(4)~~] (a) Each local board of education shall use four (4) days of the minimum school term for professional development and collegial planning activities for the professional staff without the presence of pupils pursuant to the requirements of KRS 156.095. At the discretion of the superintendent, one (1) day of professional development may be used for district-wide activities and for training that is mandated by federal or state law. The use of three (3) days shall be planned by each school council, except that the district is encouraged to provide technical assistance and leadership to school councils to maximize existing resources and to encourage shared planning.

(b) A local board may approve a school's flexible professional development plan that permits teachers or other certified personnel within a school to participate in professional development activities outside the days scheduled in the school calendar or the regularly scheduled hours in the school work day and receive credit towards the four (4) day professional development requirement within the minimum one hundred eighty-five (185) days that a teacher shall be employed.

1. A flexible schedule option shall be reflected in the school's professional development component within the school improvement plan or consolidated plan and approved by the local board. Credit for approved professional development activities may be accumulated in periods of time other than full day segments.

2. No teacher or administrator shall be permitted to count participation in a professional development activity under the flexible schedule option unless the activity is related to the teacher's classroom assignment and content area, or the administrator's job requirements, or is required by the school improvement or consolidated plan, or is tied to the teacher's or the administrator's individual growth plan. The supervisor shall give prior approval and shall monitor compliance with the requirements of this paragraph. In the case of teachers, a professional development committee or the school council by council policy may be responsible for reviewing requests for approval.

(c) The local board of each school district may use up to a maximum of four (4) days of the minimum school term for holidays; provided, however, any holiday which occurs on Saturday may be observed on the preceding Friday.

(d) Each local board may use two (2) days for planning activities without the presence of pupils.

(e) Each local board may use the number of days deemed necessary for:

1. National or state disaster or mourning when proclaimed by the President of the United States or the Governor of the Commonwealth of Kentucky;

2. Local disaster which would endanger the health or safety of children; and

3. Mourning when so designated by the local board of education and approved by the Kentucky Board of Education upon recommendation of the commissioner of education.

(6)[~~(5)~~] The Kentucky Board of Education, upon recommendation of the commissioner of education, shall adopt administrative regulations governing the use of school days, including days missed from the regular school day as a result of local disaster, as defined in subsection ***(5)***[~~(4)~~](e)2. of this section, and regulations setting forth the guidelines and procedures to be observed for the approval of the days utilized for the opening and closing of school and the days utilized for professional development and planning activities for the professional staff.

(7)[~~(6)~~] (a) In setting the school calendar, school may be closed for two (2) consecutive days for the purpose of permitting professional school employees to attend statewide professional meetings. These two (2) days for statewide professional meetings may be scheduled to begin with the first Thursday after Easter, or upon request of the statewide professional education association having the largest paid membership, the commissioner of education may designate alternate dates. If schools are scheduled to operate during days designated for the statewide professional meeting, the school district shall permit teachers who are delegates to attend as compensated professional leave time and shall employ substitute teachers in their absence. The commissioner of education shall designate one (1) additional day during the school year when schools shall be closed to permit professional school employees to participate in regional or district professional meetings. These three (3) days so designated for attendance at professional meetings shall not be counted as a part of the minimum school term. School shall be closed on the day of a regular election, and may be closed on the day of a primary election, and those days may be used for professional development activities, professional meetings, or parent-teacher conferences.

(b) All schools shall be closed on the third Monday of January in observance of the birthday of Martin Luther King, Jr. Districts may:

1. Designate the day as one (1) of the four (4) holidays permitted under subsection *(5)*[~~(4)~~](c) of this section; or

2. Not include the day in the minimum school term specified in subsection (1) of this section.

(8)[~~(7)~~] Students applying for excused absence for attendance at the Kentucky State Fair shall be granted one (1) day of excused absence.

(9)[~~(8)~~] Schools shall provide continuing education for those students who are determined to need additional time to achieve the outcomes defined in KRS 158.6451, and schools shall not be limited to the minimum school term in providing this education. Continuing education time may include extended days, extended weeks, or extended years. A local board of education may adopt a policy requiring its students to participate in continuing education. The local policy shall set out the conditions under which attendance will be required and any exceptions which are provided. The Kentucky Board of Education shall promulgate administrative regulations establishing criteria for the allotment of grants to local school districts and shall include criteria by which the commissioner of education may approve a district's request for a waiver to use an alternative service delivery option, including providing services during the school day on a limited basis. These grants shall be allotted to school districts to provide instructional programs for pupils who are identified as needing additional time to achieve the outcomes defined in KRS 158.6451. A school district that has a school operating a model early reading program under KRS 158.792 may use a portion of its grant money as part of the matching funds to provide individualized or small group reading instruction to qualified students outside of the regular classroom during the school day.

(10)[~~(9)~~] Notwithstanding any other statute, each school term shall include no less than the equivalent of the minimum number of instructional days required by this section.

(11)[~~(10)~~] Notwithstanding the provisions of KRS 158.060(3) and the provisions of subsection (1) of this section, a school district shall arrange bus schedules so that all buses arrive in sufficient time to provide breakfast prior to the instructional day. In the event of an unforeseen bus delay, the administrator of a school that participates in the Federal School Breakfast Program may authorize up to fifteen (15) minutes of the six (6) hour instructional day if necessary to provide the opportunity for children to eat breakfast not to exceed eight (8) times during the school year within a school building.

Section 3. KRS 158.649 is amended to read as follows:

(1) "Achievement gap" means a substantive performance difference on each of the tested areas by grade level of the Commonwealth Accountability Testing System between the various groups of students including male and female students, students with and without disabilities, students with and without English proficiency, minority and nonminority students, and students who are eligible for free and reduced lunch and those who are not eligible for free and reduced lunch.

(2) By November 1 of each year, the Department of Education shall provide each school council, or the principal if a school council does not exist, data on its students' performance as shown by the Commonwealth Accountability Testing System. The data shall include, but not be limited to, information on performance levels of all students tested, and information on the performance of students disaggregated by race, gender, disability, English proficiency, and participation in the federal free and reduced price lunch program. The information from the department shall include an equity analysis that shall identify the substantive differences among the various groups of students identified in subsection (1) of this section.

(3) By December 1, 2002, each local board of education upon the recommendation of the local district superintendent shall adopt a policy for reviewing the academic performance on the state assessments required under KRS 158.6453 for various groups of students, including major racial groups, gender, disability, free and reduced price school lunch eligibility, and limited English proficiency. The local board policy shall be consistent with Kentucky Board of Education administrative regulations. Upon agreement of the school-based decision making council, or the principal if there is not a council, and the superintendent, the local board shall establish a biennial target for each school for reducing identified gaps in achievement as set out in subsection (4) of this section.

(4) By February 1, 2003, and each February 1 in odd-numbered years thereafter, the school-based decision making council, or the principal if there is not a council, with the involvement of parents, faculty, and staff shall set the school's biennial targets for eliminating any achievement gap and submit them to the superintendent for consideration. The superintendent and the school-based decision making council, or the principal if there is not a council, shall agree on the biennial targets

before they are submitted to the local board of education for adoption.

(5) By April 1, 2003, and each April 1 in odd-numbered years thereafter, the school council, or the principal if a school council does not exist, with the involvement of parents, faculty, and staff, shall review the data and revise the consolidated plan to include the biennial targets, strategies, activities, and a time schedule calculated to eliminate the achievement gap among various groups of students to the extent it may exist. The plan shall include but not be limited to activities designed to address the following areas:

(a) Curriculum alignment within the school and with schools that send or receive the school's students;

(b) Evaluation and assessment strategies to continuously monitor and modify instruction to meet student needs and support proficient student work;

(c) Professional development to address the goals of the plan;

(d) Parental communication and involvement;

(e) Attendance improvement and dropout prevention; and

(f) Technical assistance that will be accessed.

(6) The principal shall convene a public meeting at the school to present and discuss the plan prior to submitting it to the superintendent and the local board of education for review, in the public meeting required under KRS 160.340

(7) Based on the disaggregated biennial assessment results, the local board shall determine if each school achieved its biennial targets for each group of students. Only data for a group of students including ten (10) or more students shall be considered.

(8) Notwithstanding KRS 160.345(8) and 158.070*(9)*[~~(8)~~], if a local board determines that a school has not met its biennial target to reduce the identified gap in student achievement for a group of students, the local board shall require the council, or the principal if no council exists, to submit its revisions to the consolidated plan describing the use of professional development funds and funds allocated for continuing education to reduce the school's achievement gap for review and approval by the superintendent. The plan shall address how the school will meet the academic needs of the students in the various groups identified in subsection (1) of this section.

(9) The superintendent shall report to the commissioner of education if a school fails to meet its targets to reduce the gap in student achievement for any student group for two (2) successive biennia. The school's consolidated plan shall be subject to review and approval by the Kentucky Department of Education and the school shall submit an annual status report. The Department of Education may provide assistance to schools as it deems necessary to assist the school in meeting its goals.

(10) The school-based decision making council, or the principal if there is not a council, shall no longer be required to seek approval of the plan under subsections (8) and (9) of this section when it meets its biennial target for reducing the gap in student achievement for the various groups of students identified in subsection (1) of this section."

(5) After July 13, 1990, any school in which two-thirds (2/3) of the faculty vote to implement school-based decision making shall do so. All schools shall implement school-based decision making by July 1, 1996, in accordance with this section and with the policy adopted by the local board pursuant to this section. Upon favorable vote of a majority of the faculty at the school and a majority of at least twenty-five (25) voting parents of students enrolled in the school, a school meeting its goal as determined by the Department of Education pursuant to KRS 158.6455 may apply to the Kentucky Board of Education for exemption from the requirement to implement school-based decision making, and the state board shall grant the exemption. The voting by the parents on the matter of exemption from implementing school-based decision making shall be in an election conducted by the parent and teacher organization of the school or, if none exists, the largest

organization of parents formed for this purpose. Notwithstanding the provisions of this section, a local school district shall not be required to implement school-based decision making if the local school district contains only one (1) school.

(6) The Department of Education shall provide professional development activities to assist schools in implementing school-based decision making. The school shall submit the model through the local board of education to the commissioner of education and the Kentucky Board of Education, which shall have final authority for approval. The application for approval of the model shall show evidence that it has been developed by representatives of the parents, students, certified personnel, and the administrators of the school and that two-thirds (2/3) of the faculty have agreed to the model.

(8) The Kentucky Board of Education, upon recommendation of the commissioner of education, shall adopt by administrative regulation a formula by which school district funds shall be allocated to each school council. (9) (a) No board member, superintendent of schools, district employee, or member of a school council shall intentionally engage in a pattern of practice which is detrimental to the successful implementation of or circumvents the intent of school-based decision making to allow the professional staff members of a school and parents to be involved in the decision making process in working toward meeting the educational goals established in KRS 158.645 and 158.6451 or to make decisions in areas of policy assigned to a school council pursuant to paragraph (i) of subsection (2) of this section.

(b) An affected party who believes a violation of this subsection has occurred may file a written complaint with the Office of Education Accountability. The office shall investigate the complaint and resolve the conflict, if possible, or forward the matter to the Kentucky Board of Education.

(c) The Kentucky Board of Education shall conduct a hearing in accordance with KRS Chapter 13B for complaints referred by the Office of Education Accountability.

(d) If the state board determines a violation has occurred, the party shall be subject to reprimand. A second violation of this subsection may be grounds for removing a superintendent, a member of a school council, or school board member from office or grounds for dismissal of an employee for misconduct in office or willful neglect of duty.".

"Section 8. KRS 199.570 is amended to read as follows:

(1) *(a)* The files and records of the court during adoption proceedings shall not be open to inspection by persons other than parties to the proceedings, their attorneys, and representatives of the cabinet except under order of the court expressly permitting inspection.

(b) Upon the entry of the final order in the case, the clerk shall place all papers and records in the case in a suitable envelope which shall be sealed and shall not be open for inspection by any person except on written order of the court, except that upon the written consent of the biological parents and upon written order of the Circuit Court all papers and records including all files and records of the Circuit Court during proceedings for termination of parental rights provided in KRS 625.108 shall be open for inspection to any adult adopted person who applies in person or in writing to the Circuit Court as provided in KRS 199.572. ***Health information received pursuant to KRS 199.525 shall be added to the adoption case file. The clerk of the Circuit Court shall set up a separate docket and order book for adoption cases and these files and records shall be kept locked.***

(c) No person having charge of any adoption records shall disclose the names of any parties appearing in such records or furnish any copy of any such records ***to any person or other entity that does not meet the requirements of Section 9 of this Act***, except upon order of the court which entered the judgment of adoption.~~[Health information received pursuant to KRS 199.525 shall be added to the adoption case file. The clerk of the Circuit Court shall set up a separate docket and order book for adoption cases and these files and records shall be kept locked.]~~

(2) After entry of the adoption judgment, the clerk of the Circuit Court shall promptly report to the Cabinet for Health Services of Kentucky full information as called for on forms furnished by the Cabinet for Health Services, necessary to make a new birth certificate conforming to the standard birth certificate form. Upon receipt of this information, the Cabinet for Health Services shall cause to be made a new record of the birth and it shall be filed with the original certificate, and the original certificate shall be stamped with the words, "CONFIDENTIAL -- subject to copy and/or inspection only on written order of the court."

(3) The new certificate shall set forth the new name, if any, of the adopted child, the names of the adoptive parents, and such other information deemed necessary in accordance with rules and regulations promulgated by the Cabinet for Health Services in issuing of birth certificates. If the adopted child is under eighteen (18) years of age, the birth certificate shall not contain any information revealing the child is adopted and shall show the adoptive parent or parents as the biological parent or parents of the child. If requested by the adoptive parents, the new birth certificate when issued shall contain the location of birth, hospital, and name of doctor or midwife. This information should be given only by an order of the court in which the child was adopted. The new birth certificate shall recite the residence of the adoptive parents as the birthplace of the child and this shall be deemed for all legal purposes to be the birthplace of the child. If no birth certificate is on file for a child born in Kentucky, the Cabinet for Health Services shall prepare a certificate of birth in accordance with the information furnished the cabinet by the clerk of the Circuit Court which issued the adoption order. The Cabinet for Health Services shall furnish to the clerks of the Circuit Courts the necessary forms to carry out the provisions of this section. If the child was born in another state, the order of adoption shall be forwarded to the division of vital statistics of the state concerned to be changed in accordance with the laws of such state. If the child was born in a foreign country, the report of adoption shall be returned to the attorney or agency handling the adoption for submission to the appropriate federal agency.

(4) Thereafter when any copy of the certificate of birth of any child is issued it shall be a copy of the new certificate of birth, except when an order of the court granting the judgment of adoption shall request the issuance of the copy of the original certificate of the child's birth.

(5) If any judgment of adoption is reversed, modified, or vacated in any particular, the clerk of the Circuit Court shall notify the Cabinet for Health Services of the reversal or modification and the effect of same, and the cabinet shall make any necessary changes in its records.

Section 9. KRS 199.572 is amended to read as follows:

(1) At the time the biological parents give up the child for adoption, they shall be asked by the cabinet whether they consent to the inspection of the adoption records, to personal contact by the child, or to both when he becomes an adult. If consent is then given, it can later be revoked. If consent is withheld at that time, the biological parents may give consent at any later time. The initial written statement of consent or refusal of consent to inspection of records and personal contact shall be

filed with the Circuit Court not later than the date of finalization of the adoption proceedings. When a written consent is on file, the records shall be available to the adult adopted person, upon his request therefor in writing.

(2) When any adult adopted person applies in person or in writing to the Circuit Court for authorization to inspect all papers and records pertaining to the adoption proceedings of that adult adopted person as provided in KRS 199.570(1), and the biological parents have previously refused consent to inspection of records and to personal contact, the court may, if satisfied as to the identity of the adult adopted person, authorize the adult adopted person to inspect the papers and records if written consent is obtained from the biological parents identified on the adult adopted person's original birth certificate.

(3) The Circuit Court shall, within seven (7) working days of the receipt of the request, direct the secretary of the cabinet to notify each biological parent identified on the adult adopted person's original birth certificate that the person has applied to the court for information identifying the biological parent. Within six (6) months of receiving the notice of the request of the adult adopted person, the secretary of the cabinet shall make complete and reasonable efforts to notify each biological parent identified on the adult adopted person's original birth certificate. The secretary may charge a reasonable fee not to exceed two hundred fifty dollars ($250) to the adult adopted person for making this search. Every child-caring facility and child-placing agency in the Commonwealth shall cooperate with the secretary in his efforts to notify these biological parents.

(4) ***If the Cabinet utilizes the services of another person or entity to perform a search under subsection (3) of this section, the cabinet shall enter into a formal contract with that person or entity. A person or entity contracted to perform a search shall be licensed under the provisions of KRS Chapter 329A.***

(5) The notification of the biological parents shall not be by mail and shall be by personal and confidential contact ***by the cabinet***. The notification shall be done without disclosing the identity of the adult adopted person. The personal and confidential contact with the biological parents shall be evidenced by filing with the Circuit Court an affidavit of notification executed by the person who notified each parent and certifying each parent was given the following information:

(a) The nature of the information requested by the adult adopted person;

(b) The date of the request of the adult adopted person;

(c) The right of the biological parent to file, within sixty (60) days of receipt of the notice, an affidavit with the Circuit Court stating that the adult adopted person shall be authorized to inspect all papers and records pertaining to his adoption proceedings;

(d) The right of the biological parent to file at any time an affidavit authorizing the adult adopted person to inspect all papers and records pertaining to his adoption proceedings; and

(e) The right of a biological parent to file an affidavit with the Circuit Court stating that all papers and records pertaining to the adoption proceedings of the adult adopted person shall not be open for inspection by the adult adopted person.

(6)[~~(5)~~] The adult adopted person shall not be authorized to inspect the papers and records pertaining to his or her adoption proceedings unless those biological parents identified on the original birth certificate agree in writing to that inspection.

(7)[~~(6)~~] If after diligent and reasonable effort, the secretary of the cabinet certifies that both biological parents identified in the original birth certificate are deceased or the secretary is unable to locate said parents, then a judge of the Circuit Court, upon motion of the adult adopted person, may order that all papers and records of the Cabinet for Families and Children and those of the Circuit Court pertaining to the adoption shall be open for inspection to the adult adopted person. In any case, the court shall order that only identifying information about the biological parents be shared with the adult adopted person.

Section 9. KRS 199.572 is amended to read as follows:

(1) At the time the biological parents give up the child for adoption, they shall be asked by the cabinet whether they consent to the inspection of the adoption records, to personal contact by the child, or to both when he becomes an adult. (3) The Circuit Court shall, within seven (7) working days of the receipt of the request, direct the secretary of the cabinet to notify each biological parent identified on the adult adopted person's original birth certificate that the person has applied to the court for information identifying the biological parent. Within six (6) months of receiving the notice of the request of the adult adopted person, the secretary of the cabinet shall make complete and reasonable efforts to notify each biological parent identified on the adult adopted person's original birth certificate. The secretary may charge a reasonable fee not to exceed two hundred fifty dollars ($250) to the adult adopted person for making this search. (5) The notification of the biological parents shall not be by mail and shall be by personal and confidential contact *by the cabinet*. The notification shall be done without disclosing the identity of the adult adopted person. The personal and confidential contact with the biological parents shall be evidenced by filing with the Circuit Court an affidavit of notification executed by the person who notified each parent and certifying each parent was given the following information:

(a) The nature of the information requested by the adult adopted person;

(b) The date of the request of the adult adopted person;

(c) The right of the biological parent to file, within sixty (60) days of receipt of the notice, an affidavit with the Circuit Court stating that the adult adopted person shall be authorized to inspect all papers and records pertaining to his adoption proceedings;

(6)[~~(5)~~] The adult adopted person shall not be authorized to inspect the papers and records pertaining to his or her adoption proceedings unless those biological parents identified on the original birth certificate agree in writing to that inspection.

(7)[~~(6)~~] If after diligent and reasonable effort, the secretary of the cabinet certifies that both biological parents identified in the original birth certificate are deceased or the secretary is unable to locate said parents, then a judge of the Circuit Court, upon motion of the adult adopted person, may order that all papers and records of the Cabinet for Families and Children and those of the Circuit Court pertaining to the adoption shall be open for inspection to the adult adopted person. In any case, the court shall order that only identifying information about the biological parents be shared with the adult adopted person.

HCR 144, A CONCURRENT RESOLUTION requesting the Interim Joint Committee on Local Government to review local planning requirements for subdivisions.

WHEREAS, KRS Chapter 100 relates to planning and zoning by counties, cities, and other local government units; and

WHEREAS, KRS 100.111 defines terms used in the planning and zoning chapter, including definitions for "street" and "subdivision"; and

WHEREAS, the definition of "street" appears to be overly broad and could be construed to include a private driveway, and the definition of "subdivision" appears to provide exemptions which are unclear as to how they should be applied; and

WHEREAS, in KRS 179.700 "subdivision" is defined for the purposes of establishing subdivision road districts, and this definition may be applied in a manner that conflicts with the definition in KRS 100.111;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. The Interim Joint Committee on Local Government is requested to take testimony from local and state officials and interested private parties, such as real estate developers, on the application of KRS 100.111 and KRS 179.700 in order to determine if the definitions conflict with one another or otherwise cause uncertainty in the public about the use of the definitions. Particular attention should be paid to the exemptions in KRS 100.111 and the possibly overbroad definition for "street" in KRS 100.111.

Section 2. The committee is requested to include its findings and any recommendations in the committee's report for the interim. The recommendations may include legislative proposals to be considered by the 2005 General Assembly.

WHEREAS, the provision of health and dental benefits are crucial to the recruitment and retention of quality employees; and

WHEREAS, the rising cost of provision of health and dental benefits are placing a growing strain on the budgets of local governments throughout the Commonwealth; and

WHEREAS, the pooling of resources may provide relief to local governments; and

WHEREAS, statutory constraints limit the ability of local governments to pool these resources;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. The Legislative Research Commission is directed to have the Interim Joint Committee on Local Government study the needs of local governments for the pooling of resources for the provision of health and dental benefits to their employees. The committee shall make recommendations for any necessary changes to aid local governments in pooling for the provision of these employee benefits. The Interim Joint Committee on Local Government shall report its findings and recommendations to the Legislative Research Commission by November 1, 2004.

(2) In order to effect the proper collection***, management, treatment,*** and disposal of sewage and other liquid wastes ***and the proper collection, management, treatment, and disposal of storm water***[~~produced~~] within the district, to promote the public health, comfort, convenience and welfare, and to accomplish all other purposes of the district, the board may clean out, straighten, alter, deepen or otherwise improve any stream, watercourse or body of water receiving sewage or other liquid wastes and located in or out of the district; fill up any abandoned or altered stream, watercourse or body of water located in or out of the district; construct and maintain laterals, trunk sewers, intercepting sewers, siphons, pumping stations, treatment and disposal works and improvements deemed necessary to accomplish the purposes of the district and construct, preserve, operate or maintain such works in or out of the district; construct connections to the works of the district for the delivery thereto of sewage***,***[~~ and other~~] liquid wastes***, and storm water***; incorporate with the works of the district or otherwise utilize any public sewers, drains or other sewerage improvements either without modifications or with repairs, modifications or changes deemed necessary; construct any and all of the works and improvements across or through any public or private property in or out of the district; hold, encumber, control, acquire by donation, purchase or condemnation, and construct, own, lease, use and sell, any real or personal property, or any easement necessary for rights-of-way or locations for the works and improvements of the district, or for any necessary purpose, or for obtaining or storing material to be used in constructing and maintaining the works and improvements.

(3) KRS 220.010 to 220.540 shall not limit or interfere with the right of public corporations to install, maintain and operate sewerage systems as otherwise permitted by law, but the board of directors shall have full power and authority in the construction and maintenance of improvements for the purposes of the district to serve the area included within the district, and the board of directors may require the use of the improvements of the district by persons and public corporations included within the district and for which the improvements were installed.

Such regulations may prescribe the design, construction and use of ***sanitary systems and storm water systems***[~~sewers~~] within the district or construction subdistricts and the manner in which connections to laterals, trunk sewers, intercepting sewers and to other works of the district or construction subdistricts shall be made, may prevent the unnecessary pollution of any watercourse or supply within the district or construction subdistricts and may prohibit the discharge into ***the works***[~~such sewers~~] of any wastes deemed detrimental to the works and improvements of the district or construction subdistricts.[~~ Such regulations shall have no effect until approved by the Natural Resources and Environmental Protection Cabinet.~~] The board may ***impose a***[~~recover by~~] civil ***penalty upon***[~~action~~

Any person or public corporation willfully failing to comply with the regulations shall be liable for damages caused by such failure and for the cost of renewing any ***works***[~~construction~~] damaged or destroyed.

(2) The district's rules and regulations applicable to the sanitary system shall have no effect until approved by the Natural Resources and Environmental Protection Cabinet.

Section 19. KRS 220.322 is amended to read as follows:

(1) Notwithstanding any other provision of this chapter, the board of directors of the district may adopt rules requiring owners of property within the district whose property is served by a connection of sewers maintained and operated by the district or whose sewers are connected to interceptor sewers maintained and operated by the district to:

(a) Disconnect storm water inflows to sanitary sewers maintained and operated by the district and not operated as a combined sewer, or to connections with these sewers;

(b) Disconnect nonstorm water inflows to storm water sewers to the extent the sewers are maintained and operated by the district and not operated as a combined sewer, or to connections with these sewers;

(c) Reconnect or relocate any disconnected inflows in compliance with rules and regulations of the district and applicable building codes, health codes, or other relevant law or administrative regulation.

(2) Any inflow required to be disconnected under a rule adopted pursuant to this chapter shall constitute a nuisance subject to injunctive relief and abatement pursuant to this chapter, or as otherwise permitted by law.

(3) The board of directors of a district may expend district funds, and other moneys from state or federal sources to the extent permitted by their terms, loans, or grants, for either of the following:

(a) The cost of disconnections, reconnections, or relocations required by rules adopted pursuant to this chapter, performed by district personnel or persons under contract with the district;

(b) Payments to the property owner or a contractor hired by the property owner pursuant to a competitive process for the cost of disconnections, reconnections, or relocations required by rules adopted pursuant to this chapter after the board of directors has approved the work to be performed and after the district has received from the property owner a statement releasing the district from all liability in connection with the disconnections, reconnections, or relocations.

(4) Except as provided in subsection (6) of this section, the board of directors of the district shall require in its rules regarding disconnections, reconnections, or relocations of sewers the reimbursement of moneys expended pursuant to subsection (3) of this section. This shall be done by the district assessing a charge to the property owner in the amount of the payment made pursuant to subsection (3) of this section for immediate payment or payments in installment with interest as determined by the board of directors not to exceed ten percent (10%). The payments may be billed as a separate item and in addition to any other fees charged to that owner for the usage of the sewers as may be required by the district. The board of directors may approve installment payments for a period of not more than fifteen (15) years. Charges not paid when due may cause the board of directors to compel payment in the manner authorized in this chapter and the rules and regulations of the district.

(5) The district may specify the maximum amount of the cost of any disconnection, reconnection, or relocation required pursuant to subsection (1) of this section that may be paid by the district for each affected parcel of property without requiring reimbursement. The board of directors shall determine the maximum amount for each qualifying parcel that does not need to be reimbursed.

(6) Disconnections, reconnections, or relocations required under this section performed by a contractor under contract with the property owner shall not be subject to competitive bidding laws of the Commonwealth of Kentucky.

(7) Property owners shall be responsible for maintaining any improvements made to private property to reconnect or relocate disconnected inflows pursuant to this section unless a recorded public easement, dated prior to January 1, 1994, exists requiring maintenance by a city, county or sanitation district.

(8) No provisions of this section shall apply to any municipal customer of the district which as of January 1, 1998, owns, operates, and maintains a separate storm sewer utility, provided the utility is adequately funded and performs at a level that is equal to or greater than the storm water facilities of the district capitalized. All these municipal customers shall only be responsible for the cost of that municipal facility.

(9) Property owners shall be responsible for maintaining any improvements made by the property owner to private property for storm water collection. No district shall be liable for injury or damage resulting from the failure of a property owner to maintain private storm water improvements unless the district has expressly accepted responsibility for maintaining, or has expressly assumed ownership of, the private storm water improvements as part of the storm water system.

Section 20. KRS 220.330 is amended to read as follows:

Any person or public corporation having buildings, structures, works, conduits, mains, pipes, tracks or other physical obstructions in, over or upon the public streets, lanes, alleys or highways that interfere with or impede the progress of construction, maintenance or repair of the works of the district ***may***[~~shall~~], upon reasonable notice from the ***district to the person or public corporation***[~~board of directors~~], promptly shift, adjust, accommodate or remove the obstruction to meet the exigencies occasioning such action.[~~ Upon failure of any person or public corporation to make such changes the board may do so.~~] The reasonable cost and expense of such damage shall be met by the district.

Section 21. KRS 220.380 is amended to read as follows:

(1) To defray the cost of organizing the district and the preliminary expense after organization, and for the purpose of acquiring any[~~ sanitary~~] works authorized by KRS 220.010 to 220.520, and any appurtenances or extensions thereto, either by purchase or construction, the district through its board of directors may borrow money and issue negotiable bonds, which shall be known as "Sanitation District Bonds" and shall be so engraved or printed on their face following the name of the issuing district. No such bonds shall be issued until authorized by resolution specifying the purpose for which the funds are to be used and the proposed undertaking, the amount of bonds to be issued and the maximum rate of interest the bonds are to bear. The resolution shall further provide that the[~~ sanitary~~] works, appurtenances or extensions are to be acquired pursuant to the provisions of KRS 220.010 to 220.520.

(2) The district may use the authority and procedures granted to incorporated municipalities by KRS 107.010 to 107.220 to accomplish its purposes pursuant to subsection (1) of this section. When applied to sanitation districts, terms used in KRS 107.010 to 107.220 shall be construed to mean the following: "city" means "district"; "ordinance" means "resolution"; "clerk" means "secretary" or "secretary-treasurer"; "governing body" means "board of directors"; and "mayor" means "***chair***[~~president~~] of the board of directors." The provisions of this subsection shall not repeal or reduce any existing rights or duties of the district but shall constitute an additional method of financing.

Section 22. KRS 220.420 is amended to read as follows:

There shall be a statutory mortgage lien upon all property of the sanitation district in favor of the holders of the bonds and coupons, to secure payment of the bonds and coupons. The[~~ sanitary~~] works constructed or acquired by the board of directors, together with any extensions and appurtenances thereto, shall remain subject to the lien until the payment in full of the principal and interest of the bonds. Any holder of the bonds or coupons may by proper proceedings protect and enforce the lien, and may by proper proceedings, including mandamus, compel the performance of all duties required by KRS 220.010 to 220.520, including the making and collection of sufficient rates, the segregation of the income and revenue and the application thereof. The venue of such action shall be in the county in which the district or its largest area lies.

Section 23. KRS 220.440 is amended to read as follows:

At or before the issuance of the bonds, the board of directors of the district shall, by resolution, set aside and pledge the revenue derived from services rendered by its[~~ sanitary~~] works into a separate and special fund to be used and applied in the payment of the cost, maintenance, operation and depreciation of the works. The resolution shall definitely fix and determine the amount of revenue necessary to be set apart and applied to the payment of the principal and interest of the bonds, and the proportion of the balance of the revenue to be set aside as a proper and adequate depreciation fund. The remaining portion of the balance shall be set aside for reasonable and proper operation and maintenance of the works, except as provided in KRS 220.450. The rates to be charged for the service from the works shall be fixed and revised from time to time, in accordance with the provisions of KRS 220.510, so as to be sufficient to provide for the payment of interest upon all bonds and to create a sinking fund to pay the principal due, to provide for the operation and maintenance of the works, and to provide an adequate depreciation account.

Section 24. KRS 220.480 is amended to read as follows:

If the board of directors finds, prior to completion of the[~~ sanitary~~] works already begun, that the bonds originally authorized will be insufficient to accomplish the purpose desired, additional bonds of like standing with the original issue may be authorized and issued subject to the same procedure.

Section 25. KRS 220.500 is amended to read as follows:

A sanitation district acquiring any[~~ sanitary~~] works under the provisions of KRS 220.010 to 220.520 may provide for the extension, addition or improvement of the works by an additional issue or issues of bonds, in the same manner as for the original bonds. Such bonds shall be junior in standing to the bonds of the original issue, and shall constitute a second lien upon the revenues of the district, secured by a second statutory mortgage lien upon the property of the district, and an additional bond and interest payment fund shall be established by resolution at the time of the issuance of such second lien bonds. Any surplus of funds that would otherwise be placed in the depreciation account shall be placed in the bond and interest payment fund for the payment of the principal and interest of such second lien bonds. The rates for services charged to the users of the works of the district may be increased to provide the additional revenue necessary to amortize such second lien bonds.

Section 26. KRS 220.510 is amended to read as follows:

(1) The board of directors shall, by resolution ***or regulation***, determine the rates and compensation or rentals to be charged for the use of the sanitary ***system***[~~works~~]. The board of directors may provide for a sewer service charge to be imposed and collected, beginning at the time the plan for the improvement has been approved by the Natural Resources and Environmental Protection Cabinet[~~ and work is begun on plans and specifications for the improvement~~]. The rates shall at all times be reasonable, taking into account the cost of the ***sanitary system***[~~works~~], the cost of operation and maintenance,

and the amount necessary for the amortization of the bonds issued to finance the ***sanitary system***[~~works~~]. The same schedule of rates and charges shall apply to all users of the same class ***and shall vary within each class only on the basis of consumption***. The rates shall be binding upon all users of the ***sanitary*** system. The board may alter and revise the rates in its discretion.

(2) The board of directors shall, by resolution or regulation, determine the rates and compensation of rentals to be charged for the management and operation of the storm water system. The board of directors may provide for a storm water charge. The storm water charges shall at all times be reasonable, taking into account the size and type of property served, the cost of storm water collection, management, treatment, and disposal, the cost of operation and maintenance, and the amount necessary for the amortization of the bonds issued to finance the storm water system. The board may alter and revise the rates at its discretion. The storm water charge shall be applicable to all property within the district unless otherwise specified by the district. The charge shall be binding upon all property owners within the district.

(3) In case of failure of any user ***or property owner*** to pay for services rendered ***under subsections (1) or (2) of this section***, the ***president of the district employed pursuant to Section 10 of this Act***[~~board~~] may compel payment and may enjoin further use until the payment is made, or ***he or she***[~~it~~] may institute an action in any court having jurisdiction for the recovery of charges for services rendered, or the ***president of the district***[~~board~~] may, by a notice in writing, signed by ***the president of the district or his or her designee***[~~its chairman or any member of said board~~], notify the municipality, or person, firm, or corporation, which furnishes water to the user's premises, to shut off the water service to said user's premises, until such time as all delinquent charges, plus a reasonable charge for turning off and on the water service, against said user, are paid in full. Upon receipt of such notice in writing, the municipality, or the person, firm, or corporation, which furnishes water to the said user's premises shall immediately shut off and discontinue the water service to the said user's premises. Upon full payment of such account, plus a reasonable charge for turning off and on the water service, the ***president of the district or his or her designee***[~~chairman, or any member of said board~~], shall notify the said municipality, person, firm, or corporation, which furnishes water to said user, that the account is paid in full, including such reasonable charge for turning off and on the water service, and that the said water service can again be provided to said user's premises. The ***president of the district or his or her designee***[~~board of directors~~] shall promptly pay to such municipality, person, firm, or corporation, such fee or charge collected for turning off and on such water service.[~~ The board may enter into contracts with public corporations or other large users of sewer services.~~] The board may provide by resolution ***or regulation*** any provisions and stipulations it deems necessary for the administration of the revenue of the district, and for the security of the bondholders.

(4)[~~(2)~~] No moneys received on account of the existence or operation of construction subdistricts shall be used for the payment of district obligations, and no other moneys received by the district shall be used for the payment of construction subdistrict bonds or obligations. Except as provided in the preceding sentence the use of all moneys of the district received from any and all sources is hereby limited exclusively and shall be devoted solely to the payment of all obligations of the district and board created by KRS 220.010 to 220.540, and no funds from any sources authorized by KRS 220.010 to 220.540 shall be diverted to any other purposes than those in KRS 220.010 to 220.540 set forth, except that the district shall pay from district area revenues an equitably allocable share of the cost of constructing and operating any nondistrict area facilities to which sewage from the district area is diverted in order to relieve district facilities from excessive sewage and costs described in KRS 220.561 but otherwise paid for.

Section 27. KRS 220.540 is amended to read as follows:

No proceedings except as provided in KRS 220.010 to 220.530 shall be required for the acquisition of[~~ sanitary~~] works or the issuance of bonds under those sections, notwithstanding any contrary provision in the general laws of the state or the charter of any city that may be included within a district organized under those sections, and to that extent those sections shall be construed to authorize an additional and alternate method of acquiring[~~ sanitary~~] works and not as including, altering, amending or repealing any other statute.

The district may adopt a general policy establishing a credit of a different amount for each new nonresidential customer added.

(6) (a) After July 15, 1994, no new package sewage treatment plant shall be constructed or begin operation within the jurisdictional boundaries of the district unless the district, after review of the plans for construction and operation of the plant, approves the plans.

In the preparation of the plan, the board may recognize the necessity of future extensions and enlargements that may result from enlargements of the area of the district, in order that the district improvements may be designed to meet properly such increased demands.

Section 13. KRS 220.240 is amended to read as follows:

Upon the completion of the plan the board of directors shall submit it to the Natural Resources and Environmental Protection Cabinet for approval. If the Natural Resources and Environmental Protection Cabinet refers the plan back for amendment, the board of directors shall prepare and submit an amended plan. Section 15. KRS 220.260 is amended to read as follows:

Any installation contrary to the provisions of this section shall constitute a nuisance and shall be abated by injunction upon proper application by anyone aggrieved, including the district, the commissioner, or the Natural Resources and Environmental Protection Cabinet.

Section 16. KRS 220.280 is amended to read as follows:

(1) The powers of the board of directors shall be limited to the construction, maintenance and operation of such works as are necessary to carry out the purposes[~~ of the district in improvement of sanitation, as~~] set forth in KRS 220.030. The board ***of a sanitation district*** shall not permit house and users' connections ***to the sanitary system*** at the cost of the district, and every connection shall be made under the supervision of the district. No house or users' connection shall be made unless and until the house or user is provided with an adequate water supply.

(2) In order to effect the proper collection***, management, treatment,*** and disposal of sewage and other liquid wastes ***and the proper collection, management, treatment, and disposal of storm water***[~~produced~~] within the district, to promote the public health, comfort, convenience and welfare, and to accomplish all other purposes of the district, the board may clean out, straighten, alter, deepen or otherwise improve any stream, watercourse or body of water receiving sewage or other liquid wastes and located in or out of the district; fill up any abandoned or altered stream, watercourse or body of water located in or out of the district; construct and maintain laterals, trunk sewers, intercepting sewers, siphons, pumping

(3) KRS 220.010 to 220.540 shall not limit or interfere with the right of public corporations to install, maintain and operate sewerage systems as otherwise permitted by law, but the board of directors shall have full power and authority in the construction and maintenance of improvements for the purposes of the district to serve the area included within the district, and the board of directors may require the use of the improvements of the district by persons and public corporations included within the district and for which the improvements were installed.

(4) The board of directors shall have an annual audit made by a certified public accountant, copies of which shall be filed with the Secretary of State and with the county judge/executive of the county or counties in which the sanitation district is located.

The contract shall be let to the lowest and best bidder who shall give bond with approved and ample surety for the faithful performance of the contract. The notice shall specify the general nature of the bid sought, the time and date bids are to be received, and where and how more specific information can be obtained. The contract shall be in writing, in duplicate, and shall be accompanied by or refer to plans and specifications for the work to be done, prepared by the chief engineer. The plans and specifications shall be made and considered a part of the contract. The contract shall be adopted by the board and signed by its ***chair***[~~president~~] and by the contractor, and shall become a part of the records of the district.

Section 18. KRS 220.320 is amended to read as follows:

Where necessary in order to secure the best results from the construction, operation and maintenance of the works and improvements of the district or construction subdistricts and to prevent their damage from misuse, the board of directors may make and enforce regulations pertaining to the use by persons and public corporations of the works and improvements of the district or construction subdistricts. Such regulations may prescribe the design, construction and use of ***sanitary systems and storm water systems***[~~sewers~~] within the district or construction subdistricts and the manner in which connections to laterals, trunk sewers, intercepting sewers and to other works of the district or construction subdistricts shall be made, may prevent the unnecessary pollution of any watercourse or supply within the district or construction subdistricts and may prohibit the discharge into ***the works***[~~such sewers~~] of any wastes deemed detrimental to the works and improvements of the district or construction subdistricts.[~~ Such regulations shall have no effect until approved by the Natural Resources and Environmental Protection Cabinet.~~] The board may recover by civil action from any person or public corporation violating such regulations, a sum not less than one hundred dollars ($100) nor more than ***five***[~~one~~] thousand dollars ***($5,000)***[~~($1,000)~~] for each offense, together with costs ***and attorney fees***. The directors may enforce by mandamus ***or civil action,*** or otherwise all necessary and authorized regulations made by them, and may remove any improper construction or close any connections made improperly or in violation of the regulations. Any person or public corporation willfully failing to comply with the regulations shall be liable for damages caused by such failure and for the cost of renewing any ***works***[~~construction~~] damaged or destroyed.

Section 19. KRS 220.322 is amended to read as follows:

(1) Notwithstanding any other provision of this chapter, the board of directors of the district may adopt rules requiring owners of property within the district whose property is served by a connection of sewers maintained and operated by the district or whose sewers are connected to interceptor sewers maintained and operated by the district to:

(a) Disconnect storm water inflows to sanitary sewers maintained and operated by the district and not operated as a combined sewer, or to connections with these sewers;

(b) Disconnect nonstorm water inflows to storm water sewers to the extent the sewers are maintained and operated by the district and not operated as a combined sewer, or to connections with these sewers;

(c) Reconnect or relocate any disconnected inflows in compliance with rules and regulations of the district and applicable building codes, health codes, or other relevant law or administrative regulation.

(2) Any inflow required to be disconnected under a rule adopted pursuant to this chapter shall constitute a nuisance subject to injunctive relief and abatement pursuant to this chapter, or as otherwise permitted by law.

(3) The board of directors of a district may expend district funds, and other moneys from state or federal sources to the extent permitted by their terms, loans, or grants, for either of the following:

(a) The cost of disconnections, reconnections, or relocations required by rules adopted pursuant to this chapter, performed by district personnel or persons under contract with the district;

(b) Payments to the property owner or a contractor hired by the property owner pursuant to a competitive process for the cost of disconnections, reconnections, or relocations required by rules adopted pursuant to this chapter after the board of directors has approved the work to be performed and after the district has received from the property owner a statement releasing the district from all liability in connection with the disconnections, reconnections, or relocations.

(4) Except as provided in subsection (6) of this section, the board of directors of the district shall require in its rules regarding disconnections, reconnections, or relocations of sewers the reimbursement of moneys expended pursuant to subsection (3) of this section. This shall be done by the district assessing a charge to the property owner in the amount of the payment made pursuant to subsection (3) of this section for immediate payment or payments in installment with interest as determined by the board of directors not to exceed ten percent (10%). The payments may be billed as a separate item and in addition to any other fees charged to that owner for the usage of the sewers as may be required by the district. The board of directors may approve installment payments for a period of not more than fifteen (15) years. Charges not paid when due may cause the board of directors to compel payment in the manner authorized in this chapter and the rules and regulations of the district.

(5) The district may specify the maximum amount of the cost of any disconnection, reconnection, or relocation required pursuant to subsection (1) of this section that may be paid by the district for each affected parcel of property without requiring reimbursement. The board of directors shall determine the maximum amount for each qualifying parcel that does not need to be reimbursed.

(6) Disconnections, reconnections, or relocations required under this section performed by a contractor under contract with the property owner shall not be subject to competitive bidding laws of the Commonwealth of Kentucky.

(7) Property owners shall be responsible for maintaining any improvements made to private property to reconnect or relocate disconnected inflows pursuant to this section unless a recorded public easement, dated prior to January 1, 1994, exists requiring maintenance by a city, county or sanitation district.

(8) No provisions of this section shall apply to any municipal customer of the district which as of January 1, 1998, owns, operates, and maintains a separate storm sewer utility, provided the utility is adequately funded and performs at a level that is equal to or greater than the storm water facilities of the district capitalized. All these municipal customers shall only be responsible for the cost of that municipal facility.

(9) Property owners shall be responsible for maintaining any improvements made by the property owner to private property for storm water collection. No district shall be liable for injury or damage resulting from the failure of a property owner to maintain private storm water improvements unless the district has expressly accepted responsibility for maintaining, or has expressly assumed ownership of, the private storm water improvements as part of the storm water system.

Section 20. KRS 220.330 is amended to read as follows:

Any person or public corporation having buildings, structures, works, conduits, mains, pipes, tracks or other physical obstructions in, over or upon the public streets, lanes, alleys or highways that interfere with or impede the progress of construction, maintenance or repair of the works of the district *may*[~~shall~~], upon reasonable notice from the *district to the person or public corporation*[~~board of directors~~], promptly shift, adjust, accommodate or remove the obstruction to meet the exigencies occasioning such action.[~~ Upon failure of any person or public corporation to make such changes the board may do so.~~] The reasonable cost and expense of such damage shall be met by the district.

Section 21. KRS 220.380 is amended to read as follows:

(1) To defray the cost of organizing the district and the preliminary expense after organization, and for the purpose of acquiring any[~~ sanitary~~] works authorized by KRS 220.010 to 220.520, and any appurtenances or extensions thereto, either by purchase or construction, the district through its board of directors may borrow money and issue negotiable bonds, which shall be known as "Sanitation District Bonds" and shall be so engraved or printed on their face following the name of the issuing district. No such bonds shall be issued until authorized by resolution specifying the purpose for which the funds are to be used and the proposed undertaking, the amount of bonds to be issued and the maximum rate of interest the bonds are to bear. The resolution shall further provide that the[~~ sanitary~~] works, appurtenances or extensions are to be acquired pursuant to the provisions of KRS 220.010 to 220.520.

(2) The district may use the authority and procedures granted to incorporated municipalities by KRS 107.010 to 107.220 to accomplish its purposes pursuant to subsection (1) of this section. When applied to sanitation districts, terms used in KRS 107.010 to 107.220 shall be construed to mean the following: "city" means "district"; "ordinance" means "resolution"; "clerk" means "secretary" or "secretary-treasurer"; "governing body" means "board of directors"; and "mayor" means "*chair*[~~president~~] of the board of directors." The provisions of this subsection shall not repeal or reduce any existing rights or duties of the district but shall constitute an additional method of financing.

Section 22. KRS 220.420 is amended to read as follows:

There shall be a statutory mortgage lien upon all property of the sanitation district in favor of the holders of the bonds and coupons, to secure payment of the bonds and coupons. The[~~ sanitary~~] works constructed or acquired by the board of directors, together with any extensions and appurtenances thereto, shall remain subject to the lien until the payment in full of the principal and interest of the bonds. Any holder of the bonds or coupons may by proper proceedings protect and enforce the lien, and may by proper proceedings, including mandamus, compel the performance of all duties required by KRS 220.010 to 220.520, including the making and collection of sufficient rates, the segregation of the income and revenue and the application thereof. The venue of such action shall be in the county in which the district or its largest area lies.

Section 23. KRS 220.440 is amended to read as follows:

At or before the issuance of the bonds, the board of directors of the district shall, by resolution, set aside and pledge the revenue derived from services rendered by its[~~ sanitary~~] works into a separate and special fund to be used and applied in the payment of the cost, maintenance, operation and depreciation of the works. The resolution shall definitely fix and determine the amount of revenue necessary to be set apart and applied to the payment of the principal and interest of the bonds, and the proportion of the balance of the revenue to be set aside as a proper and adequate depreciation fund. The remaining portion of the balance shall be set aside for reasonable and proper operation and maintenance of the works, except as provided in KRS 220.450. The rates to be charged for the service from the works shall be fixed and revised from time to time, in accordance with the provisions of KRS 220.510, so as to be sufficient to provide for the payment of interest upon all bonds and to create a sinking fund to pay the principal due, to provide for the operation and maintenance of the works, and to provide an adequate depreciation account.

Section 24. KRS 220.480 is amended to read as follows:

If the board of directors finds, prior to completion of the[~~ sanitary~~] works already begun, that the bonds originally authorized will be insufficient to accomplish the purpose desired, additional bonds of like standing with the original issue may be authorized and issued subject to the same procedure.

Section 25. KRS 220.500 is amended to read as follows:

A sanitation district acquiring any[~~ sanitary~~] works under the provisions of KRS 220.010 to 220.520 may provide for the extension, addition or improvement of the works by an additional issue or issues of bonds, in the same manner as for the original bonds. Such bonds shall be junior in standing to the bonds of the original issue, and shall constitute a second lien upon the revenues of the district, secured by a second statutory mortgage lien upon the property of the district, and an additional bond and interest payment fund shall be established by resolution at the time of the issuance of such second lien bonds. Any surplus of funds that would otherwise be placed in the depreciation account shall be placed in the bond and interest payment fund for the payment of the principal and interest of such second lien bonds. The rates for services charged to the users of the works of the district may be increased to provide the additional revenue necessary to amortize such second lien bonds.

Section 26. KRS 220.510 is amended to read as follows:

(1) The board of directors shall, by resolution ***or regulation***, determine the rates and compensation or rentals to be charged for the use of the sanitary ***system***[~~works~~]. The board of directors may provide for a sewer service charge to be imposed and collected, beginning at the time the plan for the improvement has been approved by the Natural Resources and Environmental Protection Cabinet[~~ and work is begun on plans and specifications for the improvement~~]. The rates shall at all times be reasonable, taking into account the cost of the ***sanitary system***[~~works~~], the cost of operation and maintenance, and the amount necessary for the amortization of the bonds issued to finance the ***sanitary system***[~~works~~]. The same schedule of rates and charges shall apply to all users ***and shall vary only on the basis of consumption***[~~of the same class~~]. The rates shall be binding upon all users of the ***sanitary*** system. The board may alter and revise the rates in its discretion.

(2) The board of directors shall, by resolution or regulation, determine the rates and compensation of rentals to be charged for the management and operation of the storm water system. The board of directors may provide for a storm water charge. The storm water charges shall at all times be reasonable, taking into account the size and type of property served, the cost of storm water collection, management, treatment, and disposal, the cost of operation and maintenance, and the amount necessary for the amortization of the bonds issued to finance the storm water system. The board may alter and revise the rates at its discretion. The storm water charge shall be applicable to all property within the district unless otherwise specified by the district. The charge shall be binding upon all property owners within the district.

(3) In case of failure of any user ***or property owner*** to pay for services rendered ***under subsection (1) of this section***, the ***president of the district employed pursuant to Section 10 of this Act***[~~board~~] may compel payment and may enjoin further use until the payment is made, or ***he or she***[~~it~~] may institute an action in any court having jurisdiction for the recovery of charges for services rendered, or the ***president of the district***[~~board~~] may, by a notice in writing, signed by ***the president of the district or his or her designee***[~~its chairman or any member of said board~~], notify the municipality, or person, firm, or corporation, which furnishes water to the user's premises, to shut off the water service to said user's premises, until such time as all delinquent charges, plus a reasonable charge for turning off and on the water service, against said user, are paid in full. Upon receipt of such notice in writing, the municipality, or the person, firm, or corporation, which furnishes water to the said user's premises shall immediately shut off and discontinue the water service to the said user's premises. Upon full payment of such account, plus a reasonable charge for turning off and on the water service, the ***president of the district or his or her designee***[~~chairman, or any member of said board~~], shall notify the said municipality, person, firm, or corporation, which furnishes water to said user, that the account is paid in full, including such reasonable charge for turning off and on the water service, and that the said water service can again be provided to said user's premises. The ***president of the district or his or her designee***[~~board of directors~~] shall promptly pay to such municipality, person, firm, or corporation, such fee or charge collected for turning off and on such water service.[~~ The board may enter into contracts~~

~~with public corporations or other large users of sewer services.~~] The board may provide by resolution ***or regulation*** any provisions and stipulations it deems necessary for the administration of the revenue of the district, and for the security of the bondholders.

(4)[~~(2)~~] No moneys received on account of the existence or operation of construction subdistricts shall be used for the payment of district obligations, and no other moneys received by the district shall be used for the payment of construction subdistrict bonds or obligations. Except as provided in the preceding sentence the use of all moneys of the district received from any and all sources is hereby limited exclusively and shall be devoted solely to the payment of all obligations of the district and board created by KRS 220.010 to 220.540, and no funds from any sources authorized by KRS 220.010 to 220.540 shall be diverted to any other purposes than those in KRS 220.010 to 220.540 set forth, except that the district shall pay from district area revenues an equitably allocable share of the cost of constructing and operating any nondistrict area facilities to which sewage from the district area is diverted in order to relieve district facilities from excessive sewage and costs described in KRS 220.561 but otherwise paid for.

Section 27. KRS 220.540 is amended to read as follows:

No proceedings except as provided in KRS 220.010 to 220.530 shall be required for the acquisition of[~~ sanitary~~] works or the issuance of bonds under those sections, notwithstanding any contrary provision in the general laws of the state or the charter of any city that may be included within a district organized under those sections, and to that extent those sections shall be construed to authorize an additional and alternate method of acquiring[~~ sanitary~~] works and not as including, altering, amending or repealing any other statute.

Section 28. KRS 220.140 is amended to read as follows:

(1) Within twenty (20) days after the commissioner certifies to the county clerk of each county in which the district is located that the district is incorporated, there shall be appointed a board of directors for the district, consisting of three (3) members, which shall control and manage the affairs of the district. If the district lies wholly within a single county, the county judge/executive of that county shall appoint all of the directors.

(2) If the district lies within two (2) counties, the county judge/executive of the county in which the greater portion of the population of the district resides may appoint two (2) directors and the county judge/executive of the other county shall appoint the third.

(3) If the district lies within more than two (2) counties, the county judges/executive of all the counties shall jointly select the directors, but each one so appointed must reside in a different county. Not less than two (2) of the directors shall be freeholders, and not more than two (2) of them shall belong to or be affiliated with the same political party.

(4) If the district is coextensive with the boundaries of two (2) or more counties, four (4) directors shall be appointed by the county judge/executive of the most populous county and two (2) shall be appointed by the county judge/executive of each remaining county. ***At least one (1) of the appointees selected by the county judge/executive of the most populous county shall reside in the most populated city in that county.***

(5) All appointments by county judges/executive shall be subject to the approval of the respective fiscal courts. In a district which is coextensive with the boundaries of two (2) or more counties, not less than two-thirds (2/3) of the directors shall be freeholders.

(6) No director shall be in any way associated or connected with the ownership, operation or control of any privately owned public utility operating within the district.

(7) The terms of office of the first board of directors shall be two (2), three (3), and four (4) years, respectively, from the date of their appointment, the length of the term of office of each member to be determined by lot at their first meeting, but the individual holding such office shall do so at the pleasure of the county judge/executive by whom he ***or she*** is appointed, and he ***or she*** may be removed without cause, with the approval of the respective fiscal court, by the county judge/executive by whom he ***or she*** was appointed and his ***or her*** unexpired term filled by another appointee of such county judge/executive. After the expiration of the respective terms of office of the first board, each director shall be appointed for a term of four (4) years, subject to the will of the county judge/executive making the appointment.

(8) Vacancies resulting from any cause other than expiration of term shall be filled only for the unexpired term. The county judge/executive of the county whose director has completed ***their***[~~his~~] term of office or whose office has otherwise been vacated shall fill the vacant office, except that when the district lies within more than three (3) counties, if each county is not represented, vacancies resulting from expiration of term shall be filled in rotation by the county judges/executive of those counties not represented by a director at the time a vacancy occurs.

(9) The directors shall at all times be residents of the district, and the office of any director who moves his ***or her*** residence outside the district shall automatically be vacated.

(1) A public agency shall not hire, appoint, or contract with a person retired from the same agency within the preceding twelve (12) months to fill a full-time position, unless the position is filled by competitive process and no other more qualified person applies for the position.

(2) The provisions of this section shall not apply to local school districts or public postsecondary institutions.

Section 99. KRS 61.637 is amended to read as follows:

(1) A retired member who is receiving monthly retirement payments under any of the provisions of KRS 61.515 to 61.705 and 78.520 to 78.852 and who is reemployed as an employee by a participating agency prior to August 1, 1998, shall have his retirement payments suspended for the duration of reemployment. Monthly payments shall not be suspended for a retired member who is reemployed if he anticipates that he will receive less than the maximum permissible earnings as provided by the Federal Social Security Act in compensation as a result of reemployment during the calendar year. The payments shall be suspended at the beginning of the month in which the reemployment occurs.

(2) Employer and employee contributions shall be made as provided in KRS 61.515 to 61.705 and 78.520 to 78.852 on the compensation paid during reemployment, except where monthly payments were not suspended as provided in subsection (1) of this section or would not increase the retired member's last monthly retirement allowance by at least one dollar ($1), and the member shall be credited with additional service credit.

(3) In the month following the termination of reemployment, retirement allowance payments shall be reinstated under the plan under which the member was receiving payments prior to reemployment.

(4) (a) Notwithstanding the provisions of this section, the payments suspended in accordance with subsection (1) of this section shall be paid retroactively to the retired member, or his estate, if he does not receive more than the maximum permissible earnings as provided by the Federal Social Security Act in compensation from participating agencies during any calendar year of reemployment;

(b) If the retired member is paid suspended payments retroactively in accordance with this section, employee contributions deducted during his period of reemployment, if any, shall be refunded to the retired employee, and no service credit shall be earned for the period of reemployment;

(c) If the retired member is not eligible to be paid suspended payments for his period of reemployment as an employee, his retirement allowance shall be recomputed under the plan under which the member was receiving payments prior to reemployment as follows:

1. The retired member's final compensation shall be recomputed using creditable compensation for his period of reemployment; however, the final compensation resulting from the recalculation shall not be less than that of the member when his retirement allowance was last determined;

2. If the retired member initially retired on or subsequent to his normal retirement date, his retirement allowance shall be recomputed by using the formula in KRS 61.595(1);

The retirement allowance payments resulting from the recomputation under this subsection shall be payable in the month following the termination of reemployment in lieu of payments under subparagraph 3. The member shall not receive less in benefits as a result of the recomputation than he was receiving prior to reemployment or would receive as determined under KRS 61.691;

(10) If a member is receiving a retirement allowance, or has filed the forms required for a retirement allowance, and is employed within one (1) month of the member's initial retirement date in a position that is required to participate in the same retirement system from which the member retired, the member's retirement shall be voided and the member shall repay to the retirement system all benefits received. The member shall contribute to the member account established for him prior to his voided retirement. (b) The job descriptions and statements of duties shall be filed with the retirement office.

(13) If the retirement system determines that the retired member has been employed in a position with the same principal duties as the position from which the member retired:

serve in office. Thereafter, each officer, on January 1 of each subsequent year, shall be advanced automatically to the next step in the salary schedule until the maximum salary figure for the population group is reached. Multiple service purchases may be combined under a single installment purchase; however, no employee may make more than one (1) installment purchase at the same time. Once multiple service purchases have been combined in an installment purchase, the employee may not separate the purchases or pay a portion of one (1) of the purchases. The employee may elect to stop the installment payments by notifying the retirement system; may have the installment purchase recalculated to add one (1) or more additional service purchases; or may pay by lump sum the remaining principal.

(b) One (1) year of installment payments shall be made for each one thousand dollars ($1,000) or any part thereof of the total cost, except that the total period allowed for installments shall not be less than one (1) year and shall not exceed five (5) years.

The payments made under this subsection shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to KRS 61.560(4) and no employer contributions shall be paid on the installments.

(d) The retirement system shall determine how much of the total cost represents payment for one (1) month of the service to be purchased and shall credit one (1) month of service to the member's account each time this amount has been paid. The first service credited shall represent the first calendar month of the service to be purchased and each succeeding month of service credit shall represent the succeeding months of that service.

(e) If the employee elects to stop the installment payments, dies, retires, or does not continue employment in a position required to participate in the retirement system, the member, or in the case of death, the beneficiary, shall have sixty (60) days to pay the remaining principal of the purchase by lump sum, except that payment by the member shall be made prior to the effective retirement date. If the member or beneficiary does not pay the remaining cost, the retirement system shall refund to the member or the beneficiary the payment, payments, or portion of a payment that does not represent a full month of service purchased.

(f) If the employer does not report installment payments on an employee for sixty (60) days, except in the case of employees on military leave or sick leave without pay, the installment purchase shall cease and the retirement system shall refund to the employee the payment, payments, or portion of a payment that does not represent a full month of service purchased. Installment payments of employees on military leave or sick leave without pay shall be suspended during the period of leave and shall resume without recalculation upon the employee's return from leave.

(g) If payments have ceased under paragraph (e) or (f) of this subsection and the member later becomes a participating employee in one (1) of the three (3) systems administered by Kentucky Retirement Systems, the employee may complete the adjusted original installment purchase by lump sum or installment payments. If the employee elects to renew the installment purchase, the cost of the remaining service shall be recalculated in accordance with paragraph (a) of this subsection. If the original installment purchase was for multiple service purchases, the employee may not separate those purchases under a new installment purchase.

(17) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems may purchase service credit under any of the provisions of KRS 16.510 to 16.652, 61.515 to 61.705, or 78.520 to 78.852 by transferring funds through a direct trustee-to-trustee transfer as permitted under the applicable sections of the Internal Revenue Code and any regulations or rulings issued thereunder, or through a direct rollover as contemplated by and permitted under 26 U.S.C. sec. 401(a)(31) and any regulations or rulings issued thereunder. Service credit may also be purchased by a rollover of funds pursuant to and permitted under the rules specified in 26 U.S.C. sec. 402(c) and 26 U.S.C. sec. 408(d)(3). The Kentucky Retirement Systems shall accept the transfer or rollover to the extent permitted under the rules specified in the applicable provisions of the Internal Revenue Code and any regulations and rulings issued thereunder. The amount shall be credited to the individual member's contribution account in the appropriate retirement system and shall be considered accumulated contributions of the member.

(2) The provisions of this section shall not apply to local school districts or public postsecondary institutions.

Section 147. KRS 61.637 is amended to read as follows:

(1) A retired member who is receiving monthly retirement payments under any of the provisions of KRS 61.515 to 61.705 and 78.520 to 78.852 and who is reemployed as an employee by a participating agency prior to August 1, 1998, shall have his retirement payments suspended for the duration of reemployment. The payments shall be suspended at the beginning of the month in which the reemployment occurs.

(2) Employer and employee contributions shall be made as provided in KRS 61.515 to 61.705 and 78.520 to 78.852 on the compensation paid during reemployment, except where monthly payments were not suspended as provided in subsection (1) of this section or would not increase the retired member's last monthly retirement allowance by at least one dollar ($1), and the member shall be credited with additional service credit.

(3) In the month following the termination of reemployment, retirement allowance payments shall be reinstated under the plan under which the member was receiving payments prior to reemployment.

(4) (a) Notwithstanding the provisions of this section, the payments suspended in accordance with subsection (1) of this section shall be paid retroactively to the retired member, or his estate, if he does not receive more than the maximum permissible earnings as provided by the Federal Social Security Act in compensation from participating agencies during any calendar year of reemployment;

(b) If the retired member is paid suspended payments retroactively in accordance with this section, employee contributions deducted during his period of reemployment, if any, shall be refunded to the retired employee, and no service credit shall be earned for the period of reemployment;

(c) If the retired member is not eligible to be paid suspended payments for his period of reemployment as an employee, his retirement allowance shall be recomputed under the plan under which the member was receiving payments prior to reemployment as follows:

1. The retired member's final compensation shall be recomputed using creditable compensation for his period of reemployment; however, the final compensation resulting from the recalculation shall not be less than that of the member when his retirement allowance was last determined;

2. If the retired member initially retired on or subsequent to his normal retirement date, his retirement allowance shall be recomputed by using the formula in KRS 61.595(1);

The member shall contribute to the member account established for him prior to his voided retirement. The retirement allowance for which the member shall be eligible upon retirement shall be determined by total service and creditable compensation.

(b) The job descriptions and statements of duties shall be filed with the retirement office.

(13) If the retirement system determines that the retired member has been employed in a position with the same principal duties as the position from which the member retired:

(a) The member's retirement allowance shall be suspended during the period that begins on the month in which the member is reemployed and ends six (6) months after the member's termination.

(b) The retired member shall repay to the retirement system all benefits paid from systems administered by Kentucky Retirement Systems under reciprocity, including medical insurance benefits, that the member received after reemployment began.

(c) Upon termination, or subsequent to expiration of the six (6) month period from the date of termination, the retired member's retirement allowance based on his initial retirement account shall no longer be suspended and the member shall receive the amount to which he is entitled, including an increase as provided by KRS 61.691.

County officers named in this section shall be paid according to the first step within their population group for the first year or portion thereof they serve in office. Thereafter, each officer, on January 1 of each subsequent year, shall be advanced automatically to the next step in the salary schedule until the maximum salary figure for the population group is reached. (b) Upon completion of six (6) months' service credit as required under subsection (6) of this section, if the member is contributing to a system other than the system or systems from which he is retired.

(14) Any employee participating in one (1) of the systems administered by Kentucky Retirement Systems who has at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) in the systems administered by Kentucky Retirement Systems may obtain credit for prior or current service for any period of approved educational leave, or for agency-approved leave to work for a work-related labor organization if the agency subsequently participated in the County Employees Retirement System, by paying to the respective retirement system a delayed contribution payment. (a) The cost of the service shall be computed in the same manner as for a lump-sum payment which shall be the principal; and interest, at the actuarial rate in effect at the time the member elects to make the purchase compounded annually, shall be added for the period that the installments are to be made. Multiple service purchases may be combined under a single installment purchase; however, no employee may make more than one (1) installment purchase at the same time. Once multiple service purchases have been combined in an installment purchase, the employee may not separate the purchases or pay a portion of one (1) of the purchases. The employee may elect to stop the installment payments by notifying the retirement system; may have the installment purchase recalculated to add one (1) or more additional service purchases; or may pay by lump sum the remaining principal.

(b) One (1) year of installment payments shall be made for each one thousand dollars ($1,000) or any part thereof of the total cost, except that the total period allowed for installments shall not be less than one (1) year and shall not exceed five (5) years.

Upon notification by the retirement system, the employer shall report the installment payments either monthly or semimonthly continuously over each twelve (12) month period at the same time as, but separate from, regular employee contributions on the forms or by the computer format specified by the board. The payments made under this subsection shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to KRS 61.560(4) and no employer contributions shall be paid on the installments.

(d) The retirement system shall determine how much of the total cost represents payment for one (1) month of the service to be purchased and shall credit one (1) month of service to the member's account each time this amount has been paid. The first service credited shall represent the first calendar month of the service to be purchased and each succeeding month of service credit shall represent the succeeding months of that service.

(e) If the employee elects to stop the installment payments, dies, retires, or does not continue employment in a position required to participate in the retirement system, the member, or in the case of death, the beneficiary, shall have sixty (60) days to pay the remaining principal of the purchase by lump sum, except that payment by the member shall be made prior to the effective retirement date. If the member or beneficiary does not pay the remaining cost, the retirement system shall refund to the member or the beneficiary the payment, payments, or portion of a payment that does not represent a full month of service purchased.

(f) If the employer does not report installment payments on an employee for sixty (60) days, except in the case of employees on military leave or sick leave without pay, the installment purchase shall cease and the retirement system shall refund to the employee the payment, payments, or portion of a payment that does not represent a full month of service purchased. Installment payments of employees on military leave or sick leave without pay shall be suspended during the period of leave and shall resume without recalculation upon the employee's return from leave.

(g) If payments have ceased under paragraph (e) or (f) of this subsection and the member later becomes a participating employee in one (1) of the three (3) systems administered by Kentucky Retirement Systems, the employee may complete the adjusted original installment purchase by lump sum or installment payments. If the employee elects to renew the installment purchase, the cost of the remaining service shall be recalculated in accordance with paragraph (a) of this subsection. If the original installment purchase was for multiple service purchases, the employee may not separate those purchases under a new installment purchase.

(17) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems may purchase service credit under any of the provisions of KRS 16.510 to 16.652, 61.515 to 61.705, or 78.520 to 78.852 by transferring funds through a direct trustee-to-trustee transfer as permitted under the applicable sections of the Internal Revenue Code and any regulations or rulings issued thereunder, or through a direct rollover as contemplated by and permitted under 26 U.S.C. sec. 401(a)(31) and any regulations or rulings issued thereunder. Service credit may also be purchased by a rollover of funds pursuant to and permitted under the rules specified in 26 U.S.C. sec. 402(c) and 26 U.S.C. sec. 408(d)(3). The Kentucky Retirement Systems shall accept the transfer or rollover to the extent permitted under the rules specified in the applicable provisions of the Internal Revenue Code and any regulations and rulings issued thereunder. The amount shall be credited to the individual member's contribution account in the appropriate retirement system and shall be considered accumulated contributions of the member.

(18) After August 1, 1998, any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems who is age sixty-five (65) or older and has forty-eight (48) months of service credit or, if younger, who has sixty (60) months of service credit in systems administered by Kentucky Retirement Systems may purchase credit in the system in which the employee has the service credit for up to ten (10) years service in a regular full-time position that was credited to a state or local government-administered public defined benefit plan in another state other than a defined benefit plan for teachers. The employee may transfer funds directly from the other state's plan if eligible to the extent permitted under subsection (17) of this section and to the extent permitted by the other state's laws and shall provide proof that he is not eligible for a retirement benefit for the period of service from the other state's plan.

The service credit shall not be credited to the member's account until the employer contributions are received. If a retired member makes the payment within six (6) months, the retired member's retirement allowance shall be adjusted to reflect the added service after the employer contributions are received by the retirement system.

(3) In the month following the termination of reemployment, retirement allowance payments shall be reinstated under the plan under which the member was receiving payments prior to reemployment.

(4) (a) Notwithstanding the provisions of this section, the payments suspended in accordance with subsection (1) of this section shall be paid retroactively to the retired member, or his estate, if he does not receive more than the maximum permissible earnings as provided by the Federal Social Security Act in compensation from participating agencies during any calendar year of reemployment;

(7) (a) Effective August 1, 1998, the provisions of subsections (1) to (4) of this section shall no longer apply to a retired member who is reemployed in a position covered by the same retirement system from which the member retired. Reemployed retired members shall be treated as new members upon reemployment. Any retired member whose reemployment date preceded August 1, 1998, who does not elect, within sixty (60) days of notification by the retirement systems, to remain under the provisions of subsections (1) to (4) of this section shall be deemed to have elected to participate under this subsection.

(b) A retired member whose disability retirement was discontinued pursuant to KRS 61.615 and who is reemployed in one (1) of the systems administered by the Kentucky Retirement Systems prior to his or her normal retirement date shall have his or her accounts combined upon termination for determining eligibility for benefits. (10) If a member is receiving a retirement allowance, or has filed the forms required for a retirement allowance, and is employed within one (1) month of the member's initial retirement date in a position that is required to participate in the same retirement system from which the member retired, the member's retirement shall be voided and the member shall repay to the retirement system all benefits received. The member shall contribute to the member account established for him prior to his voided retirement. The retirement allowance for which the member shall be eligible upon retirement shall be determined by total service and creditable compensation.

(b) The job descriptions and statements of duties shall be filed with the retirement office.

(13) If the retirement system determines that the retired member has been employed in a position with the same principal duties as the position from which the member retired:

(b) The retired member shall repay to the retirement system all benefits paid from systems administered by Kentucky Retirement Systems under reciprocity, including medical insurance benefits, that the member received after reemployment began.

(c) Upon termination, or subsequent to expiration of the six (6) month period from the date of termination, the retired member's retirement allowance based on his initial retirement account shall no longer be suspended and the member shall receive the amount to which he is entitled, including an increase as provided by KRS 61.691.

(b) Service credit gained after reemployment shall be credited to the second member account. Upon termination, the retired member shall be entitled to benefits payable from the second member account.

(3) The salary schedule for county judges/executive, county clerks, jailers who operate a full service jail, and sheriffs in all counties provides for nine (9) levels of salary based upon the population of the county in the year prior to the election of county officials as determined by the United States Department of Commerce, Bureau of the Census's annual estimates. To implement the salary schedule, the Department for Local Government shall, by November 1 of each year preceding the election of county officials, certify for each county the population group applicable to each county based on the most recent estimates of the United States Department of Commerce, Bureau of the Census. The salary schedule provides four (4) steps for yearly increments within each population group. County officers named in this section shall be paid according to the first step within their population group for the first year or portion thereof they serve in office. Thereafter, each officer, on January 1 of each subsequent year, shall be advanced automatically to the next step in the salary schedule until the maximum salary figure for the population group is reached. Prior to assuming office on the first Monday in January, 1999, or thereafter, any person assuming any of the offices for which the salary is determined by this section must certify to the commissioner of the Department for Local Government the total number of years, not to exceed four (4) years, that the person has previously served in the office. (a) Upon termination from employment, if the member is contributing to the same system or systems from which he was retired; or

(b) Upon completion of six (6) months' service credit as required under subsection (6) of this section, if the member is contributing to a system other than the system or systems from which he is retired.

(14) Any employee participating in one (1) of the systems administered by Kentucky Retirement Systems who has at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) in the systems administered by Kentucky Retirement Systems may obtain credit for prior or current service for any period of approved educational leave, or for agency-approved leave to work for a work-related labor organization if the agency subsequently participated in the County Employees Retirement System, by paying to the respective retirement system a delayed contribution payment. The employee may also obtain credit for agency-approved leave to work for a work-related labor organization if the agency subsequently participated in the County Employees Retirement System, but only if the Kentucky Retirement Systems receives a favorable private letter ruling from the United States Internal Revenue Service or a favorable opinion letter from the United States Department of Labor. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer, and shall be deposited to the individual member's account.

(a) The cost of the service shall be computed in the same manner as for a lump-sum payment which shall be the principal; and interest, at the actuarial rate in effect at the time the member elects to make the purchase compounded annually, shall be added for the period that the installments are to be made. Multiple service purchases may be combined under a single installment purchase; however, no employee may make more than one

(1) installment purchase at the same time. Once multiple service purchases have been combined in an installment purchase, the employee may not separate the purchases or pay a portion of one (1) of the purchases. The employee may elect to stop the installment payments by notifying the retirement system; may have the installment purchase recalculated to add one (1) or more additional service purchases; or may pay by lump sum the remaining principal.

(b) One (1) year of installment payments shall be made for each one thousand dollars ($1,000) or any part thereof of the total cost, except that the total period allowed for installments shall not be less than one (1) year and shall not exceed five (5) years.

(c) The employee shall pay the installments by payroll deduction. Upon notification by the retirement system, the employer shall report the installment payments either monthly or semimonthly continuously over each twelve (12) month period at the same time as, but separate from, regular employee contributions on the forms or by the computer format specified by the board. The payments made under this subsection shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to KRS 61.560(4) and no employer contributions shall be paid on the installments.

(d) The retirement system shall determine how much of the total cost represents payment for one (1) month of the service to be purchased and shall credit one (1) month of service to the member's account each time this amount has been paid. The first service credited shall represent the first calendar month of the service to be purchased and each succeeding month of service credit shall represent the succeeding months of that service.

(e) If the employee elects to stop the installment payments, dies, retires, or does not continue employment in a position required to participate in the retirement system, the member, or in the case of death, the beneficiary, shall have sixty (60) days to pay the remaining principal of the purchase by lump sum, except that payment by the member shall be made prior to the effective retirement date. If the member or beneficiary does not pay the remaining cost, the retirement system shall refund to the member or the beneficiary the payment, payments, or portion of a payment that does not represent a full month of service purchased.

(f) If the employer does not report installment payments on an employee for sixty (60) days, except in the case of employees on military leave or sick leave without pay, the installment purchase shall cease and the retirement system shall refund to the employee the payment, payments, or portion of a payment that does not represent a full month of service purchased. Installment payments of employees on military leave or sick leave without pay shall be suspended during the period of leave and shall resume without recalculation upon the employee's return from leave.

(g) If payments have ceased under paragraph (e) or (f) of this subsection and the member later becomes a participating employee in one (1) of the three (3) systems administered by Kentucky Retirement Systems, the employee may complete the adjusted original installment purchase by lump sum or installment payments. If the employee elects to renew the installment purchase, the cost of the remaining service shall be recalculated in accordance with paragraph (a) of this subsection. If the original installment purchase was for multiple service purchases, the employee may not separate those purchases under a new installment purchase.

(17) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems may purchase service credit under any of the provisions of KRS 16.510 to 16.652, 61.515 to 61.705, or 78.520 to 78.852 by transferring funds through a direct trustee-to-trustee transfer as permitted under the applicable sections of the Internal Revenue Code and any regulations or rulings issued thereunder, or through a direct rollover as contemplated by and permitted under 26 U.S.C. sec. 401(a)(31) and any regulations or rulings issued thereunder. Service credit may also be purchased by a rollover of funds pursuant to and permitted under the rules specified in 26 U.S.C. sec. 402(c) and 26 U.S.C. sec. 408(d)(3). The Kentucky Retirement Systems shall accept the transfer or rollover to the extent permitted under the rules specified in the applicable provisions of the Internal Revenue Code and any regulations and rulings issued thereunder. The amount shall be credited to the individual member's contribution account in the appropriate retirement system and shall be considered accumulated contributions of the member.

(18) After August 1, 1998, any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems who is age sixty-five (65) or older and has forty-eight (48) months of service credit or, if younger, who has sixty (60) months of service credit in systems administered by Kentucky Retirement Systems may purchase credit in the system in which the employee has the service credit for up to ten (10) years service in a regular full-time position that was credited to a state or local government-administered public defined benefit plan in another state other than a defined benefit plan for teachers. The employee shall pay a delayed contribution payment. Payment may be by lump sum, or the employee may pay by increments. The employee may transfer funds directly from the other state's plan if eligible to the extent permitted under subsection (17) of this section and to the extent permitted by the other state's laws and shall provide proof that he is not eligible for a retirement benefit for the period of service from the other state's plan.

(19) After August 1, 1998, any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems, who has sixty (60) or more months of service in the State Police Retirement System or in a hazardous position in the Kentucky Employees Retirement System or the County Employees Retirement System, may purchase credit in the system in which the employee has the sixty (60) months of service credit for up to ten (10) years of service in a regular full-time position that was credited to a defined benefit retirement plan administered by a state or local government in another state, if the service could be certified as hazardous pursuant to KRS 61.592. The employee shall pay a delayed contribution payment. Payment may be by lump sum or by increments. The employee may transfer funds directly from the

other unit of government's plan if eligible to the extent permitted under subsection (17) of this section and to the extent permitted by the other state's laws, and the employee shall provide proof that he is not eligible for a retirement benefit for the period of service from the other unit of government's plan.

The cost of the service shall be a delayed contribution payment, which shall not be picked up by the employer as described in KRS 61.560(4).

(23) (a) Any person who is entitled to service credit for employment which was not reported in accordance with KRS 16.543, 61.543, or KRS 78.615 may obtain credit for the service by paying the employee contributions due within six (6) months of notification by the system. No interest shall be added to the contributions. The service credit shall not be credited to the member's account until the employer contributions are received. If a retired member makes the payment within six (6) months, the retired member's retirement allowance shall be adjusted to reflect the added service after the employer contributions are received by the retirement system.

(b) Any employee participating in one (1) of the state-administered retirement systems who is entitled to service credit under paragraph (a) of this subsection and who has not repaid the employee contributions due within six (6) months of notification by the system may regain the credit after the six (6) months by paying to the system the employee contributions plus interest at the actuarially assumed rate from the date of initial notification under paragraph (a) of this subsection. The cost of the service shall be determined as a delayed contribution payment for the respective retirement system. Payment may be made by lump sum or in increments. The service purchased under this subsection shall not be used in determining a retirement allowance until the member has accrued at least two hundred forty (240) months of service, excluding service purchased under this subsection. If the member does not accrue at least two hundred forty (240) months of service, excluding service purchased under this subsection, upon retirement, death, or written request following termination, the payment, plus interest as provided in KRS 61.575, shall be refunded.

(26) An employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems, who has at least forty-eight (48) months of service if age sixty-five (65), or at least sixty (60) months of service if under age sixty-five (65), in the systems administered by Kentucky Retirement Systems, may obtain credit in the County Employees Retirement System for the period of that employee's service with a community action agency created under KRS 273.405 to 273.453 if that service was not covered by a state-administered retirement system. Section 132. KRS 61.637 is amended to read as follows:

(1) A retired member who is receiving monthly retirement payments under any of the provisions of KRS 61.515 to 61.705 and 78.520 to 78.852 and who is reemployed as an employee by a participating agency prior to August 1, 1998, shall have his retirement payments suspended for the duration of reemployment. Monthly payments shall not be suspended for a retired member who is reemployed if he anticipates that he will receive less than the maximum permissible earnings as provided by the Federal Social Security Act in compensation as a result of reemployment during the calendar year. The payments shall be suspended at the beginning of the month in which the reemployment occurs.

(2) Employer and employee contributions shall be made as provided in KRS 61.515 to 61.705 and 78.520 to 78.852 on the compensation paid during reemployment, except where monthly payments were not suspended as provided in subsection (1) of this section or would not increase the retired member's last monthly retirement allowance by at least one dollar ($1), and the member shall be credited with additional service credit.

(3) In the month following the termination of reemployment, retirement allowance payments shall be reinstated under the plan under which the member was receiving payments prior to reemployment.

(4) (a) Notwithstanding the provisions of this section, the payments suspended in accordance with subsection (1) of this section shall be paid retroactively to the retired member, or his estate, if he does not receive more than the maximum permissible earnings as provided by the Federal Social Security Act in compensation from participating agencies during any calendar year of reemployment;

(c) If the retired member is not eligible to be paid suspended payments for his period of reemployment as an employee, his retirement allowance shall be recomputed under the plan under which the member was receiving payments prior to reemployment as follows:

1. The retired member's final compensation shall be recomputed using creditable compensation for his period of reemployment; however, the final compensation resulting from the recalculation shall not be less than that of the member when his retirement allowance was last determined;
2. If the retired member initially retired on or subsequent to his normal retirement date, his retirement allowance shall be recomputed by using the formula in KRS 61.595(1);
3. If the retired member initially retired prior to his normal retirement date, his retirement allowance shall be recomputed using the formula in KRS 61.595(2), except that the member's age used in computing benefits shall be his age at the time of his initial retirement increased by the number of months of service credit earned for service performed during reemployment;

The retirement allowance payments resulting from the recomputation under this subsection shall be payable in the month following the termination of reemployment in lieu of payments under subparagraph 3. Thereafter, each officer, on January 1 of each subsequent year, shall be advanced automatically to the next step in the salary schedule until the maximum salary figure for the population group is reached. Payment may be by lump sum or the employee may pay by increments.

(6) After August 1, 2000, service credit obtained under the subsections of this section which do not require the employee to have a minimum number of years of service credit to be eligible to make a purchase shall be disallowed and the recontribution of refund, including interest as determined by the board or other payment, if any, shall be paid to the member if the member does not obtain for service performed six (6) months' additional current service credit in one (1) of the state-administered retirement systems. A department shall make payment for the service credit within the same fiscal year in which the option is elected. The county shall establish a payment schedule subject to approval by the board for payment of the service credit. (a) Upon termination from employment, if the member is contributing to the same system or systems from which he was retired; or

(b) Upon completion of six (6) months' service credit as required under subsection (6) of this section, if the member is contributing to a system other than the system or systems from which he is retired.

(14) Any employee participating in one (1) of the systems administered by Kentucky Retirement Systems who has at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) in the systems administered by Kentucky Retirement Systems may obtain credit for prior or current service for any period of approved educational leave, or for agency-approved leave to work for a work-related labor organization if the agency subsequently participated in the County Employees Retirement System, by paying to the respective retirement system a delayed contribution payment. The employee may also obtain credit for agency-approved leave to work for a work-related labor organization if the agency subsequently participated in the County Employees Retirement System, but only if the Kentucky Retirement Systems receives a favorable private letter ruling from the United States Internal Revenue Service or a favorable opinion letter from the United States Department of Labor. (a) The cost of the service shall be computed in the same manner as for a lump-sum payment which shall be the principal; and interest, at the actuarial rate in effect at the time the member elects to make the purchase compounded annually, shall be added for the period that the installments are to be made. Multiple service purchases may be combined under a single installment purchase; however, no employee may make more than one (1) installment purchase at the same time. Once multiple service purchases have been combined in an installment purchase, the employee may not separate the purchases or pay a portion of one (1) of the purchases. The employee may elect to stop the installment payments by notifying the retirement system; may have the installment purchase recalculated to add one (1) or more additional service purchases; or may pay by lump sum the remaining principal.

(b) One (1) year of installment payments shall be made for each one thousand dollars ($1,000) or any part thereof of the total cost, except that the total period allowed for installments shall not be less than one (1) year and shall not exceed five (5) years.

The payments made under this subsection shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to KRS 61.560(4) and no employer contributions shall be paid on the installments.

(d) The retirement system shall determine how much of the total cost represents payment for one (1) month of the service to be purchased and shall credit one (1) month of service to the member's account each time this amount has been paid. The first service credited shall represent the first calendar month of the service to be purchased and each succeeding month of service credit shall represent the succeeding months of that service.

(e) If the employee elects to stop the installment payments, dies, retires, or does not continue employment in a position required to participate in the retirement system, the member, or in the case of death, the beneficiary, shall have sixty (60) days to pay the remaining principal of the purchase by lump sum, except that payment by the member shall be made prior to the effective retirement date. If the member or beneficiary does not pay the remaining cost, the retirement system shall refund to the member or the beneficiary the payment, payments, or portion of a payment that does not represent a full month of service purchased.

(f) If the employer does not report installment payments on an employee for sixty (60) days, except in the case of employees on military leave or sick leave without pay, the installment purchase shall cease and the retirement system shall refund to the employee the payment, payments, or portion of a payment that does not represent a full month of service purchased. Installment payments of employees on military leave or sick leave without pay shall be suspended during the period of leave and shall resume without recalculation upon the employee's return from leave.

(g) If payments have ceased under paragraph (e) or (f) of this subsection and the member later becomes a participating employee in one (1) of the three (3) systems administered by Kentucky Retirement Systems, the employee may complete the adjusted original installment purchase by lump sum or installment payments. If the employee elects to renew the installment purchase, the cost of the remaining service shall be recalculated in accordance with paragraph (a) of this subsection. If the original installment purchase was for multiple service purchases, the employee may not separate those purchases under a new installment purchase.

Service credit may also be purchased by a rollover of funds pursuant to and permitted under the rules specified in 26 U.S.C. sec. 402(c) and 26 U.S.C. sec. 408(d)(3). The Kentucky Retirement Systems shall accept the transfer or rollover to the extent permitted under the rules specified in the applicable provisions of the Internal Revenue Code and any regulations and rulings issued thereunder. The amount shall be credited to the individual member's contribution account in the appropriate retirement system and shall be considered accumulated contributions of the member.

SJR 3, On page 1 and 2, by deleting all of the text contained in the WHEREAS sections of the resolution beginning below "A JOINT RESOLUTION relating to vehicle emissions control testing." and inserting in lieu thereof the following:

"WHEREAS, in various areas of the Commonwealth vehicle emissions testing (VET) programs have operated since 1984; and

WHEREAS, since 1984, the regulation of pollutants has tightened and technological controls on a variety of air emission sources, including vehicles, have improved; and

WHEREAS, gasoline formulations have changed to reduce harmful components; and

WHEREAS, approximately 98% of vehicles tested pass the first time tested for emissions; and

WHEREAS, VET programs are seen by many citizens as an imposition, unnecessary, and ineffective to achieve the program's purpose; and

WHEREAS, federal law allows various approaches to attaining air quality; and

WHEREAS, KRS 224.20-715 provides that "The cabinet shall administer or provide for a comprehensive vehicle emission control program which may require the annual inspection of vehicles in counties designated by federal Environmental Protection Agency regulation to be nonattainment for ozone, carbon monoxide, or nitrogen dioxide if a program is necessary or prudent to meet federal air quality standards and if no federal Environmental Protection Agency approved program is being operated by an air pollution control district, county fiscal court, or combination of county fiscal courts"; and

WHEREAS, the Natural Resources and Environmental Protection Cabinet by administrative regulation 401 KAR 65:010 requires the establishment of VET programs in "Vehicle Emission Control Areas," which are defined in that administrative regulation as counties in which the entire county has been designated "moderate ozone nonattainment"; and

WHEREAS, the Natural Resources and Environmental Protection Cabinet's administrative regulation 401 KAR 65:010 also provides that the VET programs established pursuant to the administrative regulation shall continue upon redesignation of the program areas to "attainment" for ozone; and

WHEREAS, the Natural Resources and Environmental Protection Cabinet's "Northern Kentucky Emissions Check" vehicle emissions testing program is currently operating in counties which are no longer designated "moderate ozone nonattainment"; and

WHEREAS, the Commonwealth's only other VET program operated in an area that is also no longer in nonattainment status and has been eliminated; and

WHEREAS, the Finance and Administration Cabinet has entered into a 10-year price contract, PCT NO.: BP010138, for emissions testing related to the Northern Kentucky Emissions Check program; and

WHEREAS, that contract provides for termination, with 90 days' notice, of the contract by either party at any time due to termination of the vehicle emission control program for any of the subject counties, or due to federal or legislative changes or court decisions, or for other reasons;"

and

From page 2, line 1, through page 3, line 12, by deleting all text and inserting in lieu thereof the following:

"Section 1. The Natural Resources and Environmental Protection Cabinet is directed to submit to the United States Environmental Protection Agency a revision of the State Implementation Plan for the 1-hour ozone standard that would remove the vehicle emissions testing program provided for in 401 KAR 65:010 in the area served by the Northern Kentucky Emissions Check testing program not later than August 1, 2004.

Section 2. It should be further stipulated that the Commonwealth of Kentucky will determine the best methods to meet and exceed any Clean Air Act standards now and in the future. Furthermore, the Commonwealth of Kentucky, and any and all cabinets so charged with meeting such standards, will not permit nor allow punitive actions to be taken against the Commonwealth's citizens, business, or lands so long as the Commonwealth can show its methods to be improving the air quality to achieve or exceed federal standards within a reasonable time frame.

Section 3. Upon approval of the State Implementation Plan revision, the Natural Resources and Environmental Protection Cabinet and the Transportation Cabinet are directed to take any and all measures necessary to ensure that no motor vehicle owner whose vehicle is subject to testing by the Northern Kentucky Emissions Check testing program is refused registration reinstatement, denied vehicle registration, or subjected to registration revocation after cancellation of the program for failure to comply with Northern Kentucky Emissions Check program requirements prior to its cancellation.

Section 4. In the event that the area served by the Northern Kentucky Emissions Check testing program is redesignated as nonattainment under the 8-hour ozone or 2.5 fine particulate standards, the Natural Resources and Environmental Protection Cabinet is directed to formulate a State Implementation Plan for these standards that does not rely upon a vehicle emissions testing program, unless the same is required by law or necessary for the approval of the State Implementation Plan. The final decision in this regard remains with the Secretary of the Natural Resources and Environmental Protection Cabinet.

Section 5. The Natural Resources and Environmental Protection Cabinet is directed to provide technical assistance, if requested, to the Louisville Metro Air Pollution Control District to find compensating reductions in emissions by the United States Environmental Protection Agency, so that the State Implementation Plan for these standards does not rely upon a vehicle emissions testing program, unless the same is required by law or necessary for the approval of the State Implementation Plan."

If any delinquency be found to exist, the ***commissioner***[~~secretary~~] of ***the Department of*** Revenue shall, within three (3) working days after this receipt of the certificate, furnish the details thereof to the secretary of Finance and Administration; and if no advice of tax delinquency is received by the secretary of Finance and Administration before the end of the fourth working day after his receipt of certification from the administrator, he shall, for the purposes of KRS 40.410 to 40.560, conclusively presume that no delinquency of tax liability to the Commonwealth exists, but such presumption shall apply only to the existence or absence of a set-off by the Commonwealth against a certified claim for a bonus, and shall not alter the facts as between the Commonwealth and any taxpayer.

(b) If no advice of tax delinquency is received within such allowed time, the secretary of Finance and Administration may approve payment in accordance with the certificate of the administrator, and may immediately draw a warrant on the State Treasury for a check in payment, except that no warrant shall be drawn by the secretary until sufficient funds have become available to pay the bonus authorized by KRS 40.410 to 40.560.

(c) Upon receipt of such warrant the State Treasurer shall issue a check in accordance therewith payable from funds made available for payment of the bonus authorized by KRS 40.410 to 40.560, and the same shall promptly be mailed to the payee thereof at the address shown in the certificate.

(2) If the secretary of Finance and Administration shall, within the allowed time, receive advice from the ***commissioner of the Department of Revenue***[~~secretary of revenue~~] of the existence of a delinquency on the part of any person having an approved claim for a bonus, as to any tax liability to the Commonwealth, the secretary of Finance and Administration shall note the same on the certificate of the administrator, withhold payment, and forthwith send to the claimant by registered mail a notice of the asserted delinquency, and the amount thereof, and that it is proposed that the same be set off against the bonus payment.

(a) If the secretary of finance and administration receives no protest in his office within ten (10) working days after recording such notice, he shall conclusively presume that the proposed set-off is just, shall apply the amount thereof in reduction or extinguishment of the payment certified by the administrator, and shall advise the ***commissioner of the Department of Revenue***[~~secretary of revenue~~] of the amount set off against the bonus, which advice shall be noted by the secretary of revenue on the records of his office as a credit upon the delinquent tax liability.

(b) If the tax set-off does not consume the entire amount of the bonus as certified by the administrator, the secretary shall draw a warrant upon the State Treasury for a check in the amount of the remainder, and upon receiving such check from the State Treasurer, shall send the same, together with advice of the set-off, by mail, to the payee at the address shown in the certificate of the director.

(3) If the secretary of finance and administration receives from the claimant a protest of the asserted tax delinquency, within the allowed time, the secretary shall withhold approval for payment, and shall refer the protest to the ***commissioner of the Department of Revenue***[~~secretary of revenue~~] for disposition.

(4) If a tax set-off is made, and the claimant shall assert error with regard thereto, the exclusive remedy shall be by seeking refund from the ***commissioner of the Department of Revenue***[~~secretary of revenue~~].

Section 13. KRS 41.070 is amended to read as follows:

(1) Unless otherwise expressly provided by law, no receipts from any source of state money or money for which the state is responsible shall be held, used, or deposited in any personal or special bank account, temporarily or otherwise, by any agent or employee of any budget unit, to meet expenditures or for any other purpose. All receipts of any character of any budget unit, all revenue collected for the state, and all public money and dues to the state shall be deposited in state depositories in the most prompt and cost-efficient manner available. However in the case of state departments or agencies located outside Frankfort, and all state institutions, the Finance and Administration Cabinet may permit temporary deposits to be made to the accounts maintained by the agency, department, or institution in a bank which has been designated as a depository for state funds for a period not to exceed thirty (30) days, and may require that the money be forwarded to the State Treasury at the time and in the manner and form prescribed by the cabinet. Nothing in this section shall be construed as authorizing any representative of any agency, department, or institution to enforce or cash, even for the purpose of a deposit, any check or other instrument of value payable to the Commonwealth or any agency thereof.

(2) Each agency depositing its receipts directly with the State Treasurer shall do so in the manner approved by the State Treasurer as agent in charge of public fund deposits.

(3) The ***Department of*** Revenue [~~Cabinet~~]may deposit receipts to the credit of the State Treasury directly with a depository designated by the Treasurer and utilized by the Commonwealth for its primary banking services. The State Treasurer, with the approval of the Finance and Administration Cabinet, may authorize other agencies to deposit receipts directly with a depository designated by the Treasury to the credit of the State Treasury if the Treasurer prescribes the manner in which the deposit is to be made, and the forms and reports to be filed with the Treasury Department. The Finance and Administration Cabinet shall prescribe the forms and reports to be filed with it when this type of deposit is made.

(4) Each department, agency, or other budget unit which receives funds to be deposited into the State Treasury shall maintain records to report adequately each amount received, from whom received, and date received. A duplicate of such notice, addressed to the officer or employee, shall at the same time be delivered to the state agency of which the person was an officer or employee. If, at the expiration of six (6) months from the date of mailing the

letter, the officer or employee has not made claim for the sum due him, the sum shall, as of July 1 following the expiration of such six-months' period, be presumed abandoned.

(2) On or before September 1 of each year the State Treasurer shall report to the ***Department of*** Revenue~~[Cabinet]~~, in duplicate, a list of the sums presumed to be abandoned as of the preceding July 1, giving the name of the officer or employee and his last-known address. The ***Department of*** Revenue~~[Cabinet]~~ shall cause the report to be posted and published as provided in KRS 393.110. If, by November 15 following such posting and publication, the sums involved have not been claimed, the State Treasurer shall place the sums to the credit of the general fund in the State Treasury and shall report that fact to the ***Department of*** Revenue~~[Cabinet]~~. Thereafter such sums shall have the same status as other property turned over to the ***Department of*** Revenue~~[Cabinet]~~ as provided in KRS 393.110, and the rights of any person to make claim for the same shall rest upon the same principles as the rights of other claimants of property presumed to be abandoned under the provisions of KRS Chapter 393.

The county judge/executive shall notify the board of the sanitation tax district of the receipt of the petition or of the suspension of the resolution or both. If

(2) When such tax levy has been fully approved, the property valuation administrator, with the cooperation of the board shall note on the tax rolls the taxpayers and valuation of the property subject to such tax. Section 33. KRS 91.4885 is amended to read as follows:

(1) The court shall order the master commissioner to sell, pursuant to the provisions of KRS 426.560 to 426.715, except as otherwise provided in this section, each parcel separately by individual count number. The court shall further order that a report of the sale be made by the master commissioner to the court for further proceedings under the provisions of KRS 91.484 to 91.527.

(2) Prior to the master commissioner's setting each parcel for sale pursuant to court order, the collector shall file with the Circuit Court clerk an affidavit as to the most recent certified tax assessment of each parcel to be sold. The most recent certified assessment of a property shall be the property valuation administrator's last assessment which shall have been certified by the Kentucky ***Department of*** Revenue[~~ Cabinet~~] to the county clerk, as required by KRS 133.180.

(3) The most recent certified assessment as sworn to in the affidavit furnished by the collector shall be used in all actions brought under KRS 91.484 to 91.527 to determine the owner's equity of redemption as provided by KRS 91.511(2).

Section 34. KRS 91.511 is amended to read as follows:

(1) At any time prior to the sale of the property any person having any right, title or interest in, or lien upon, any parcel of real estate described in the petition may discharge any city lien or satisfy a judgment in favor of the city as to said parcel of real estate by paying to the collector all of the sums mentioned therein, including the principal, interest, penalties, and costs then due.

(2) If the property is sold pursuant to the judgment or order of the court and does not bring its most recent assessed value certified by the ***Department of*** Revenue[~~ Cabinet~~] to the county clerk as required by KRS 133.180, the owner may redeem it within sixty (60) days from the day of the sale, by paying the purchaser the original purchase money and interest at eighteen percent (18%) per annum. Any owner who redeems his land shall take a receipt from the purchaser and lodge it with the clerk of the court. The receipt shall be entered upon the records of the court.

(3) The owner may tender the redemption money to the purchaser, his agent or attorney, if found in the county where the land lies or in the county in which the judgment was obtained or order of sale made. If the money is refused, or if the purchaser does not reside in either of the counties, the owner may, before the expiration of the right of redemption, go to the clerk of the court in which the judgment was rendered or the order made, and make affidavit of the tender and refusal, or that the purchaser or his agent or attorney do not reside in either of the counties. He may then pay to the clerk the redemption money, and the clerk shall give receipt therefor and file the affidavit among the papers of the action.

(4) When the right of redemption exists, the owner may remain in possession of the property until it expires. Real property so sold shall not be conveyed to the purchaser until the right of redemption has expired. If it is redeemed, the sale shall, from and after the redemption or from and after the deposit of the redemption money with the clerk, be null and void.

(5) In the event of failure to redeem within the period provided for redemption, the owner or any other party in interest shall be barred forever of all his right, title and interest in and to the parcel of real estate described in the petition.

(6) Upon redemption, as permitted by this section, the person redeeming shall be entitled to a certificate of redemption from the collector describing the property in the same manner as it is described in the petition and the collector shall thereupon note on his records the word "redeemed" and the date of the payment opposite the description of the parcel of real estate.

(f) "Book value of property" or "book value of property owned by the board" shall mean the sum of:

1. The original cost (less reasonable depreciation or retirement reserve) of a board's electric plant in service on December 31 of the immediately preceding calendar year located within the state, used and held for use in the transmission, distribution, and generation of electric energy, and

2. The cost of the material and supplies owned by a board on December 31 of the immediately preceding calendar year. The county clerk shall promptly certify the book value of property, the adjusted book value of property, and the adjustment factor certified by the ***Department of*** Revenue[~~ Cabinet~~], to the respective taxing jurisdiction in which the board operates.

(3) (a) Each board shall pay for each tax year, beginning with the tax year 1970, to the state and to each taxing jurisdiction in which the board operates, a tax equivalent from the revenues derived from the board's electric operations for that tax year, computed according to this subsection.

(b) The tax equivalent for each tax year payable to the state shall be the total of:

1. The book value of the property owned by the board within the state, multiplied by the adjustment factor, multiplied by the current tax rate of the state, less thirty cents ($0.30), plus

2. The state's portion of the amount payable under paragraph (d) of this subsection.

(c) The tax equivalent for each tax year payable to each taxing jurisdiction in which the board operates shall be the total of:

1. The adjusted book value of property owned by the board within the taxing jurisdiction, multiplied by the adjustment factor, multiplied by the current tax rate of the taxing jurisdiction; provided, however, for the

purpose of this calculation the tax rate for school districts shall be increased by thirty cents ($0.30), plus

2. The taxing jurisdiction's portion of the amount payable under paragraph (d) of this subsection.

(d) For purposes of this subsection, "amount payable" shall mean four-tenths of one percent (0.4%) of the book value of property owned by the board located within the state. The state shall be paid the same proportion of the amount payable as the payment to the state under subparagraph 1. of paragraph (b) of this subsection represents of the total payments to the state and all taxing jurisdictions in which the board operates required by subparagraph 1. of paragraph (b) and subparagraph 1. of paragraph (c) of this subsection. Each taxing jurisdiction in which the board operates shall be paid the same proportion of the amount payable as the payment to the taxing jurisdiction under subparagraph 1. of paragraph (c) of this subsection represents of the total payments to the state and all taxing jurisdictions in which the board operates required by subparagraph 1. of paragraph (b) and subparagraph 1. of paragraph (c) of this subsection. Under the regulations the ***Department of*** Revenue[~~ Cabinet~~] may prescribe, upon the board's receipt from the state and taxing jurisdictions of notice of the amount due under subparagraph 1. of paragraph (b) and subparagraph 1. of paragraph (c) of this subsection, the board shall compute the portion of the amount payable which is due the state and each taxing jurisdiction in which the board operates.

(e) Payment of the tax equivalent under this section for each tax year shall be made by each board to the state within thirty (30) days after receipt by the board of the certification from the ***Department of*** Revenue[~~ Cabinet~~] required by subsection (2) of this section and shall be made directly to each taxing jurisdiction in which the board operates within thirty (30) days from the date of the certifications by the county clerk required by subsection (2) of this section. The state and each taxing jurisdiction in which a board operates shall have a superior lien upon the proceeds of the sale of electric energy by that board for the amounts required by this section to be paid to it.

(4) Except as hereinafter provided, the tax equivalents computed under this section shall be in lieu of all state, municipal, county, school district, special taxing district, other taxing district, and other state and local taxes or charges on the tangible and intangible property, the income, franchises, rights, and resources of every kind and description of any municipal electric system operating under KRS 96.550 to 96.900 and on the electric operations of any board established pursuant thereto, and the tax equivalent for any tax year computed and payable under this section to the state or to any taxing jurisdiction in which any board operates shall be reduced by the aggregate amount of any tax or charge within the meaning of this sentence which is imposed by the state, or by any taxing jurisdiction in which a board operates, on the board, the electric system, or the board's electric operations. Provided, however, that if any school district in which property of a board is located has elected, or does hereafter elect, to apply the utility gross receipts license tax for schools to all utility services as provided by KRS 160.613 through KRS 160.617, or as may hereafter be provided by other statutes, the amount of such utility gross receipts license tax shall not reduce, or in any manner affect, the amount payable to any such board or boards under the provisions of this section. It is the intent and purpose of this provision to eliminate all sums received by any such board or boards by reason of the utility gross receipts license tax from any computation of the amount payable under this section to any such board or boards, irrespective of the manner in which that payment is computed, so that, in no event, shall any sum received by any school district by reason of the utility gross receipts license tax reduce, directly or indirectly, the amount payable to such district under this chapter. Provided, further, that if the state shall levy a statewide retail sales or use tax on electric power or energy, collected by retailers of the energy from the vendees or users thereof, and imposed at the same rate or rates as are generally applicable to the sale or use of personal property or services, including natural or artificial gas, fuel oil, and coal as well as electric power or energy, the retail sales or use tax shall not be deemed to be a tax or charge within the meaning of the first sentence of this subsection, and the tax equivalent payable for the tax year to the state under this section shall not be reduced on account of such retail sales or use tax.

(5) (a) Notwithstanding subsection (3) of this section, until the first tax year in which the total of:

1. The tax equivalent payable to the state, or to any taxing jurisdiction in which the board operates, computed under subsection (3) of this section, plus

2. The additional amounts permitted to be paid to the state or taxing jurisdiction without deduction under the second and third sentences of subsection (4) of this section, exceeds the minimum payment to the state or taxing jurisdiction specified in paragraph (b) of this subsection, the tax equivalent for each tax year payable to the state or taxing jurisdiction shall be an amount equal to the minimum payment computed under paragraph (b) of this subsection.

juries, courts, or tribunals.

(6) In the event of the incapacity of attorneys employed by the ***department***[~~cabinet~~] or at the request of the ***commissioner***[~~secretary~~] of the ***Department of*** Revenue[~~ Cabinet~~], the Attorney General or his designee shall prosecute all violations of the criminal and penal laws relating to revenue and taxation. If the Attorney General undertakes any of the actions prescribed in this subsection, he shall be authorized to exercise all powers and perform all duties in respect to the criminal actions or proceedings which the prosecuting attorney would otherwise perform or exercise, including but not limited to the authority to sign, file, and present any and all complaints, affidavits, information, presentments, accusations, indictments, subpoenas, and processes of any kind, and to appear before all grand juries, courts, or tribunals.

(7) The ***department***[~~cabinet~~] may require the Commonwealth's attorneys and county attorneys to prosecute actions and proceedings and perform other services incident to the enforcement of laws assigned to the ***department***[~~cabinet~~] for administration.

(8) The ***department***[~~cabinet~~] may conduct research in the fields of taxation, finance, and local government administration, and publish its findings, as the ***commissioner***[~~secretary~~] may deem wise.

(9) The ***department***[~~cabinet~~] may make administrative regulations necessary to establish a system of taxpayer identifying numbers for the purpose of securing proper identification of taxpayers subject to any tax laws or other revenue measure of this state, and may require such taxpayer to place on any return, report, statement, or other document required to be filed, any number assigned pursuant to such administrative regulations.

(10) The ***department***[~~cabinet~~] may, when it is in the best interest of the Commonwealth and helpful to the efficient and effective enforcement, administration, or collection of sales and use tax, motor fuels tax, or the petroleum environmental assurance fee, enter into agreements with out-of-state retailers or other persons for the collection and remittance of sales and use tax, the motor fuels tax, or the petroleum environmental assurance fee.

(11) The ***department***[~~cabinet~~] may enter into annual memoranda of agreement with any state agency, officer, board, commission, corporation, institution, cabinet, department, or other state organization to assume the collection duties for any liquidated debts due the state entity and may renew that agreement for up to five (5) years. Under such an agreement, the ***department***[~~cabinet~~] shall have all the powers, rights, duties, and authority with respect to the collection, refund, and administration of those liquidated debts as provided under:

(a) KRS Chapters 131, 134, and 135 for the collection, refund, and administration of delinquent taxes; and

(b) Any applicable statutory provisions governing the state agency, officer, board, commission, corporation, institution, cabinet, department, or other state organization for the collection, refund, and administration of any liquidated debts due the state entity.

Section 47. KRS 131.135 is amended to read as follows:

(1) Each employer subject to KRS Chapter 342 shall file annually with the ***Department of*** Revenue[~~ Cabinet~~], in accordance with administrative regulations, a report providing the policy number and the name and address of the employer's workers' compensation insurance carrier.

(2) The report may be made available to other state agencies notwithstanding the confidentiality provisions of KRS 131.190.

Section 48. KRS 131.140 is amended to read as follows:

(1) The ***department***[~~cabinet~~] shall requisition the Finance and Administration Cabinet to furnish to local officials an adequate supply of forms for listing property for taxation and other forms and blanks the state is required by law to provide. The books and records prescribed for use by property valuation administrators, county clerks, sheriffs and other county tax collectors shall be designed to promote economical operation, adequate control, availability of useful information, and safekeeping. The forms prescribed for listing intangible property shall be designed to secure a detailed list to provide convenient checking of valuations with available sources of information, and to safeguard the confidential character of the intangible property assessment.

(2) The ***department***[~~cabinet~~] may confer with, advise and direct local officials respecting their duties relating to taxation, and shall supervise the officials in the performance of those duties. The ***department***[~~cabinet~~] shall provide to the property valuation administrators up-to-date appraisal manuals outlining uniform procedures for appraising all types of real and personal property assessed by them. The property valuation administrators shall follow the uniform procedures for appraising property outlined in these manuals. The ***department***[~~cabinet~~] shall maintain and make accessible to all property valuation administrators a statewide commercial real property comparative sales file. The ***department***[~~cabinet~~], by authorized agents, may visit local governmental units and officers for investigational purposes, when necessary.

(3) The ***Department of*** Revenue[~~ Cabinet~~] shall conduct a biennial performance audit of each property valuation administrator's office. This audit shall include, but shall not be limited to, an inspection of maps and records, an appraisal study of real property, and an evaluation of the overall effectiveness of the office. Each property valuation administrator's office shall provide the ***department***[~~cabinet~~] with access to its files, maps and records during the audit. The ***department***[~~cabinet~~] shall prepare a report on assessment equity and quality for each county based on the performance audit, and shall provide a copy to the Legislative Research Commission.

(4) The ***department***[~~cabinet~~] shall arrange for an annual conference of the property valuation administrators, or the county

officers whose duty it is to assess property for taxation, to give them systematic instruction in the fair and just valuation and assessment of property, and their duty in connection therewith. The conference shall continue not more than five (5) days. The officers shall attend and take part in the conference, unless prevented by illness or other reason satisfactory to the ***commissioner***[~~secretary~~]. Any officer willfully failing to attend the conference may be removed from office by the Circuit Court of the county where he was elected. If the officer participates in all sessions of the conference, one-half (1/2) of his actual and necessary expenses in attending the conference shall be paid by the state, and the other half shall be paid by the county from which he attends. Each officer shall prepare an itemized statement showing his actual and necessary expenses, and if it is found regular and supported by proper receipts it shall be approved by the ***department***[~~cabinet~~] before payment.

Section 49. KRS 131.150 is amended to read as follows:

(1) When the ***Department of*** Revenue[~~ Cabinet~~] reasonably believes that any taxpayer has withdrawn from the state or concealed his assets or a material part thereof so as to hinder or evade the assessment or collection of taxes, or has desisted from any taxable activity in the state, or has become domiciled elsewhere, or has departed from this state with fraudulent intent to hinder or evade the assessment or collection of taxes, or has done any other act tending to render partly or wholly ineffective proceedings to assess or collect any such taxes, or contemplates doing any of these acts in the immediate future, or that any tax claim for any other reason is being endangered, such tax liability shall become due and payable immediately upon assessment or determination of the amount of taxes due, as authorized in this section.

(2) Under any of the circumstances set out in subsection (1) of this section, the ***department***[~~cabinet~~] may make a tentative assessment or determination of the taxes due, and may proceed immediately to bring garnishment, attachment or any other legal proceedings to collect the taxes so assessed or determined to be due. Notwithstanding the provisions of KRS 131.180(1), if the tax so assessed is due to the failure of the taxpayer to file a required tax return a minimum penalty of one hundred dollars ($100) shall be assessed unless the taxpayer demonstrates that the failure to file was due to reasonable cause as defined in KRS 131.010(9). This penalty shall be applicable whether or not any tax is determined to be due on a subsequently filed return or if the subsequently filed return results in a refund. No bond shall be required of the ***department***[~~cabinet~~] in such proceedings. The taxpayer may stay legal proceedings by filing a bond in an amount sufficient in the opinion of the cabinet to cover the taxes, penalties, interest, and costs. If no legal proceedings have been instituted, the ***department***[~~cabinet~~] may require a bond adequate to cover all taxes, penalties, and interest. On making bond, exception to the assessment or determination of tax liability may be filed in the same manner and time as provided in KRS 131.110. If no exceptions are filed to the tentative assessment or determination, it shall become final.

(3) The ***department***[~~cabinet~~] may require any such taxpayer to file with it forthwith the reports required by law or regulation, or any additional reports or other information necessary to assess the property or determine the amount of tax due.

(4) If the ***department***[~~cabinet~~] fails to exercise the authority conferred by this section, such taxpayer shall report and pay all taxes due as otherwise provided by law.

Section 50. KRS 131.170 is amended to read as follows:

The ***Department of*** Revenue[~~ Cabinet~~] may, when extension is not otherwise provided for, grant a reasonable extension of time for filing reports or returns whenever, in its judgment, good cause therefor exists. The ***department***[~~cabinet~~] shall keep a record of such extensions. Except where a taxpayer is abroad, no extension shall be granted for more than six (6) months, and in no case for more than one (1) year. If any extension operates to postpone a tax payment, interest at the tax interest rate as defined in KRS 131.010(6) shall be collected. The ***department***[~~cabinet~~] may condition the extension upon a bond sufficient to cover any tax and penalty determined to be due. The ***department***[~~cabinet~~] may, on request, permit a person to file a tax return or report or pay tax on a date other than that prescribed by statute, or to change the fiscal period covered by such return or report, if the variation will not ultimately effect a reduction in revenue.

Section 51. KRS 131.175 is amended to read as follows:

Notwithstanding any other provisions of KRS Chapters 131 to 143A, for all taxes payable directly to the ***Department of*** Revenue[~~ Cabinet~~], the sheriff or the county clerk, the ***commissioner***[~~secretary~~] shall have authority to waive the penalty, but not interest, where it is shown to the satisfaction of the ***department***[~~cabinet~~] that failure to file or pay timely is due to reasonable cause.

Section 52. KRS 131.181 is amended to read as follows:

(1) Whenever it is determined that a taxpayer, who holds a license to mine coal in Kentucky under KRS 351.175, is a "delinquent taxpayer" as defined in subsection (3) of this section, the ***Department of*** Revenue[~~ Cabinet~~] shall, after giving notice as provided in subsection (4) of this section, submit the name of the taxpayer to the Department of Mines and Minerals for revocation of the license issued under KRS 351.175.

(2) If it is determined that a person who is an agent, contract miner, or delegate of a delinquent taxpayer as defined in subsection (3) holds a license to mine coal for the delinquent taxpayer in Kentucky under KRS 351.175, the ***Department of*** Revenue[~~ Cabinet~~] shall, after giving notice as provided in subsection (4) of this section, submit the name of the agent, contract miner, or delegate to the Department of Mines and Minerals for revocation of the license issued under KRS 351.175 to mine coal for the delinquent taxpayer.

(3) Any of the following situations is sufficient to cause a taxpayer to be classified as a "delinquent taxpayer" for purposes of this section:

(a) When a taxpayer has an overdue state tax liability arising directly or indirectly from the mining, transportation, or processing of coal, for which all protest and appeal rights granted by law have expired and has been contacted by the ***department***[~~cabinet~~] concerning the overdue tax liability. This does not include a taxpayer who is making current timely installment payments on the overdue tax liability under agreement with the ***department***[~~cabinet~~].

(b) When a taxpayer has not filed a required tax return as of thirty (30) days after the due date or after the extended due date, and has been contacted by the ***department***[~~cabinet~~] concerning the delinquent return. This applies only to tax returns required as the result of the taxpayer's involvement in the mining, transportation, or processing of coal.

(c) When an owner, partner, or corporate officer of a proprietorship, partnership, or corporation holding a license under KRS 351.175, held a similar position in a business whose license was revoked as a "delinquent taxpayer", and the tax liability remains unpaid.

(4) At least twenty (20) days in advance of submitting a taxpayer's name to the Department of Mines and Minerals as provided in subsection (1) or (2) of this section, the ***department***[~~cabinet~~] shall notify the taxpayer by certified mail that the action is to be taken. The notice shall state the reason for the action and shall set out the amount of any tax liability including any applicable penalties and interest and any other area of noncompliance which must be satisfied in order to prevent the submission of his name to the Department of Mines and Minerals as a "delinquent taxpayer."

(5) If it is determined that an applicant for a license to mine coal under the provisions of KRS 351.175 is a delinquent taxpayer as defined in subsection (3) of this section, or is an agent, contract miner, or delegate of a delinquent taxpayer, the Department of Mines and Minerals shall refuse a mine license to the applicant.

Section 53. KRS 131.190 is amended to read as follows:

This prohibition does not extend to information required in prosecutions for making false reports or returns of property for taxation, or any other infraction of the tax laws, nor does it extend to any matter properly entered upon any assessment record, or in any way made a matter of public record, nor does it preclude furnishing any taxpayer or his properly authorized agent with information respecting his own return. Further, this prohibition does not preclude the ***commissioner***[~~secretary~~] or any employee of the ***department***[~~Revenue Cabinet~~] from testifying in any court, or from introducing as evidence returns or reports filed with the ***department***[~~cabinet~~], in an action for violation of state or federal tax laws or in any action challenging state or federal tax laws. The ***commissioner***[~~secretary~~] or the ***commissioner's***[~~secretary's~~] designee may provide an owner of unmined coal, oil or gas reserves, and other mineral or energy resources assessed under KRS 132.820(1), or owners of surface land under which the unmined minerals lie, factual information about the owner's property derived from third-party returns filed for that owner's property, under the provisions of KRS 132.820(2), that is used to determine the owner's assessment. This information shall be provided to the owner on a confidential basis, and the owner shall be subject to the penalties provided in KRS 131.990(2). The third-party filer shall be given prior notice of any disclosure of information to the owner that was provided by the third-party filer.

(2) The ***commissioner***[~~secretary~~] shall make available any information for official use only and on a confidential basis to the proper officer, agency, board or commission of this state, any Kentucky county, any Kentucky city, any other state, or the federal government, under reciprocal agreements whereby the ***department***[~~cabinet~~] shall receive similar or useful information in return.

(3) Statistics of tax-paid gasoline gallonage reported monthly to the ***department***[~~Revenue Cabinet~~] under the gasoline excise tax law may be made public by the ***department***[~~cabinet~~].

(4) ***Access to an inspection of information received from the Internal Revenue Service is for Department of Revenue use only, and is restricted to tax administration purposes.*** Notwithstanding the provisions of this section to the contrary, information received from the Internal Revenue Service shall not be made available to any other agency of state government, or any county, city, or other state, and shall not be inspected intentionally and without authorization by any present ***secretary of the Finance and Administration Cabinet, commissioner***[~~secretary~~] or employee of the ***Department of*** Revenue[~~Cabinet~~], or any other person.

(5) Statistics of crude oil as reported to the ***department***[~~Revenue Cabinet~~] under the crude oil excise tax requirements of KRS Chapter 137 and statistics of natural gas production as reported to the ***department***[~~Revenue Cabinet~~] under the natural resources severance tax requirements of KRS Chapter 143A may be made public by the ***department***[~~cabinet~~] by release to

the Department of Mines and Minerals.

(6) Notwithstanding any provision of law to the contrary, beginning with mine-map submissions for the 1989 tax year, the ***department***[~~cabinet~~] may make public or divulge only those portions of mine maps submitted by taxpayers to the ***department***[~~cabinet~~] pursuant to KRS Chapter 132 for ad valorem tax purposes that depict the boundaries of mined-out parcel areas. These electronic maps shall not be relied upon to determine actual boundaries of mined-out parcel areas. Property boundaries contained in mine maps required under KRS Chapters 350 and 352 shall not be construed to constitute land surveying or boundary surveys as defined by KRS 322.010 and any administrative regulations promulgated thereto.

Section 54. KRS 131.191 is amended to read as follows:

The ***Department of*** Revenue[~~Cabinet~~] shall not enter into any contract with the Department of Corrections, the United States Government, any local government, or any private contractor operating a correctional institution on behalf of the Department of Corrections, the United States Government, or any local government for the use or employment of prisoners in any capacity that allows prisoners access to taxpayer information, including, but not limited to, tax returns, informational reporting returns, social security numbers, telephone numbers, or addresses.

Section 55. KRS 131.192 is amended to read as follows:

Whenever it becomes necessary within the discretion of the ***commissioner of the Department of Revenue***[~~secretary of revenue~~] to photostat, duplicate, publish or supply for the use and benefit of persons or agencies, other than agencies of state government, information contained in official records of the ***Department of*** Revenue[~~Cabinet~~], whose contents are not confidential according to law, the ***Department of*** Revenue[~~Cabinet~~] is hereby authorized to photostat, duplicate or publish the said information and supply the same to the requesting person or agency. For such services the ***department***[~~cabinet~~] may charge a fee which will be adequate to cover the expenses of photostating, duplicating or publishing such information and any expense incidental to supplying the same.

Section 56. KRS 131.194 is amended to read as follows:

All money received by the ***Department of*** Revenue[~~Cabinet~~], for supplying to persons or agencies other than state agencies information which is contained in the official files of the ***department***[~~cabinet~~], shall be promptly deposited with the State Treasurer in the same manner as provided by law for other deposits. The amount of money so deposited shall be treated as a reimbursement to the appropriation of the ***department***[~~Revenue Cabinet~~] from which the disbursements were made for expenses incurred in performing the services authorized by KRS 131.192.

Section 57. KRS 131.205 is amended to read as follows:

(1) Any field representative of the ***Department of*** Revenue[~~Cabinet~~] who is authorized to collect taxes or money due the Commonwealth may deposit to his special account as field representative of the ***department***[~~cabinet~~] any money so collected in a state or national bank in this Commonwealth.

(2) He shall within forty-eight (48) hours after making such deposits draw a check or checks payable to the State Treasurer for the full amount of the deposit and mail same to the ***department***[~~cabinet~~] or transmit same in a manner approved by the ***department***[~~cabinet~~]. Nothing in this section shall be construed as authorizing any field representative of the ***department***[~~cabinet~~] to enforce or cash, even for the purpose of a deposit, any check or other instrument of value payable to the Commonwealth or any agency thereof.

(3) Deposits shall be made in such banks as the ***department***[~~cabinet~~] may by regulation designate, and subject to such further conditions as the ***department***[~~cabinet~~] may prescribe. Any reasonable service charges made by the bank may be paid by the ***department***[~~cabinet~~] from its appropriation as other claims against it are paid.

Section 58. KRS 131.340 is amended to read as follows:

(1) The Kentucky Board of Tax Appeals is hereby vested with exclusive jurisdiction to hear and determine appeals from final rulings, orders, and determinations of any agency of state or county government affecting revenue and taxation. Administrative hearings before the Kentucky Board of Tax Appeals shall be de novo and conducted in accordance with KRS Chapter 13B.

(2) Any state or county agency charged with the administration of any taxing or licensing measure which is under the jurisdiction of the board shall mail by certified mail notice of its ruling, order, or determination within three (3) working days from the date of the decision.

(3) Any party, including the Attorney General, on behalf of the Commonwealth, aggrieved by any ruling, order, or determination of any state or county agency charged with the administration of any taxing or licensing measure, may prosecute an appeal to the board by filing a complaint or petition of appeal before the board within thirty (30) days from the date of the mailing of the agency's ruling, order, or determination.

(4) If the ***Department of*** Revenue[~~Cabinet~~] is aggrieved by the decision of any county board of assessment appeals on an assessment recommended by the ***department***[~~cabinet~~] and prosecutes an appeal to the Kentucky Board of Tax Appeals as authorized in subsection (3) of this section, the ***commissioner of the Department of Revenue***[~~secretary of revenue~~] shall, within twenty (20) days, certify in writing to the Kentucky Board of Tax Appeals the assessment recommended.

(5) The Kentucky Board of Tax Appeals shall immediately forward copies of the certification to the parties to the appeal. The

assessed value shall be prima facie evidence of the value at which the property should be assessed.

Section 59. KRS 131.355 is amended to read as follows:

(1) All proceedings before the board shall be officially reported and all records of proceedings shall be public records, except in cases of appeals of unmined mineral assessments where the records before the board include information provided to the ***Department of*** Revenue[~~ Cabinet~~] by the taxpayer or its lessees, and were generated at the taxpayer's expense. Furthermore, no recorded or transcribed testimony concerning these records shall be considered a public record. Examples of these records would include, but are not limited to, mineral exploration records; photographs; core data information; maps whether acquired for ownership information, for coal seam thickness, for depletion by mining or otherwise; and/or records calculating production or reserves, leased and/or unleased. Neither records containing confidential information nor testimony concerning same shall be disclosed to parties outside the appeals proceedings. A protective order shall be entered and shall remain in effect during the entire appeals process, including appeals to the courts, and thereafter, preventing the parties, their agents and representatives, except the taxpayer, from disclosing the information.

(2) All appeals to the Kentucky Board of Tax Appeals shall be heard by the full board, but one (1) member or a hearing officer may be authorized to hear an individual appeal. The final order in any appeal heard by a single member or a hearing officer shall be made and entered by a majority of the board.

Section 60. KRS 131.400 is amended to read as follows:

(1) KRS 131.410 to 131.445 shall be known as and may be cited as the "Kentucky Tax Amnesty Act."

(2) The ***Department of*** Revenue[~~ Cabinet~~] shall develop and administer a tax amnesty program as provided in KRS 131.410 to 131.445.

(3) As used in KRS 131.410 to 131.445, unless the context requires otherwise:

(a) "***Department" means the Department of Revenue***[~~Cabinet" means the Revenue Cabinet~~].

(b) "Taxpayer" means any individual, partnership, joint venture, association, corporation, receiver, trustee, guardian, executor, administrator, fiduciary, limited liability company, limited liability partnership, or any other entity of any kind subject to any tax set forth in subsection (4) of this section or any person required to collect any such tax under subsection (4) of this section.

(c) "Account receivable" means an amount of state tax, penalty, fee, or interest which has been recorded as due and entered in the account records of the ***department***[~~cabinet~~], or which the taxpayer should reasonably expect to become due as a direct or indirect result of any pending or completed audit or investigation which the taxpayer knows is being conducted by any governmental taxing authority, federal, state, or local.

(d) "Due and owing" means an assessment which has become final and is owed to the Commonwealth due to either the expiration of the taxpayer's appeal rights pursuant to KRS 131.110 or, if an assessment has been appealed to the board of tax appeals, the rendition of a final order by the board or by any court of this Commonwealth. For the purposes of KRS 131.410 to 131.445, assessments that have been appealed to the board of tax appeals shall be final, due and owing fifteen (15) days after the last unappealed or unappealable order sustaining the assessment or any part thereof has become final.

(4) Notwithstanding the provisions of any other law to the contrary, the tax amnesty program shall be conducted by the ***department***[~~cabinet~~] during the fiscal year ending June 30, 2003, for a period of not less than sixty (60) days nor more than one hundred and twenty (120) days and shall apply to all taxpayers owing taxes, penalties, fees, or interest subject to the administrative jurisdiction of the ***department***[~~cabinet~~], with the exceptions of ad valorem taxes levied on real property pursuant to KRS Chapter 132, ad valorem taxes on motor vehicles and motorboats collected by the county clerks, and ad valorem taxes on personal property levied pursuant to KRS Chapter 132 that are payable to local officials. The program shall apply to tax liabilities for taxable periods ending or transactions occurring after December 1, 1987, but prior to December 1, 2001. Amnesty tax return forms shall be in a form prescribed by the ***department***[~~cabinet~~].

Section 61. KRS 131.500 is amended to read as follows:

(1) In addition to any other remedy provided by the laws of the Commonwealth, if any person has been assessed for a tax the collection of which is administered by the ***Department of*** Revenue[~~ Cabinet~~] as provided by the laws of the Commonwealth and if the person has not sought administrative or judicial review of the assessment as provided for in KRS 131.110, or if the person has sought but exhausted all administrative and judicial review so that the assessment is final, due, and owing, the ***commissioner of the Department of Revenue***[~~secretary of revenue~~] or his delegate may cause a demand to be made on the person for the payment thereof. If the tax remains unpaid for thirty (30) days after the demand, the ***commissioner***[~~secretary~~] or his delegate may levy upon and sell all property and rights to property found within the Commonwealth belonging to the person or on which there is a lien provided by KRS 134.420, except the property that is exempt from an execution on a judgment in favor of the Commonwealth as provided in KRS Chapter 427, for the payment of the amount of the tax, penalty, interest, and cost of the levy.

(2) As soon as practicable after seizure of property, notice in writing shall be given by the ***commissioner***[~~secretary~~] or his delegate to the owner of the property. The notice shall be given to the owner either in person or by certified mail to his last known address. The notice shall specify the sum demanded and shall contain, in the case of personal property, an account

of the property seized and, in the case of real property, a description with reasonable certainty of the property seized.

(3) The ***commissioner***[~~secretary~~] or his delegate shall as soon as practicable after the seizure of the property cause a notification of the sale of the seized property to be published in the newspaper with the largest circulation within the county wherein such seizure is made. The notice shall be published once each week for three (3) successive weeks. In addition, the notice shall be posted at the courthouse and three (3) other public places in the county where the seizure is made for fifteen (15) days next preceding sale. The notice shall specify the property to be sold, and the time, place, manner, and condition of the sale thereof.

(4) If any property liable to levy is not divisible, so as to enable the ***commissioner***[~~secretary~~] or his delegate by sale of a part thereof to raise the whole amount of the tax, penalty, interest, and cost of the levy, the whole of the property shall be sold.

(5) The time of sale shall not be less than thirty (30) nor more than ninety (90) days from the time the seizure is made. The place of sale shall be within the county in which the property is seized, except by special order of the ***commissioner***[~~secretary~~].

(6) The sale shall not be conducted in any manner other than by public auction, or by public sale under sealed bids. In the case of the seizure of several items of property, the ***commissioner***[~~secretary~~] or his delegate may offer the items for sale separately, in groups, or in the aggregate and accept whichever method produces the highest aggregate amount.

(7) The ***commissioner***[~~secretary~~] or his delegate shall determine whether payment in full shall be required at the time of acceptance of a bid, or whether a part of the payment may be deferred for such period, not to exceed one (1) month, as he may determine to be appropriate. If payment in full is required at the time of acceptance of a bid and is not then and there paid, the ***commissioner***[~~secretary~~] or his delegate shall forthwith proceed to again sell the property as provided in subsection (6) of this section. If the conditions of the sale permit part of the payment to be deferred, and if such part is not paid, within the prescribed period, suit may be instituted in the Franklin Circuit Court or the Circuit Court of the county where the sale was conducted against the purchaser for the purchase price or such part thereof as has not been paid, together with interest at the rate of twelve percent (12%) per annum from the date of the sale; or, in the discretion of the ***commissioner***[~~secretary~~], the sale may be declared to be null and void for failure to make full payment of the purchase price and the property may again be advertised and sold as provided in this section. If readvertisement and sale occur, any new purchaser shall receive the property or rights to property, free and clear of any claim or right of the former defaulting purchaser, of any nature whatsoever, and the amount paid upon the bid price by the defaulting purchaser shall be forfeited.

(8) If the ***commissioner***[~~secretary~~] or his delegate determines that any property seized is liable to perish or become greatly reduced in price or value by keeping, or that the property cannot be kept without great expense, he shall appraise the value of the property and, if the owner of the property can be readily found, the ***commissioner***[~~secretary~~] or his delegate shall give him notice of the determination of the appraised value of the property. The property shall be returned to the owner if, within the time specified in the notice, the owner pays to the ***commissioner***[~~secretary~~] or his delegate an amount equal to the appraised value, or gives bond in the form, with the sureties, and in the amount as the ***commissioner***[~~secretary~~] or his delegate determines to be appropriate in the circumstances. If the owner does not pay the amount or furnish the bond in accordance with this subsection, the ***commissioner***[~~secretary~~] or his delegate shall as soon as practicable make public sale of the property without regard to the advertisement requirements or the time limitations contained in subsections (3) and (5) of this section.

(9) No proceedings under this section shall be commenced more than ten (10) years after the assessment becomes final.

(10) The term "levy" as used in this section shall include the power of distraint and seizure by any means. Except as otherwise provided in KRS 131.510(2)(a), a levy shall extend only to property possessed and obligations existing at the time thereof. In any case in which the ***commissioner***[~~secretary~~] or his delegate may levy upon property or rights to property, he may seize and sell the property or rights whether real, personal, tangible or intangible.

(11) Notwithstanding the provisions of KRS Chapters 45, 45A, and 56, the ***department***[~~cabinet~~] may take all necessary steps to provide for the protection, maintenance, or transportation of all property seized by the ***department***[~~cabinet~~] pursuant to the provisions of this section, including, but not limited to, negotiating directly for the procurement of contractual services, including professionals, supplies, materials, equipment, or the leasing of real and personal property. Every effort shall be made to effect a competitively established price for purchases made pursuant to this section. The ***department***[~~cabinet~~] shall report any procurements of contractual services, supplies, materials, equipment, or the leasing of real and personal property, to the secretary of the Finance and Administration Cabinet within sixty (60) days of the transaction. Nothing in this section shall preclude the ***department***[~~cabinet~~] from complying with the provisions of KRS Chapters 45 and 56 relating to the requirements to report the purchase or lease of real property or equipment to the Capital Projects and Bond Oversight Committee.

Section 62. KRS 131.550 is amended to read as follows:

(1) When the ***Department of*** Revenue[~~ Cabinet~~] reasonably believes that any taxpayer has divested himself by gift, conveyance, assignment, transfer of, or charge upon any property, whether real, personal, tangible or intangible, with the intent to hinder or evade the collection of any tax assessed or to be assessed by the ***department***[~~cabinet~~] or declared by the taxpayer on a return filed with the ***department***[~~cabinet~~], any transferee of such property may be assessed by the ***department***[~~Revenue Cabinet~~] an amount equal to the lesser of the amount of tax assessed against the transferor taxpayer or the fair market value of the property so transferred. However, no assessment shall be made pursuant to this section

against a transferee who takes the property for full and valuable consideration in money or money's worth, unless it appears that such transferee had notice of the intent of the transferor taxpayer to hinder or evade the collection of any tax.

(2) Any assessment made by the ***department***[~~Revenue Cabinet~~] against a transferee pursuant to subsection (1) of this section is, except as provided in this section, subject to the same provisions and limitations as in the case of the taxes for which the liabilities were incurred.

After satisfaction of any undisputed delinquent tax liability due the ***Department of*** Revenue[~~ Cabinet~~] from such taxpayer, the tax refund balance so withheld shall, except as provided in KRS 131.565, be transmitted as soon as practicable to the state agency having established a claim therefor. In the case of multiple state agency claims against the same tax refund, the agency having the larger pending claim shall have priority after satisfaction of any undisputed delinquent tax liabilities due the ***Department of*** Revenue[~~ Cabinet~~].

Section 64. KRS 131.565 is amended to read as follows:

(1) No state agency shall request the withholding of any individual income tax refund unless there is specific statutory provision for debtor appeal and hearing rights for that particular debt.

As used in this section the term "liquidated debt" means a legal debt for a sum certain, which has been certified by the claimant agency as final due and owing. The claimant agency must have made reasonable efforts to collect such debt, and must have provided the debtor the opportunity for appeal and formal hearing as provided by statute. The claimant agency must send thirty (30) days prior written notification to the debtor of the intention to submit the claim to the ***Department of*** Revenue[~~ Cabinet~~] for setoff as provided in KRS 131.570.

(3) The individual income tax refund withholding procedures provided in KRS 131.560 to 131.595 shall be in lieu of the procedures set forth in KRS 427.130 and 44.030 only with regard to sums due to a debtor from the ***Department of*** Revenue[~~ Cabinet~~].

(6) Those state agencies requesting the withholding of individual income tax refunds shall, on a per unit cost or other equitable basis determined by the ***Department of*** Revenue[~~ Cabinet~~], reimburse the ***Department of*** Revenue[~~ Cabinet~~] for all development, implementation and administration costs incurred but not otherwise funded under the provisions of KRS 131.560 to 131.595.

(7) During the development and implementation phase and the first full year of operation of the program, the ***Department of*** Revenue[~~ Cabinet~~] may limit agency participation in the program to ensure orderly implementation of the system.

The notice shall provide that the debtor within thirty (30) days from the date of the notice may

request a hearing before the claimant agency as provided by statute. No issues at such hearing may be considered that have been litigated previously and the debtor, after being given due notice of rights of appeal, must exercise such rights in a timely manner. The decision of the claimant agency shall be subject to appeal as all other decisions rendered by the claimant agency. No funds shall be transferred to a claimant agency until the debtor's appeal rights have been exhausted.

(2) Any excess of the pending refund amount over the total claim filed against such refund shall be promptly issued to the taxpayer by the ***Department of*** Revenue[~~ Cabinet~~].

(3) In the event funds transmitted to a claimant agency are subsequently determined by the claimant agency to be in excess of the liquidated debt, such claimant agency shall promptly refund the excess to the taxpayer.

(4) In the event the ***Department of*** Revenue[~~ Cabinet~~] erroneously transfers funds to a claimant agency, the claimant agency shall immediately upon notification thereof reimburse the ***Department of*** Revenue[~~ Cabinet~~] for the amount erroneously transmitted to such agency. (1) Any individual income tax refund determined as a consequence of taxpayers filing separate returns on a combined Kentucky individual income tax form may be apportioned by the ***Department of*** Revenue[~~ Cabinet~~] between the spouses based on the ratio of the adjusted gross incomes of each spouse to the total adjusted gross income. The amount of the refund computed to be due the spouse who is not indebted to the claimant agency shall be refunded by the ***Department of*** Revenue[~~ Cabinet~~] to such spouse. In the event such refunded amount has been transmitted to the claimant agency, the ***Department of*** Revenue[~~ Cabinet~~] shall recover such amount from the claimant agency as provided in KRS 131.570(4).

(2) Any individual income tax refund determined as a consequence of taxpayers filing a joint Kentucky individual income tax return shall be deemed as coupled together in interest or liability and shall be subject to transfer to a claimant agency in its entirety.

(2) If the broker has doubt as to whether or not a customer is a resident of this state, he may, on or before making the required report, call upon the customer to submit an affidavit upon a form to be prescribed by the ***department***[~~cabinet~~], stating the facts relied upon to establish his nonresidence. The broker may then report to the ***department***[~~cabinet~~] the name and post office address of such customer and the information as to securities held or carried for him, and file therewith the customer's affidavit. The broker shall then be relieved from making any further report and from collecting or paying any taxes for the customer.

(3) If the customer fails or refuses to furnish the affidavit required by the broker, the broker shall report and pay the tax for the customer, who shall then have no claim against the broker because of the payment of the tax charged to the customer's account.

(2) On January 1, May 1, and September 1, after the federal tax has been paid or becomes due, or after any of the distilled spirits are removed from the bonded warehouse or premises for transfer in bond out of this state, every owner, proprietor, or custodian of a bonded warehouse or premises in which distilled spirits are stored upon which taxes have accrued on assessments prior to January 1, 1967, shall file with the ***Department of*** Revenue[~~ Cabinet~~] and the county clerk, in which county the distilled spirits were at the time of the assessment, a statement, sworn to by him, showing the quantity of the distilled spirits on which the federal tax has been paid or is due; what distilled spirits have been removed from the bonded warehouse or premises or transferred in bond out of this state during the preceding four (4) months; the years in which such distilled spirits were assessed for taxation; and the county, city, or taxing district in which the distilled spirits were stored at the time of the assessment. At the same time, all taxes and interest on such distilled spirits due the state, county, or other taxing district shall be paid to the officers entitled to receive them. The ***department***[~~cabinet~~] shall immediately notify the owner or proprietor of the bonded warehouse or premises of the amount fixed.

(2) If any owner, proprietor, or custodian of a bonded warehouse or premises fails to make the report required by KRS 132.130, the ***department***[~~cabinet~~] shall ascertain the necessary facts required to be reported. For that purpose the ***department***[~~cabinet~~] shall have access to the records of the owner, proprietor, or custodian; and the assessment shall be made and taxes collected thereon, with interest and penalties, as though regularly reported.

(3) The assessment made under (1) of this section shall be reviewed according to KRS 131.110.

Section 82. KRS 132.180 is amended to read as follows:

(1) Any person having custody of distilled spirits in a bonded warehouse or premises on the day as of which the assessment is made shall be liable for all taxes due thereon, together with all interest and penalties that may accrue. Any owner, proprietor, or custodian of such distilled spirits who pays the taxes, interest and penalties on the distilled spirits shall have a lien thereon for the amount paid, with legal interest from day of payment.

(2) Taxes on distilled spirits which are subject to the provisions of KRS 132.160(1)(a) shall become due and payable in the manner provided by KRS 134.020 except that taxes due the state shall be paid directly to the ***Department of*** Revenue[~~ Cabinet~~].

(2) Every life insurance company organized under the laws of this state, or doing business in this state, shall by February 15 of each year make a true and correct report to the ***Department of*** Revenue[~~ Cabinet~~], on forms prescribed by the ***Department of*** Revenue[~~ Cabinet~~], verified by its president, secretary, treasurer, or other proper officer, giving the name and address of any resident of this state who is the beneficiary of a policy or policies with the insurance company, subject to taxation under KRS 132.215, with the amount paid to the Kentucky resident during the twelve (12) months immediately preceding January 1, the age of the individual receiving these payments as of January 1, and such other information as the ***Department of*** Revenue[~~ Cabinet~~] may require by regulation.

Section 84. KRS 132.240 is amended to read as follows:

Individuals or corporations listing property for taxation with the property valuation administrator or the county board of supervisors shall reveal the face value of all intangibles listed, except cash or bank deposits, on the form prescribed by the ***Department of*** Revenue[~~ Cabinet~~] for listing intangible property. A reduction of fifty cents ($0.50) shall be made from the property valuation administrator's compensation for each list he accepts upon which there is an omission to reveal the face value of any intangible property listed, except cash or bank deposits.

Section 85. KRS 132.260 is amended to read as follows:

Every person providing rental space for the parking of mobile homes and recreational vehicles shall by February 1 of each year report the name of the owner and type and size of all mobile homes and recreational vehicles not registered in this state under KRS 186.655 on his premises on the prior January 1 to the property valuation administrator of the county in which the property is located. The report shall be made in accordance with forms prescribed by the ***Department of*** Revenue[~~ Cabinet~~] and shall be signed and verified by the chief officer or person in charge of the business. The property valuation administrator may make a personal inspection and investigation of the premises on which mobile homes and recreational vehicles are located, for the purpose of identifying and assessing such property. No person in charge of such premises shall refuse to permit the inspection and investigation.

Section 86. KRS 132.285 is amended to read as follows:

(1) Except as provided in subsection (3) of this section, any city may by ordinance elect to use the annual county assessment for property situated within such city as a basis of ad valorem tax levies ordered or approved by the legislative body of the city. Any city making such election shall notify the ***Department of*** Revenue[~~ Cabinet~~] and property valuation administrator prior to the next succeeding assessment to be used for city levies. In such event the assessment finally determined for county tax purposes shall serve as a basis of all city levies for the fiscal year commencing on or after the county assessment date. Each city which elects to use the county assessment shall annually appropriate and pay each fiscal year to the office of the property valuation administrator for deputy and other authorized personnel allowance, supplies, maps and equipment, and other authorized expenses of the office one-half of one cent ($0.005) for each one hundred dollars ($100) of assessment; provided, that sums paid shall not be less than two hundred fifty dollars ($250), nor more than forty thousand dollars ($40,000) in a city having an assessment subject to city tax of less than two billion dollars ($2,000,000,000) or fifty thousand dollars ($50,000) in a city having an assessment subject to city tax of more than two billion dollars ($2,000,000,000). This allowance shall be based on the assessment as of the previous January 1. Each property valuation administrator shall file a claim with the city and the city shall order payment in an amount not to exceed the appropriation authorized by this section. The property valuation administrator shall be required to account for all moneys paid to his office by the city and any funds unexpended by the close of each fiscal year shall carry over to the next fiscal year. Notwithstanding any statutory provisions to the contrary, the assessment dates for such city shall conform to the corresponding dates for the county, and such city may by ordinance establish additional financial and tax procedures that will enable it effectively to adopt the county assessment. The legislative body of any city adopting the county assessment may fix the time for levying the city tax rate, fiscal year, due and delinquency dates for taxes and any other dates that will enable it effectively to adopt the county assessment, notwithstanding any statutory provisions to the

contrary. Any such city may, by ordinance, abolish any office connected with city assessment and equalization; except that in the case of a city assessor who is elected by the qualified voters of the city, the office may not be abolished before the end of the term of such assessor. Any city which elects to use the county assessment shall have access to the assessment records as soon as completed and may obtain a copy of that portion of the records which represents the assessment of property within such city by additional payment of the cost thereof. Once any city elects to use the county assessment, such action cannot be revoked without notice to the ***Department of*** Revenue~~[Cabinet]~~ and the property valuation administrator six (6) months prior to the next date as of which property is assessed for state and county taxes.

(2) In the event any omitted property is assessed by the property valuation administrator as provided by KRS 132.310 such assessment shall be considered as part of the assessment adopted by the city according to subsection (1) of this section.

(3) For purposes of the levy and collection of ad valorem taxes on motor vehicles, cities shall use the assessment required to be made pursuant to KRS 132.487(5).

(4) Notwithstanding the provisions of subsection (1) of this section, each city which elects to use the county assessment for ad valorem taxes levied for 1996 or subsequent years, and which used the county assessment for ad valorem taxes levied for 1995, shall appropriate and pay to the office of the property valuation administrator for the purposes set out in subsection (1) of this section an amount equal to the amount paid to the office of the property valuation administrator in 1995, or the amount required by the provisions of subsection (1) of this section, whichever is greater.

Section 87. KRS 132.310 is amended to read as follows:

(1) Any person who has failed to list for taxation any property omitted from assessment, except such as is subject to assessment by the ***Department of*** Revenue~~[Cabinet]~~, may at any time list such property with the property valuation administrator. The property valuation administrator shall proceed to assess any omitted real property and shall within ten (10) days from the date the real property was listed notify the taxpayer of the amount of the assessment. The notice shall be given as provided in KRS 132.450(4). The ***Department of*** Revenue~~[Cabinet]~~ shall assess any omitted personal property and provide notice to the taxpayer in the manner provided in KRS 131.110.

(2) The property valuation administrator may at any time list and assess any real property which may have been omitted from the regular assessment. Immediately upon listing and assessing omitted real property, the property valuation administrator shall notify the taxpayer of the amount of the assessment. The notice shall be given as provided in KRS 132.450(4). If the property valuation administrator fails to assess any omitted real property, the ***Department of*** Revenue~~[Cabinet]~~ may initiate assessment and collection procedures under the same provisions it uses for omitted personal property.

(3) The notice to the taxpayer required by subsections (1) and (2) of this section shall specify a date and time at which the county board of assessment appeals will hear the taxpayer's protest of the omitted assessment. For purposes of hearing appeals from omitted assessments the county judge/executive shall notify the chairman of the board of assessment appeals of the date set for hearing and may authorize one (1) member of the board to hear the appeal and issue a ruling of his decision on the assessment, which shall be appealable, to the Kentucky Board of Tax Appeals as provided by KRS 131.340(2).

(4) Any property voluntarily listed as omitted property for taxation under this section shall be subject to penalties provided in KRS 132.290(3). Omitted property listed for taxation under this section by the property valuation administrator shall be subject to the penalties provided in KRS 132.290(4).

Section 88. KRS 132.330 is amended to read as follows:

The field agents, accountants and attorneys of the ***Department of*** Revenue~~[Cabinet]~~ shall cause to be listed for taxation all property omitted by the property valuation administrators, county board of assessment appeals, ***department***~~[cabinet]~~ or any other assessing authority, for any year omitted. The agent, accountant or attorney proposing to have the property assessed shall file in the office of the county clerk of the county in which the property may be liable to assessment a statement containing a description and value of the property or corporate franchise proposed to be assessed, the name and place of residence of the owner, his agent or attorney, or person in possession of the property, if known, and the year the property was unassessed. The county clerk shall thereupon issue a summons against the owner, or person in possession of the property if the owner is unknown, to show cause within ten (10) days after the service of the summons, why the property or corporate franchise shall not be assessed at the value named in the statement filed. No decision shall be rendered against the alleged owner unless the statement filed contains a description of the property sought to be assessed that will enable the county judge/executive to identify it. The summons shall be executed by the sheriff by delivering a copy thereof to the owner, or if he is not in the county to his agent, attorney or person in possession of the property. If the property is real property, and the owner is known but is absent from the state and has no attorney or agent in this state and no one is in possession of the property, the summons shall be served by posting it in a conspicuous place upon the property; if the property consists of tangible personal property the summons shall be placed in a conspicuous place where the property is located. In the case of tangible and intangible personal property, where the owner and his place of residence are unknown and no one (1) has possession of the property, an action for assessment shall be instituted by filing the petition above mentioned and procuring constructive service against the owner under the provisions of rules 4.05, 4.06, 4.07 and 4.08 of the Rules of Civil Procedure. In all of the above cases an attachment of the property omitted from assessment may be procured from the District Court against the owner, at the time of the institution of the action or thereafter, and without the execution of a bond by the Commonwealth or its relator, by the representative of the ***Department of*** Revenue~~[Cabinet]~~ making an affidavit that the property described in the petition is subject to state, county, school or other taxing district tax, and is unassessed for any taxable year.

Section 89. KRS 132.340 is amended to read as follows:

(1) Within ten (10) days after the summons has been served, or within thirty (30) days after the warning order against the defendant whose name and place of residence are unknown has been made, if it appears to the county judge/executive that the property is liable for taxation and has not been assessed, the county judge/executive shall enter an order fixing the value at the fair cash value estimated as required by law. The county judge/executive shall certify the assessment of the property and its value, together with such other facts as may be required by law or directed by the county judge/executive to appear in the order, to the ***Department of*** Revenue~~[Cabinet]~~ and to the sheriff of the county, together with the amount of penalty and cost of assessment, in order that the taxes due the state, county, school or any other taxing district may be collected, with the penalty and costs. If the property is not liable for taxes, the county judge/executive shall make an order to that effect. Either party may appeal from the decision of the county judge/executive to the Circuit Court, and then to the Court of Appeals as in other civil cases, except that no appeal bond shall be required where the appeal is by the secretary of revenue acting as the relator.

(2) If the owner of the property fails to pay the tax assessed, interest, penalties and costs, the lien under the attachment may be enforced and a sufficiency of the property sold to pay the obligation to the state, county, school or other taxing district. All persons owning property that is assessed as herein provided shall, in addition to the taxes and interest from the time the taxes should have been paid, pay the costs of the proceedings and a penalty of twenty percent (20%) on the amount of the taxes due, except where the property was duly listed and the taxes paid thereon within the time prescribed by law, and except where some different penalty is expressly provided by law.

(3) The taxes, costs and penalties shall be collected and accounted for as other taxes and penalties are required to be collected, and by the same officers. The county clerk shall enter all such assessments in a book to be kept for that purpose, showing the date of the assessment, the name of the person against whom the assessment is made, the location and description of the property assessed, and the value thereof. The officer collecting the taxes shall, when they are paid, notify the clerk of the payment, and the payment shall be noted by the clerk opposite the entry of the assessment.

Section 90. KRS 132.350 is amended to read as follows:

The county clerk shall, upon the filing of a statement by an agent, accountant or attorney of the ***Department of*** Revenue~~[Cabinet]~~ for the assessment of omitted property, enter the name of the person signing the statement as attorney for the ***department***~~[cabinet]~~, and enter the name of the county attorney as attorney for the state, county, school and other taxing districts for which the ***commissioner***~~[secretary]~~ of revenue is authorized to act as relator in such proceeding. The county attorney shall appear and prosecute or assist in the prosecuting of the proceeding in all the courts to which it may be taken for trial. If there is a judgment assessing the property for taxation, the judgment in each case shall recite whether or not the county attorney was present and assisted in the trial of the proceeding. When he is present and assists in the proceeding he shall be allowed as compensation for his services ten percent (10%) of the amount of state and county taxes assessed and collected pursuant to the judgment. The state and county shall be liable respectively for the payment only of the percentage allowance of compensation to the county attorney on the amount that each collects, and this shall be paid to the county attorney within thirty (30) days after the collection of the taxes, and charged against the fund to which the tax was credited.

Section 91. KRS 132.360 is amended to read as follows:

(1) Any assessment of accounts receivable, notes, or bonds or other intangible or tangible personal property that were listed with the property valuation administrator or with the ***Department of*** Revenue~~[Cabinet]~~ as provided by KRS 132.220 may be reopened by the ***Department of*** Revenue~~[Cabinet]~~ within five (5) years after the due date of the return, unless the assessed value thereof is the face value in the case of accounts receivable and notes or the quoted value in the case of bonds, or has been established by a court of competent jurisdiction. If upon reopening the assessment the ***department***~~[cabinet]~~ finds that the assessment was less than the fair cash value and should be increased, it shall give notice thereof to the taxpayer, who may within forty-five (45) days thereafter protest to the ***department***~~[cabinet]~~ and offer evidence to show that no increase should be made. After the ***department***~~[cabinet]~~ has disposed of the protest, the taxpayer may appeal from any such additional assessment as provided by KRS 131.110 and 131.340.

(2) Upon such assessment becoming final the ***department***~~[cabinet]~~ shall certify the amount due to the taxpayer. The tax bill shall be handled and collected as an omitted tax bill, and the additional tax shall be subject to the same penalties and interest as the tax on omitted property voluntarily listed.

Section 92. KRS 132.370 is amended to read as follows:

(1) There shall be a property valuation administrator in each county in lieu of a county assessor. Property valuation administrators shall be state officials and all deputies and assistants of their offices shall be unclassified state employees.

(2) Property valuation administrators shall be elected in the year in which county elections are held and shall enter upon the discharge of the duties of their office on the first Monday in December after their election and continue in office for a period of four (4) years, and until the election and qualification of their successors. Property valuation administrators shall possess the qualifications required by Section 100 of the Constitution and by KRS 132.380 and shall be eligible for reelection.

(3) The property valuation administrators and all deputies and assistants of their offices who qualify as full-time employees

shall be eligible for participation in the provisions of KRS 18A.205, 18A.230 to 18A.355, and 61.510 to 61.705.

(4) A property valuation administrator may be removed from office by the Circuit Court of his county, upon petition of any taxpayer, or by the ***commissioner of the Department of Revenue***[~~secretary of revenue~~] for any of the following grounds: willful disobedience of any just or legal order of the ***department***[~~cabinet~~], or for misfeasance or malfeasance in office or willful neglect in the discharge of his official duties, including but not limited to intentional underassessment or overassessment of properties and chronic underassessment of properties. For purposes of this section and KRS 134.385, "chronic underassessment" shall mean a widespread pattern and practice of assessing properties at levels substantially below fair market value which persists for a period of two (2) or more years as disclosed by randomly selected sample appraisals conducted under the provisions of KRS 133.250, special audits conducted pursuant to KRS 134.385, or other means.

(5) If the secretary determines that a property valuation administrator should be removed from office, the property valuation administrator shall be notified in writing, and the notice of intent to remove shall state the specific reasons for removal. The notice shall also advise the property valuation administrator of his right to a preremoval conference and an administrative hearing.

(6) A property valuation administrator may request a preremoval conference to appear with or without counsel before the ***commissioner***[~~secretary~~] or his designee to answer the charges against him. The preremoval conference shall be requested in writing within six (6) working days of the date on which the notice of intent to remove is received, and a preremoval conference shall be scheduled within seven (7) working days of the date on which the request is received. The ***commissioner***[~~secretary~~] or his designee shall render a decision within five (5) working days of the conclusion of the preremoval conference. Failure of a property valuation administrator to request a preremoval hearing shall not waive his right to contest his removal through an administrative hearing.

(7) If an action to remove a property valuation administrator is initiated by the ***commissioner***[~~secretary~~] of revenue, the property valuation administrator shall have the right to appeal and upon appeal an administrative hearing shall be conducted in accordance with KRS Chapter 13B. Appeal of the final order of the ***commissioner***[~~secretary~~] of revenue may be filed in a Circuit Court of an adjacent judicial circuit in accordance with KRS Chapter 13B, notwithstanding the provisions of KRS Chapter 18A.

(8) If a property valuation administrator is removed from office as provided in subsections (4) to (7) of this section, he shall be ineligible to serve in the office at any future date and shall forfeit any and all certification from the ***Department of*** Revenue[~~ Cabinet~~] pertaining to the office.

(9) Notwithstanding the provisions of KRS 18A.110(5)(c), the ***department***[~~cabinet~~] shall promulgate administrative regulations allowing property valuation administrators and their deputies to receive lump-sum payments for accrued annual leave and compensatory time when separated from employment because of termination by the employer, resignation, retirement, or death.

Section 93. KRS 132.375 is amended to read as follows:

Whenever a vacancy occurs in the property valuation administrator's office, the ***commissioner***[~~secretary~~] of revenue shall designate a qualified ***department***[~~cabinet~~] employee to carry on the duties of the office until the vacancy is filled by appointment or by election. The ***department***[~~cabinet~~] employee so designated shall be compensated from ***Department of*** Revenue[~~ Cabinet~~] funds in the same manner and at the same rate as compensated prior to his receiving the designation, plus necessary expenses, including travel. The individual shall have all the powers and be subject to all the administrative regulations applying to property valuation administrators.

Section 94. KRS 132.380 is amended to read as follows:

(1) Before any person's name shall appear before the voters on election day as a candidate for the office of property valuation administrator in any primary or general election, except as a candidate to succeed himself in office, or before he may be appointed property valuation administrator, except as an interim appointee as provided by KRS 132.375, he shall hold a certificate issued by the ***Department of*** Revenue[~~ Cabinet~~], showing that he has been examined by it and that he is qualified for the office. All certificates issued shall expire one (1) year from the date of issuance, except for the certificates issued to successful candidates of the 1997 exam. Those certificates shall remain valid until after the November, 1998 election. The examinations shall be written and formulated so as to test fairly the ability and fitness of the applicant to serve as property valuation administrator. The ***Department of*** Revenue[~~ Cabinet~~] shall hold the examinations in at least one (1) place in each Supreme Court district during the month of November of each year immediately preceding each year in which property valuation administrators are to be elected. The ***Department of*** Revenue[~~ Cabinet~~] shall advise each county attorney of the time and place of the examination, and the county attorney shall post a notice thereof in a conspicuous place in the courthouse two (2) weeks before the examination is given. Any person desiring to take an examination shall appear at the time and place designated.

(2) If, after the giving of the examination, as provided in subsection (1), there is only one (1) person qualified to be a candidate in the county, the ***Department of*** Revenue[~~ Cabinet~~] shall hold a second examination prior to the filing date in each Supreme Court district where necessary. Applicants from only those counties having not more than one (1) person qualified shall be eligible to take the examination. Notice of the second examination shall be posted in the manner provided in subsection (1).

(3) Whenever there is a vacancy in the office of property valuation administrator to be filled by appointment or by election, and there is not more than one (1) person holding a valid certificate and eligible for appointment or election, the ***Department of*** Revenue[~~ Cabinet~~] may hold a special examination for applicants seeking a certificate for the office. If, after the giving of a special examination, only one (1) person is qualified, the county judge/executive may request a second examination. Special examinations shall be held in the same manner as regular examinations.

(4) Examinations shall be given and graded in accordance with rules of the ***department***[~~cabinet~~] published at the time of the examination. Within ten (10) days after the examination, a certificate of fitness and qualification to fill the office of property valuation administrator shall be issued by the ***Department of*** Revenue[~~ Cabinet~~] to each person passing the examination.

(5) Examination records shall be preserved by the ***department***[~~cabinet~~] for twelve (12) months after the examination, and the record of any person who took the examination may be seen by him at the office of the ***Department of*** Revenue[~~ Cabinet~~] in Frankfort, Kentucky.

Section 95. KRS 132.400 is amended to read as follows:

Before entering upon the duties of office, the property valuation administrator shall execute a bond conditioned upon the faithful performance of the duties of the office with a surety to be approved by the ***Department of*** Revenue[~~ Cabinet~~]. In counties containing a city of the first class or consolidated local government, the bond shall be in the sum of one hundred thousand dollars ($100,000); in counties containing a city of the second class, fifty thousand dollars ($50,000); in all other counties, twenty thousand dollars ($20,000).

Section 96. KRS 132.420 is amended to read as follows:

The property valuation administrator shall, subject to the direction, instruction, and supervision of the ***Department of*** Revenue[~~ Cabinet~~], make the assessment of all property in his county except as otherwise provided, prepare property assessment records, and have other powers and duties relating to assessment as may be prescribed by law or by the ***department***[~~cabinet~~].

Section 97. KRS 132.460 is amended to read as follows:

The property valuation administrator, or an authorized deputy, shall attend all hearings before the county board of assessment appeals and before the Kentucky Board of Tax Appeals relative to his assessment and submit to examination and fully disclose to them such information as he may have and any other matters pertinent to the inquiry being made. He shall be entitled to reimbursement from the county for expenses incurred in official business outside his county. If the ***Department of*** Revenue[~~ Cabinet~~] directs him to perform official duties outside of his county, the expenses shall be paid from the appropriation for the payment of the salaries of the property valuation administrators. Such reimbursement shall be paid on the same basis as employees of the Commonwealth are paid for travel expenses.

Section 98. KRS 132.485 is amended to read as follows:

(1) (a) The registration of a motor vehicle with a county clerk in order to operate it or permit it to be operated upon the highways of the state shall be deemed consent by the registrant for the motor vehicle to be assessed by the property valuation administrator from a standard manual prescribed by the ***Department of*** Revenue[~~ Cabinet~~] for valuing motor vehicles for assessment unless the registrant appears before the property valuation administrator to assess the vehicle. The standard value of motor vehicles shall be the average trade-in value prescribed by the valuation manual unless information is available that warrants any deviation from the standard value.

(b) The registration of a recreational vehicle with the county clerk in order to operate it or permit it to be operated upon the highways shall be deemed consent by the registrant thereof for the recreational vehicle to be assessed by the property valuation administrator at a valuation determined from a standard manual prescribed by the ***Department of*** Revenue[~~ Cabinet~~] for valuing recreational vehicles for assessment unless the registrant appears in person before the property valuation administrator to assess the vehicle.

(2) The registration of a motor vehicle on or before the date that the registration of the vehicle is required is prima facie evidence of ownership on January 1.

(3) This section does not apply to motor vehicles or recreational vehicles owned and operated by public service companies, common carriers, or agencies of the state and federal governments.

Section 99. KRS 132.486 is amended to read as follows:

(1) The ***Department of*** Revenue[~~ Cabinet~~] shall develop and administer a centralized ad valorem assessment system for intangible personal property and tangible personal property. This system shall be designed to provide on-line computer terminals and accessory equipment in every property valuation administrator's office in the state in order to create and maintain a centralized personal property tax roll database.

(2) State income tax returns and return preparation instructions shall be revised to facilitate the preparation of the personal property tax return; however, the personal property tax return shall be a separate document and shall be listed with the property valuation administrator in the county of taxable situs according to the provisions of KRS 132.220(1) or with the ***Department of*** Revenue[~~ Cabinet~~]. The ***Department of*** Revenue[~~ Cabinet~~] shall promulgate administrative regulations and develop forms for the listing and assessment of personal property.

(3) Appeals of personal property assessments shall not be made to the county board of assessment appeals. Personal property

(4) No appeal shall delay the collection or payment of taxes based upon the assessment in controversy. The taxpayer shall pay all state, county, and district taxes due on the valuation which the taxpayer claims as the true value as stated in a protest filed under KRS 131.110. When the valuation is finally determined upon appeal, the taxpayer shall be billed for any additional tax and interest at the tax interest rate as defined in KRS 131.010(6), from the date the tax would have become due if no appeal had been taken. The provisions of KRS 134.390 shall apply to the tax bill.

  (b) A list of the mortgages standing in its name on January 1 that were assigned of record to it during the preceding year with its knowledge and consent, where it has not become the absolute owner of the debt secured thereby, showing the amount of each such mortgage and the name and address of each assignor. Any mortgage assigned to it during any year and paid and released of record prior to January 1 need not be included in the report.

  (c) A list of all debenture bonds, collateral trust bonds, notes, certificates, and other evidences of indebtedness issued, assigned, or transferred by it during the preceding year that are secured by and represent the beneficial interest in lien notes, bonds, or mortgages standing in its name of record, the amount of each such evidence of indebtedness, and the name and address of the person to whom each was assigned or transferred. The provisions of this section do not apply to mortgages made by corporations to trustees to secure bond issues made by them in the regular course of business, except as provided in

paragraph (c) of subsection (1) of this section.

(3) The information thus obtained shall be communicated by the ***department***[~~cabinet~~] to the property valuation administrator and the board of assessment appeals of the respective counties in which the true owners of the debts reside.

Section 103. KRS 132.550 is amended to read as follows:

(1) After the county clerk has completed the services required of him upon delivery of the tax rolls and schedules to him by the property valuation administrator, he shall then calculate the taxes due the state, county, school, county polls, and school polls, for each individual taxpayer, opposite their name in the tax rolls, upon the form prescribed by the ***Department of*** Revenue[~~ Cabinet~~]. The rolls and forms shall be a permanent record of the county clerk's office.

(2) For performing the services required by this section the county clerk shall be paid the sum of fifteen cents ($0.15) for each tax list on the tax rolls, one-half (1/2) of this sum to be paid by the state, and the other one-half (1/2) to be paid by the county.

Section 104. KRS 132.570 is amended to read as follows:

Should a property valuation administrator for any reason vacate the office in any year during his term of office, he shall be paid only for the calendar days actually served during the year.

(2) The salary schedule for property valuation administrators provides for nine (9) levels of salary based upon the population of the county in the prior year as determined by the United States Department of Commerce, Bureau of the Census annual estimates. To implement the salary schedule, the ***department***[~~cabinet~~] shall, by November 1 of each year, certify for each county the population group applicable to each county based on the most recent estimates of the United States Department of Commerce, Bureau of the Census. The salary schedule provides four (4) steps for yearly increments within each population group. Property valuation administrators shall be paid according to the first step within their population group for the first year or portion thereof they serve in office. Thereafter, each property valuation administrator, on January 1 of each subsequent year, shall be advanced automatically to the next step in the salary schedule until the maximum salary figure for the population group is reached. If the county population as certified by the ***department***[~~cabinet~~] increases to a new group level, the property valuation administrator's salary shall be computed from the new group level at the beginning of the next year. A change in group level shall have no affect on the annual change in step. Prior to assuming office, any person who has previously served as a property valuation administrator must certify to the ***Department of*** Revenue[~~ Cabinet~~] the total number of years, not to exceed four (4) years, that the person has previously served in the office. The ***department***[~~cabinet~~] shall place the person in the proper step based upon a formula of one (1) incremental step per full calendar year of service:

(3) (a) For calendar year 2000, the salary schedule in subsection (2) of this section shall be increased by the amount of increase in the annual consumer price index as published by the United States Department of Commerce for the year ended December 31, 1999. This salary adjustment shall take effect on July 14, 2000, and shall not be retroactive to the preceding January 1.

(b) For each calendar year beginning after December 31, 2000, upon publication of the annual consumer price index by the United States Department of Commerce, the annual rate of salary for the property valuation administrator shall be determined by applying the increase in the consumer price index to the salary in effect for the previous year. This salary determination shall be retroactive to the preceding January 1.

(c) In addition to the step increases based on service in office, each property valuation administrator shall be paid an annual incentive of six hundred eighty-seven dollars and sixty-seven cents ($687.67) per calendar year for each forty (40) hour training unit successfully completed based on continuing service in that office and, except as provided in this subsection, completion of at least forty (40) hours of approved training in each subsequent calendar year. If a property valuation administrator fails without good cause, as determined by the ***commissioner***[~~secretary~~] of the Kentucky ***Department of*** Revenue[~~ Cabinet~~], to obtain the minimum amount of approved training in any year, the officer shall lose all training incentives previously accumulated. No property valuation administrator shall receive more than one (1) training unit per calendar year nor more than four (4) incentive payments per calendar year. Each property valuation administrator shall be allowed to carry forward up to forty (40) hours of training credit into the following calendar year for the purpose of satisfying the minimum amount of training for that year. This amount shall be increased by the consumer price index adjustments prescribed in paragraphs (a) and (b) of this subsection. Each training unit shall be approved and certified by the Kentucky ***Department of*** Revenue[~~ Cabinet~~]. Each unit shall be available to property valuation administrators in each office based on continuing service in that office. The Kentucky ***Department of*** Revenue[~~ Cabinet~~] shall promulgate administrative regulations in accordance with KRS Chapter 13A to establish guidelines for the approval and certification of training units.

(4) Notwithstanding any provision contained in this section, no property valuation administrator holding office on July 14, 2000, shall receive any reduction in salary or reduction in adjustment to salary otherwise allowable by the statutes in force on July 14, 2000.

(5) Deputy property valuation administrators and other authorized personnel may be advanced one (1) step in grade upon completion of twelve (12) months' continuous service. The ***Department of*** Revenue[~~ Cabinet~~] may make grade classification changes corresponding to any approved for ***department***[~~cabinet~~] employees in comparable positions, so long as the changes do not violate the integrity of the classification system. Subject to availability of funds, the ***department***[~~cabinet~~] may extend cost-of-living increases approved for ***department***[~~cabinet~~] employees to deputy property valuation administrators and other authorized personnel, by advancement in grade.

(6) Beginning with the 1990-1992 biennium, the ***Department of*** Revenue[~~ Cabinet~~] shall prepare a biennial budget request for the staffing of property valuation administrators' offices. An equitable allocation of employee positions to each property valuation administrator's office in the state shall be made on the basis of comparative assessment work units. Assessment work units shall be determined from the most current objective information available from the United States Bureau of the Census and other similar sources of unbiased information. Beginning with the 1996-1998 biennium, assessment work units shall be based on parcel count per employee. The total sum allowed by the state to any property valuation administrator's office as compensation for deputies, other authorized personnel, and for other authorized expenditures shall not exceed the amount fixed by the ***Department of*** Revenue[~~ Cabinet~~]. However, each property valuation administrator's office shall be allowed as a minimum such funds that are required to meet the federal minimum wage requirements for two (2) full-time deputies.

The ***Department of*** Revenue[~~ Cabinet~~] shall return to each property valuation administrator, no later than July 1, an approved budget for the fiscal year.

(8) Each property valuation administrator may appoint any persons approved by the ***Department of*** Revenue[~~ Cabinet~~] to assist him in the discharge of his duties. Each deputy shall be more than twenty-one (21) years of age and may be removed at the pleasure of the property valuation administrator. The salaries of deputies and other authorized personnel shall be

fixed by the property valuation administrator in accordance with the grade classification system established by the ***Department of*** Revenue[~~ Cabinet~~] and shall be subject to the approval of the ***Department of*** Revenue[~~ Cabinet~~]. The Personnel Cabinet shall provide advice and technical assistance to the ***Department of*** Revenue[~~ Cabinet~~] in the revision and updating of the personnel classification system, which shall be equitable in all respects to the personnel classification systems maintained for other state employees. Any deputy property valuation administrator employed or promoted to a higher position may be examined by the ***Department of*** Revenue[~~ Cabinet~~] in accordance with standards of the Personnel Cabinet, for the position to which he is being appointed or promoted. No state funds available to any property valuation administrator's office as compensation for deputies and other authorized personnel or for other authorized expenditures shall be paid without authorization of the ***Department of*** Revenue[~~ Cabinet~~] prior to the employment by the property valuation administrator of deputies or other authorized personnel or the incurring of other authorized expenditures.

(9) Each county fiscal court shall annually appropriate and pay each fiscal year to the office of the property valuation administrator as its cost for use of the assessment, as required by KRS 132.280, an amount determined as follows:

Assessment Subject to County Tax of:

$100,000,000	150,000,000	$0.004 for each $100 of the first $100,000,000 and $0.002 for each $100 over $100,000,000.
150,000,000	300,000,000	$0.004 for each $100 of the first $150,000,000 and $0.003 for each $100 over $150,000,000.
300,000,000	----	$0.004 for each $100.

(10) The total sum to be paid by the fiscal court to any property valuation administrator's office under the provisions of subsection (9) of this section shall not exceed the limits set forth in the following table:

Assessed Value of Property Subject to County Tax of:		
At Least	But Less Than	Limit
----	$700,000,000	$25,000
$700,000,000	1,000,000,000	35,000

(11) Annually, after appropriation by the county of funds required of it by subsection (9) of this section, and no later than August 1, the property valuation administrator shall file a claim with the county for that amount of the appropriation specified in his approved budget for compensation of deputies and assistants, including employer's shares of FICA and state retirement, for the fiscal year. The amount so requested shall be paid by the county into the State Treasury by September 1, or paid to the property valuation administrator and be submitted to the State Treasury by September 1. These funds shall be expended by the ***Department of*** Revenue[~~ Cabinet~~] only for compensation of approved deputies and assistants and the employer's share of FICA and state retirement in the appropriating county. Any funds paid into the State Treasury in accordance with this provision but unexpended by the close of the fiscal year for which they were appropriated shall be returned to the county from which they were received.

(12) After submission to the State Treasury or to the property valuation administrator of the county funds budgeted for personnel compensation under subsection (11) of this section, the fiscal court shall pay the remainder of the county appropriation to the office of the property valuation administrator on a quarterly basis. Four (4) equal payments shall be made on or before September 1, December 1, March 1, and June 1 respectively. Any unexpended county funds at the close of each fiscal year shall be retained by the property valuation administrator, except as provided in KRS 132.601(2). (13) The provisions of this section shall apply to urban-county governments and consolidated local governments. In an urban-county government and a consolidated local government, all the rights and obligations conferred on fiscal courts or consolidated local governments by the provisions of this section shall be exercised by the urban-county government or consolidated local government.

(14) When an urban-county form of government is established through merger of existing city and county governments as provided in KRS Chapter 67A or when a consolidated local government is established through merger of existing city and county governments as provided by KRS Chapter 67C, the annual county assessment shall be presumed to have been adopted as if the city had exercised the option to adopt as provided in KRS 132.285, and the annual amount to be appropriated to the property valuation administrator's office shall be the combined amount that is required of the county under this section and that required of the city under KRS 132.285, except that the total shall not exceed one hundred thousand dollars ($100,000) for any urban-county government or consolidated local government with an assessment subject to countywide tax of less than three billion dollars ($3,000,000,000), one hundred twenty-five thousand dollars ($125,000) for an urban-county government or consolidated local government with an assessment subject to countywide tax between three billion dollars ($3,000,000,000) and five billion dollars ($5,000,000,000), and two hundred thousand dollars ($200,000) for an urban-county government or consolidated local government with an assessment subject to countywide tax in excess of five billion dollars ($5,000,000,000). For purposes of this subsection, the amount to be considered as the assessment for purposes of KRS 132.285 shall be the amount subject to taxation for full urban services.

(15) Notwithstanding the provisions of subsection (9) of this section, the amount appropriated and paid by each county fiscal court to the office of the property valuation administrator for 1996 and subsequent years shall be equal to the amount paid to the office of the property valuation administrator for 1995, or the amount required by the provisions of subsections (9) and (10) of this section, whichever is greater.

Section 106. KRS 132.597 is amended to read as follows:

(1) The property valuation administrator of each county shall receive an annual expense allowance of three thousand six hundred dollars ($3,600) to be paid from the State Treasury in monthly installments of three hundred dollars ($300). Property valuation administrators shall not be required to keep records verifying expenditures from this expense allowance.

(2) The expense allowance provided in subsection (1) of this section shall be used by the property valuation administrator for expenses incurred in the performance of his duties. The allowance is to provide the necessary funds for payment of all expenditures of the property valuation administrator not directly associated with the assessment of property in his particular county.

(3) Each property valuation administrator shall annually, within each calendar year, participate in a minimum of thirty (30) classroom hours of professional instruction conducted or approved by the ***Department of*** Revenue[~~Cabinet~~]. Any property valuation administrator failing to meet the ***department's***[~~cabinet's~~] requirements for any calendar year shall not receive the three thousand six hundred dollar ($3,600) annual expense allowance provided in subsection (1) of this section for the subsequent calendar year.

(4) The annual requirement for participation in classroom instruction shall be reduced to fifteen (15) hours for any property valuation administrator awarded the "senior Kentucky assessor" (SKA) professional designation under the provisions of KRS 132.385.

Section 107. KRS 132.601 is amended to read as follows:

(1) The property valuation administrator of any county may, after receiving an approved budget from the ***Department of*** Revenue[~~Cabinet~~] under the provisions of KRS 132.590, obligate and spend any of the local funds accruing to his office under the provisions of KRS 132.590 or KRS 132.285, over and above that actually used in compensating his deputies and assistants, for the purchase of any maps, lists, charts, materials, supplies or equipment, or for other expenses necessary to the proper assessment of property or preparation and maintenance of assessment rolls and records.

(2) The property valuation administrator shall maintain a bank account for the management of local funds received by his office under the provisions of KRS 132.590 and 132.285. Beginning with the 1990-1992 biennium, at the end of each fiscal year a cumulative carryover of local funds equivalent to the total annual local appropriation for the ending fiscal year or five thousand dollars ($5,000), whichever is greater, shall be retained. Any funds in excess of this amount shall be refunded by the property valuation administrator no later than August 1 to the appropriating local governments in direct proportion to their respective appropriations.

(3) Expenditures made by the office of the property valuation administrator under the provisions of subsection (1) of this section shall be governed by procurement procedures adopted by the fiscal court in the county administrative code required by KRS 68.005. However, after approval of the annual budget for the office of the property valuation administrator provided in KRS 132.590 by the ***Department of*** Revenue[~~Cabinet~~], the necessity of the expenditure shall not be questioned by the fiscal court. The ***Department of*** Revenue[~~Cabinet~~] shall have neither authority nor responsibility in the auditing of expenditures made by the property valuation administrator from locally appropriated funds. The Auditor of Public Accounts shall assume the responsibility.

Section 108. KRS 132.605 is amended to read as follows:

(1) The fiscal court of each county shall have jurisdiction and the power to purchase and supply to the property valuation administrator any maps, lists, charts, materials, supplies, equipment or instruments which are reasonably necessary for a complete and accurate assessment of property in the county. The ***Department of*** Revenue[~~ Cabinet~~] is authorized to purchase and loan any property valuation administrator such maps, lists, charts, materials, supplies, equipment or instruments as are urgently needed by any property valuation administrator, provided that the ***Department of*** Revenue[~~ Cabinet~~] keeps a record thereof.

(2) The fiscal court of any county shall provide for the maintenance of all maps, lists, charts, materials, supplies, equipment or instruments owned by a county or supplied to it by the ***Department of*** Revenue[~~ Cabinet~~] or by any source in cooperation with the ***Department of*** Revenue[~~ Cabinet~~] for the purpose of facilitating the assessment of property.

Section 109. KRS 132.620 is amended to read as follows:

(1) The ***Department of*** Revenue[~~ Cabinet~~] shall recover from any property valuation administrator all compensation paid to him for assessments that were unauthorized or excessive when and to the extent it is determined by a final order of the board of assessment appeals, Kentucky Board of Tax Appeals, or a court of competent jurisdiction that such assessments were unauthorized or excessive. Whenever the property valuation administrator fails to render the services required of him or he performs any of his duties in such a manner as to fail to comply substantially with the requirements of the law, he shall be required to pay a sum that will reasonably compensate the Commonwealth of Kentucky for its costs in rendering the duties required to be performed by the property valuation administrator. The ***Department of*** Revenue[~~ Cabinet~~] shall notify the property valuation administrator by certified mail, return receipt requested, of any amount charged to be due under this section and a statement of the reasons therefor. The property valuation administrator shall be entitled to a hearing before the Kentucky Board of Tax Appeals, and an appeal may be taken from the final action of the Kentucky Board of Tax Appeals to the courts as provided by law.

(2) Any sum that may become due from any property valuation administrator by reason of this section may be deducted from any amount that the Commonwealth of Kentucky may become obliged to pay such property valuation administrator, or it may be collected from the bondsman of the property valuation administrator.

Section 110. KRS 132.645 is amended to read as follows:

(1) The property valuation administrator of each county shall be paid from the State Treasury each month as provided in KRS 132.590.

Section 111. KRS 132.660 is amended to read as follows:

(1) The ***Department of*** Revenue[~~ Cabinet~~] shall have authority to order an emergency assessment of all or any part of the taxable property in any taxing district to be made by one (1) or more persons appointed for that purpose by the ***department***[~~cabinet~~], whenever: there has been no regular assessment; the records of an assessment have been destroyed, mutilated or lost; complaint is made by the owners of not less than ten percent (10%) in value of the taxable property in the taxing district; or investigation of the ***department***[~~cabinet~~] discloses that the assessment of property in such taxing district is so grossly inequitable or fiscally infeasible that an emergency exists. The order directing such emergency assessments shall state the reasons therefor and a copy shall be filed in the office of the county clerk where the property lies. Such order, when filed, shall void any assessment for the assessment year for which the emergency assessment is made. Any person appointed to make such an emergency assessment shall have the same powers and duties as the property valuation administrator. Whenever the tax roll has been completed under an emergency assessment and the tentative valuations have been determined, the ***department***[~~cabinet~~] shall cause to be published pursuant to KRS Chapter 424, a notice as to the date when the tax roll will be ready for inspection and the time available for such purpose; also a copy of the notice shall be posted at the courthouse door. If any property is assessed at a greater value than that listed by the taxpayer or unlisted property is assessed, the taxpayer shall be charged with notice of such action by reason of the inspection period, and no further notice need be given of such action taken before the beginning of the inspection period. At the close of the inspection period, the tax roll shall be delivered to the county clerk and the county judge/executive shall immediately convene the board of assessment appeals to hear and determine any appeals from such emergency assessment. The board shall remain in session for the time and shall receive the compensation as provided in KRS 133.030(3). Appeals shall be taken and heard from such emergency assessments in the same manner as appeals from regular assessments.

(2) The ***department***[~~cabinet~~] may appoint the property valuation administrator to make an emergency assessment provided he was not at fault, and if the property valuation administrator is so appointed he shall receive reasonable compensation for his services in making this assessment, which shall not affect in any manner the payment to him of any compensation that he has received for himself or on behalf of a deputy or that may be due him, for services in making the regular assessment. Whenever through the property valuation administrator's fault an emergency assessment is ordered, the property valuation administrator shall become liable for the cost thereof as provided in KRS 132.620, such cost to be limited to the amount due or paid him in accordance with the provisions of KRS 132.590.

Section 112. KRS 132.670 is amended to read as follows:

(1) The ***Department of*** Revenue[~~ Cabinet~~] shall prepare detailed maps identifying every parcel of real property within each county of the state. Each county shall furnish to the ***department***[~~cabinet~~] adequate facilities in the county courthouse in which to work. The ***Department of*** Revenue[~~ Cabinet~~] shall prescribe methods and specifications for the mapping of property. Personnel authorized to assist in making property identification maps under this section may be given the same authority as a deputy property valuation administrator. Locally employed mapping project personnel shall be compensated in the same manner as deputies or assistants in the property valuation administrator's office.

(2) The ***Department of*** Revenue[~~ Cabinet~~] shall conduct a biennial review of the quality of maps and ownership records in each county. If, in the first review conducted under these provisions, the maps and records in any county fail to meet the minimum standards established by the ***department***[~~cabinet~~], the ***department***[~~cabinet~~] shall assume responsibility for remapping, revision, and updating under the provisions of subsection (1) of this section. (1) Each parcel of taxable real property or interest therein subject to assessment by the property valuation administrator shall be revalued during each year of each term of office by the property valuation administrator at its fair cash value in accordance with standards prescribed by the ***Department of*** Revenue[~~ Cabinet~~] and shall be physically examined no less than once every four (4) years by the property valuation administrator or his assessing personnel. In accordance with procedures prescribed by the ***Department of*** Revenue[~~ Cabinet~~], the property valuation administrator shall submit an assessment schedule to the ***department***[~~cabinet~~] and shall maintain a record of physical examination and revaluation for each parcel of real property which includes, in addition to other relevant information, the inspection dates.

(2) The right of any individual to appeal the assessment on his property in any year as provided in KRS 133.120 shall in no way be affected by this section.

(3) If the property valuation administrator fails to revalue property as required by this section, the ***Department of*** Revenue[~~ Cabinet~~] shall have the authority to order an emergency revaluation in the same manner as provided for emergency assessments by KRS 132.660. Any property valuation administrator willfully violating the provisions of subsection (1) of this section or who refuses to comply with the directions of the ***Department of*** Revenue[~~ Cabinet~~] to correct the assessment shall have his compensation suspended by the ***department***[~~cabinet~~] and shall be subject to removal from office as provided by KRS 132.370(4) and shall be subject to the provisions of KRS 132.620 and 61.120.

(4) Nothing in this section shall prohibit action by the ***Department of*** Revenue[~~ Cabinet~~] under the provisions of KRS 133.150 or 132.660 in any year in which the ***department***[~~cabinet~~] determines such action to be necessary.

Section 115. KRS 132.810 is amended to read as follows:

(1) To qualify under the homestead exemption provision of the Constitution, each person claiming the exemption shall file an application with the property valuation administrator of the county in which the applicant resides, on forms prescribed by the ***Department of*** Revenue[~~ Cabinet~~]. The assessed value of property on which homestead exemption is claimed shall not be increased because of valuation expressed on the application form filed with the property valuation administrator, and whenever it becomes known that the valuation of property subject to the homestead tax exemption has been increased because of valuation expressed on the application form, adjustment shall be made the following year so that the total tax paid by the taxpayer is the same as if the increase had not been made.

(2) (a) Every person filing an application for exemption under the homestead exemption provision must be sixty-five (65) years of age or older during the year for which application is made or must have been classified as totally disabled under a program authorized or administered by an agency of the United States government or by any retirement system either within or without the Commonwealth of Kentucky on January 1 of the year in which application is made.

(b) Every person filing an application for exemption under the homestead exemption provision must own and maintain the property for which the exemption is sought as his personal residence.

(c) Every person filing an application for exemption under the disability provision of the homestead exemption must have received disability payments pursuant to the disability and must maintain the disability classification for the entirety of the particular taxation period.

(d) Every person filing for the homestead exemption who is totally disabled and is less than sixty-five (65) years of age must apply for the homestead exemption on an annual basis.

(e) Only one (1) exemption per residential unit shall be allowed even though the resident may be sixty-five (65) years of age and also totally disabled, and regardless of the number of residents sixty-five (65) years of age or older occupying the unit, but the sixty-five hundred dollars ($6,500) exemption shall be construed to mean sixty-five hundred dollars ($6,500) in terms of the purchasing power of the dollar in 1972. Every two (2) years thereafter, if the cost of living index of the United States Department of Labor has changed as much as one percent (1%), the maximum exemption shall be adjusted accordingly.

(f) The real property may be held by legal or equitable title, by the entireties, jointly, in common, as a condominium, or indirectly by the stock ownership or membership representing the owner's or member's proprietary interest in a corporation owning a fee or a leasehold initially in excess of ninety-eight (98) years. The exemption shall apply only to the value of the real property assessable to the owner or, in case of ownership through stock or membership in a corporation, the value of the proportion which his interest in the corporation bears to the assessed value of the property.

(g) A mobile home, recreational vehicle, when classified as real property as provided for in KRS 132.751, or a manufactured house shall qualify as a residential unit for purposes of the homestead exemption provision.

(h) When title to property which is exempted, either in whole or in part, under the homestead exemption is transferred, the owner, administrator, executor, trustee, guardian, conservator, curator, or agent shall report such transfer to the property valuation administrator.

(3) Notwithstanding any statutory provisions to the contrary, the provisions of this section shall apply to the assessment and taxation of property under the homestead exemption provision for state, county, city, or special district purposes.

(4) The provisions of this section shall become effective with the 1982 taxable year and persons eligible for a homestead exemption under this section, who have not previously filed under the age provision of the homestead exemption, shall file applications by December 31 of the taxation period.

(a) The homestead exemption for disabled persons shall terminate whenever those persons no longer meet the total disability classification at the end of the taxation period for which the homestead exemption has been granted. In no case shall the exemption be prorated for persons who maintained the total disability classification at the end of the taxation period.

(b) Any totally disabled person granted the homestead exemption under the disability provision shall report any change in disability classification to the property valuation administrator in the county in which the homestead exemption is authorized.

(c) Any person making application and qualifying for the homestead exemption before payment of his property tax bills for the year in question shall be entitled to a full or partial exoneration, as the case may be, of the property tax due to reflect the taxable assessment after allowance for the homestead exemption.

(d) Any person making application and qualifying for the homestead exemption after property tax bills have been paid shall be entitled to a refund of the property taxes applicable to the value of the homestead exemption.

(5) In this section, "taxation period" means the period from January 1 through December 31 of the year in which application is made, unless the person maintaining the classification dies before December 31, in which case "taxation period" means the period from January 1 to the date of death.

Section 116. KRS 132.815 is amended to read as follows:

(1) Each electrical inspector certified under KRS 227.489 shall submit a monthly report to the ***Department of*** Revenue[~~ Cabinet~~] showing the names and addresses of all persons, firms, or corporations for which inspections were conducted for new buildings, new or relocated mobile homes, and other new or relocated structures during the preceding month. Each building, mobile home, or other structure shall be identified by county and property address, or property location in those instances where the address is insufficient to reveal the physical location of the property.

(2) The information provided shall be used for the purpose of making and maintaining accurate assessment records. The ***Department of*** Revenue[~~ Cabinet~~] shall provide to each electrical inspector the necessary forms and instructions for filing the report required under subsection (1).

Section 117. KRS 132.820 is amended to read as follows:

(1) The ***department***[~~cabinet~~] shall value and assess unmined coal, oil, and gas reserves, and any other mineral or energy resources which are owned, leased, or otherwise controlled separately from the surface real property at no more than fair market value in place, considering all relevant circumstances. Unmined coal, oil, and gas reserves and other mineral or energy resources shall in all cases be valued and assessed by the ***Department of*** Revenue[~~ Cabinet~~] as a distinct interest in real property, separate and apart from the surface real estate unless:

(a) The unmined coal, oil and gas reserves, and other mineral or energy resources are owned in their entirety by the surface owner;

(b) The surface owner is neither engaged in the severance, extraction, processing, or leasing of mineral or other energy resources nor is he an affiliate of a person who engages in those activities; and

(c) The surface is being used by the surface owner primarily for the purpose of raising for sale agricultural crops, including planted and managed timberland, or livestock or poultry.

For purposes of this section, "affiliate" means a person who directly or indirectly owns or controls, is owned or controlled by, or is under common ownership or control with, another individual, partnership, committee, association, corporation, or any other organization or group of persons.

(2) Each owner or lessee of property assessed under subsection (1) of this section shall annually, between January 1 and April 15, file a return with the ***department***[~~cabinet~~] in a form as the ***department***[~~cabinet~~] may prescribe. Other individuals or corporations having knowledge of the property defined in subsection (1) of this section gained through contracting, extracting, or similar means may also be required by the ***department***[~~cabinet~~] to file a return.

(3) Any property subject to assessment by the ***department***[~~cabinet~~] under subsection (1) of this section which has not been listed for taxation, for any year in which it is taxable, by April 15 of that year shall be omitted property.

(4) After the valuation of unmined minerals or other energy sources has been finally fixed by the ***department***[~~cabinet~~], the ***department***[~~cabinet~~] shall certify to the county clerk of each county the amount liable for county, city, or district taxation. The report shall be filed by the county clerk in his office, and shall be certified by the county clerk to the proper collecting officer of the county, city, or taxing district for collection.

(5) The notification, protest, and appeal of assessments under subsection (1) of this section shall be made pursuant to the provisions of KRS Chapter 131.

(6) No appeal shall delay the collection or payment of taxes based upon the assessment in controversy. The taxpayer shall pay all state, county, and district taxes due on the valuation which the taxpayer claims as the true value as stated in the protest filed under KRS 131.110. When the valuation is finally determined upon appeal, the taxpayer shall be billed for any additional tax and interest at the tax interest rate as defined in KRS 131.010(6), from the date the tax would have become due if no appeal had been taken. The provisions of KRS 134.390 shall apply to the tax bill.

(7) The collection of tax bills generated from the assessments made under subsection (1) of this section shall be made pursuant to the provisions of KRS Chapter 134.

Section 118. KRS 132.990 is amended to read as follows:

(1) Any person who willfully fails to supply the property valuation administrator or the ***Department of*** Revenue[~~ Cabinet~~] with a complete list of his property and such facts with regard thereto as may be required or who violates any of the provisions of KRS 132.570 shall be fined not more than five hundred dollars ($500).

Section 120. KRS 133.020 is amended to read as follows:

(1) The county board of assessment appeals shall be composed of reputable real property owners residing in the county at least five (5) years. The appointing authorities may appoint qualified property owners residing in adjacent counties when qualified members cannot be secured within the county. The board shall consist of three (3) members, one (1) to be appointed by the county judge/executive, one (1) to be appointed by the fiscal court, and one (1) to be appointed by the mayor of the city with the largest assessment using the county tax roll or appointed as otherwise provided by the comprehensive plan of an urban-county government. Beginning with the 1995 appeals, the mayor's appointment shall serve for four (4) years, the county judge/executive's appointment shall serve for three (3) years, and the fiscal court's appointment shall serve for two (2) years. Each person appointed thereafter shall serve for three (3) years. If no city in the county uses the county assessment, the county judge/executive shall appoint two (2) members. Board members appointed prior to July 14, 1994, shall be eligible for reappointment by the appointing authority if they meet the requirements of subsection (2) of this section. A board member who has served for a full term shall not be eligible for reappointment. However, he shall be eligible for appointment after a hiatus of three (3) years. If the number of appeals to the board of assessment appeals filed with the county clerk exceeds one hundred (100), temporary panels of the board may be appointed with approval of the ***Department of*** Revenue[~~ Cabinet~~]. Each temporary panel shall consist of three (3) members having

the same qualifications and appointed in the same manner as the board members. The number of additional panels shall not exceed one (1) for each one hundred (100) appeals in excess of the first one hundred (100). The county judge/executive shall designate one (1) of the members of the board of assessment appeals to serve as chairman of the board. If additional panels are appointed, as provided in this subsection, the chairman of the board of assessment appeals shall designate one (1) member of each additional panel as chairman of the panel. A majority of the board or of any panel may determine the action of the board or panel respectively and make decisions. Each panel of the board shall have the same powers and duties given the board by KRS 133.120, except the action of any panel shall be subject to review and final approval by the board.

(2) Each member of the board shall have extensive knowledge of real estate values, preferably in real estate appraisal, sales, management, financing, or construction. In counties with cities of the first, second, or third class, the member appointed by the mayor shall be a certified real estate appraiser unless the mayor provides sufficient proof to the ***department***[~~cabinet~~] of his inability to secure a certified real estate appraiser.

(3) The board shall be subject to call by the county judge/executive at any time prescribed by law.

(4) The members of the county board of assessment appeals, and any panel of the board, before undertaking their duties, shall take the following oath, to be administered by the county judge/executive: "You swear (affirm) that you will, to the best of your ability, discharge the duties required of you as a member of the county board of assessment appeals, and that you will fix at fair cash value all property assessments brought before you for review as prescribed by law."

(5) The ***department***[~~cabinet~~] shall prepare and furnish to each property valuation administrator guidelines and materials for an orientation and training program to be presented to the board by the property valuation administrator or his deputy each year.

(6) A board member shall produce evidence of his qualifications upon request of the ***department***[~~cabinet~~]. A board member shall be replaced by the appointing authority upon proof of the member's failure to meet the qualifications of the position. Any vacancy on the board shall be filled by the appointing authority that appointed the member to be replaced. The appointee shall have the qualifications required by statute for the board member appointed by the particular appointing authority and shall hold office only to the end of the unexpired term of the member replaced.

(7) Members of the county board of assessment appeals, and any temporary panel, shall abstain from hearing or ruling on an appeal for any property in which they have any personal or private interests.

Section 121. KRS 133.030 is amended to read as follows:

(1) The county board of assessment appeals shall convene each year at the county seat no earlier than twenty-five (25) days and no later than thirty-five (35) days following the conclusion of the tax roll inspection period provided for in KRS 133.045; except that no meeting shall be held until the tax roll has been completed and the inspection period has been held as provided by law, or until revaluation of the property has been completed by the property valuation administrator at the direction of the ***Department of*** Revenue[~~ Cabinet~~] as provided by KRS 132.690 or by the ***department***[~~cabinet~~] itself as provided by KRS 133.150. All records of the property valuation administrator, including all data concerning property sales within the preceding year, shall be available to the board while meeting.

(2) The first regular meeting day of the board shall be devoted to the orientation and training program provided for in KRS 133.020(5), to a review of the assessment of the property valuation administrator and his deputies, and to a review of the appeals filed with the county clerk as clerk of the board, including a review of recent sales of comparable properties provided in accordance with the provisions of subsection (1) of this section, and an inspection of the properties involved in the appeals when in the opinion of the board such inspection will assist in the proper determination of fair cash value.

(3) The board of assessment appeals shall continue in session only such time as is necessary to hear appeals. The board shall not continue in session more than one (1) day, if there are no appeals to be heard, nor more than five (5) days after it convenes in each year, unless an extension of time is authorized by the ***Department of*** Revenue[~~ Cabinet~~] upon request of the county judge/executive. Each board member shall be paid one hundred dollars ($100) for each day he serves. This compensation shall be paid one-half (1/2) out of the county levy and the other half out of the State Treasury.

(4) Members of temporary panels of the board shall serve the time necessary for hearing appeals but in no case more than five (5) days except upon approval of an extension of time by the ***Department of*** Revenue[~~ Cabinet~~]. Compensation of panel members shall be in the same manner and at the same rate as provided for members of the board.

Section 122. KRS 133.047 is amended to read as follows:

(1) Notwithstanding the provisions of KRS 61.870 to 61.884, when the ***Department of*** Revenue[~~ Cabinet~~] has completed action on the assessment of property in any county and has certified the assessment to the county clerk of that county, as provided for in KRS 133.180, the property tax roll, or a copy of the property tax roll, shall be retained in the office of the property valuation administrator for maintenance as an open public record for five (5) years. The property tax roll shall be available for public inspection during the regular working hours of the office of the property valuation administrator as provided for in KRS 132.410(2).

(2) Any person inspecting a property tax roll shall do so in a manner not unduly interfering with the proper operation of the custodian's office.

(3) Personal property tax returns, accompanying documents, and assessment records, with the exception of the certified

personal property tax roll, shall be considered confidential under the provisions of KRS 131.190.

(4) Real property tax returns and accompanying documents submitted by a taxpayer shall be considered confidential under the provisions of KRS 131.190. Other real property records in the office of the property valuation administrator shall be subject to the provisions of KRS 61.870 to KRS 61.884. However, notwithstanding the provisions of KRS 61.874 the ***Department of*** Revenue[~~ Cabinet~~] shall develop and provide to each property valuation administrator a reasonable fee schedule to be used in compensating for the cost of personnel time expended in providing information and assistance to persons seeking information to be used for commercial or business purposes. Any person seeking information on his own property, or any other person, including the press, seeking information directly related to property tax assessment, appeals, equalization, requests for refunds, or similar matters shall not be subject to fees for personnel time.

(5) The ***Department of*** Revenue[~~ Cabinet~~] shall provide advice, guidelines, and assistance to each property valuation administrator in implementing the provisions of KRS 61.870 to 61.884.

Section 123. KRS 133.110 is amended to read as follows:

(1) After submission of the final real property recapitulation or certification of the personal property assessment, the property valuation administrator may correct clerical, mathematical, or procedural errors in an assessment or any duplication of assessment. Changes in assessed value based on appraisal methodology or opinion of value shall not be valid. All corrections shall be reviewed by the ***Department of*** Revenue[~~ Cabinet~~] and those changes determined by the ***department***[~~cabinet~~] to be invalid shall be rescinded. Any taxpayer affected by this rescission shall not be subject to additional penalties.

(2) Notwithstanding other statutory provisions, for property subject to a tax rate that is set each year based on the certified assessment, any loss of property tax revenue incurred by a taxing district due to corrections made after the tax rate has been set may be recovered by making an adjustment in the tax rate to be set for the next tax year.

Section 124. KRS 133.123 is amended to read as follows:

When an appeal is taken from an assessment by the property valuation administrator, of property which the owner does not consider to be subject to taxation, it shall be the duty of the county board of assessment appeals to obtain and follow advice from the ***Department of*** Revenue[~~ Cabinet~~] relative to the taxability of such property; however, the board shall have full power and responsibility to make a determination of the fair cash value of such property.

Section 125. KRS 133.125 is amended to read as follows:

(1) No later than three (3) working days after the expiration of the inspection period provided for in KRS 133.045, the county clerk shall provide a copy to the property valuation administrator of each appeal petition and a summary of the appeals filed with the county board of assessment appeals. The summary shall be in a format, or on a form, provided or approved by the ***Department of*** Revenue[~~ Cabinet~~]. The property valuation administrator shall, within three (3) working days of receipt of the summary, prepare and submit to the ***Department of*** Revenue[~~ Cabinet~~] a final recapitulation of the real property tax roll incorporating all changes made since the submission of the first recapitulation. Those properties under appeal shall be listed for recapitulation and certification purposes at the value claimed by the taxpayer. After submission of the final recapitulation to the ***Department of*** Revenue[~~ Cabinet~~], assessments shall not be amended except for adjustments ordered by the board and for corrections made under the provisions of KRS 133.110 and KRS 133.130.

(2) The county clerk, or an authorized deputy, shall act as clerk of the board of assessment appeals; and where additional board panels are appointed, as provided by law, one (1) authorized deputy shall act as clerk for each panel. An accurate record of the proceedings and orders of the board and of each of its authorized panels shall be kept and shall show the name of the owner of the property, the description, the type of property, the amount of the assessment the property valuation administrator placed on the property, and the amount of change made in the assessment by the board. A copy certified by the chairman of the board and attested by the county clerk shall be filed by the clerk with the property valuation administrator and with the ***Department of*** Revenue[~~ Cabinet~~] within five (5) days after the adjournment of the board.

(3) The county clerk shall certify to the county judge/executive the number of days during which the board was in session, and the court shall enter this fact of record along with the amount due the board members for their services. On a presentation of a copy of the order, the Finance and Administration Cabinet shall draw a warrant on the State Treasurer in favor of the board members and clerk for the amount due for their services.

(4) The county clerk and any authorized deputies serving as clerk of the board or a panel thereof shall be allowed the same compensation per day for their services as is allowed to members of the board of their county, and they shall be paid in the same manner as members of the board are paid. The county clerk and his authorized deputies shall be allowed compensation for completing and filing the record of the board in the same manner as allowed for their services while acting as clerk of the board or clerk of a panel of the board.

Section 126. KRS 133.130 is amended to read as follows:

(1) Any person claiming to be erroneously charged with any tax upon property not owned by him may, after he has received notice of the same by demand made upon him to pay the tax, offer evidence in support of the complaint to the property valuation administrator of the county in which the assessment was made. If the property valuation administrator finds that he was not the owner of the property assessed, he may correct the same by releasing him from the payment of the tax, and

shall assess the property immediately against the rightful owner.

(2) A protest may be made to the ***Department of*** Revenue[~~ Cabinet~~] under the provisions of KRS 131.110 from any action of the property valuation administrator made under this section or under KRS 133.110.

Section 127. KRS 133.150 is amended to read as follows:

The ***Department of*** Revenue[~~ Cabinet~~] shall equalize each year the assessments of the property among the counties. It shall compare the recapitulation of the property valuation administrator's books from each county with the records of sales of land in such county or with such other information that it may obtain from any source and shall determine the ratio of the assessed valuation of the property to the fair cash value. The ***Department of*** Revenue[~~ Cabinet~~] shall have power to increase or decrease the aggregate assessed valuation of the property of any county or taxing district thereof or any class of property or any item in any class of property. The ***Department of*** Revenue[~~ Cabinet~~] shall fix the assessment of all property at its fair cash value. When the property in any county, or any class of property in any county, is not assessed at its fair cash value, such assessment shall be increased or decreased to its fair cash value by fixing the percentage of increase or decrease necessary to effect the equalization.

Section 128. KRS 133.160 is amended to read as follows:

When it is contemplated by the ***Department of*** Revenue[~~ Cabinet~~] that it will be necessary to raise the assessed valuation of property in any county, it shall give notice of the contemplated action to the county judge/executive, the superintendent of any school district affected by such action, the mayor of any city which is affected and which has adopted the assessment, and to the taxpayers of that county through the county judge/executive, who shall post the notice sent him on the courthouse door and certify to the ***Department of*** Revenue[~~ Cabinet~~] that this has been done, and it shall fix a time and place for a hearing which may be in Frankfort or any convenient place in or nearer the county seat.

Section 129. KRS 133.170 is amended to read as follows:

(1) When the ***Department of*** Revenue[~~ Cabinet~~] has completed its equalization of the assessment of the property in any county, it shall certify its action to the county judge/executive, with a copy of the certification for the county clerk, to be laid before the fiscal court of the county.

(2) If the fiscal court deems it proper to ask for a review of the aggregate equalization of any class or subclass of property, it shall direct the county attorney to prosecute an appeal of the aggregate increase to the Kentucky Board of Tax Appeals within ten (10) days from the date of the certification.

(3) Within ten (10) days from the date that the ***department's***[~~cabinet's~~] aggregate equalization of any or all classes or subclasses of property becomes final by failure of the fiscal court to prosecute an appeal or by order of the Kentucky Board of Tax Appeals or the courts, the fiscal court shall cause to be published, at least one (1) time, in the newspaper having the largest circulation within the county, a public notice of the ***department's***[~~cabinet's~~] action.

(4) Within ten (10) days from the date of the publication of the notice required in subsection (3) of this section, any individual taxpayer whose property assessment is increased above its fair cash value by the equalization action may file with the county clerk an application for exoneration of his property assessment from the increase. The application shall be filed in duplicate and shall include the name and address of the person in whose name the property is assessed; the assessment of the property before the increase; the description and location of the property including the description shown on the tax roll; the property owner's reason for appeal; and all other pertinent facts having a bearing upon its value. The county clerk shall forward one (1) copy, of each application for exoneration to the ***Department of*** Revenue[~~ Cabinet~~] and shall exclude the amount of the equalization increase from the assessment in the preparation of the property tax bill for each property for which an application for exoneration has been filed.

(5) The county judge/executive shall reconvene the board of supervisors immediately following the close of the period for filing applications for exoneration from the increase. The board shall schedule and conduct hearings on all applications in the manner prescribed for hearing appeals by KRS 133.120; however, the board shall not have authority to reduce any assessment to an amount less than that listed for the property at the time of adjournment of the regular board session.

(6) The county clerk shall act as clerk of the reconvened board and shall keep an accurate record of the proceedings in the same manner as provided by KRS 133.125. Within five (5) days of the adjournment of the reconvened board, he shall notify each property owner in writing of the final action of the board with relation to the equalization increase and shall forward a copy of the proceedings certified by the chairman of the board and attested by him to the ***Department of*** Revenue[~~ Cabinet~~] and to the other taxing districts participating in the tax.

(7) Any taxpayer whose application has been denied, in whole or in part, may appeal to the Kentucky Board of Tax Appeals as provided in KRS 131.340, and appeals thereafter may be taken to the courts as provided in KRS 131.370.

(8) The provisions of KRS 133.120(9) shall apply to the payment of taxes upon any property assessment for which an application for exoneration has been filed.

(9) The provisions of subsections (4), (5), (6), (7), and (8) of this section shall only apply to appeals growing out of equalization action by the ***Department of*** Revenue[~~ Cabinet~~] under the provisions of KRS 133.150.

Section 130. KRS 133.180 is amended to read as follows:

When the ***Department of*** Revenue[~~ Cabinet~~] has completed its action on the assessment of property in any county, it shall immediately certify to the county clerk the assessment and the amount of taxes due. The ***Department of*** Revenue[~~ Cabinet~~] shall charge the amount of taxes due from the county to the sheriff of the county. When any item of property is in process of appeal and the valuation has not been finally determined, the certification of such property shall be based on the valuation claimed by the taxpayer as the true value. The county clerk shall affix the certification to the tax books and enter it of record in the order book, and it shall be the sheriff's or collector's warrant for the collection of taxes.

Section 131. KRS 133.181 is amended to read as follows:

(2) Any taxpayer who pays his state, county, or district taxes by November 1 after they become due in any year shall be entitled to two percent (2%) discount thereon, and the sheriff shall allow the discount and give a receipt in full to the taxpayer. The penalty prescribed by KRS 135.060, when applicable, shall be applied to the amount of the original tax, interest and penalties.

(2) The ***department***~~[Revenue Cabinet]~~ may refuse to accept a personal check as remittance in payment of taxes due or collected by any person who has ever tendered the state a check which, when presented for payment, was not honored. (4) In the event that a bona fide purchaser for value without notice purchases a motor vehicle or a trailer on which no lien has been filed on the certificate of title of such motor vehicle or trailer as provided for in subsection (2) of this section, such person shall not be held responsible for paying delinquent ad valorem taxes or lien fees on the certificate of title of such motor vehicle or trailer if such lien was placed on the certificate of title after same person's purchase of the motor vehicle or trailer.

(5) Upon proof being presented to the county clerk that the motor vehicle or trailer was transferred to a bona fide purchaser for

value without notice prior to the placing of a lien on a certificate of title and registration, the clerk shall file such proof with the certificate of title and registration and shall then remove the lien.

(2) The sheriff shall, at the time of making this report, pay to the ***department***[~~cabinet~~], for deposit with the State Treasurer, all taxes he has collected for the state for the preceding month or period.

(3) The ***department***[~~cabinet~~] may report to the grand jury of Franklin County any sheriff failing to report as required. Any sheriff failing to pay over any taxes collected by him and due the state, as provided by law, shall be required by the ***department***[~~cabinet~~] to pay a penalty of one percent (1%) for each thirty (30) day period or fraction thereof plus interest at the legal rate per annum on such taxes. The ***department***[~~cabinet~~] in its settlement with the sheriff shall charge him with such penalties and interest.

(4) The ***Department of*** Revenue[~~ Cabinet~~] may grant an extension of time, not to exceed fifteen (15) days, for filing the report required by subsection (1) whenever, in its judgment, good cause therefor exists. The extension shall be in writing, and the ***department***[~~cabinet~~] shall keep a record of such extensions. The extension when granted shall suspend the penalty and interest provided by subsection (3) for the duration of the extension. The penalty and interest shall apply at the expiration of the extension.

Section 154. KRS 134.325 is amended to read as follows:

Each sheriff shall conduct the sale of delinquent tax bills required by KRS 134.430 and make his records available for settlement with the ***Department of*** Revenue[~~ Cabinet~~] for all taxes collected for the Commonwealth before April 30 of each year during his term of office. In the event that any sheriff resigns, dies, or otherwise vacates his office, the books and records shall be made available within thirty (30) days from the date that the office is vacated. Any sheriff who fails to make the settlement books and records available or fails to remit any amounts which are due to the taxing districts as required by law shall be subject to indictment in the county of his residence and fined not less than five hundred dollars ($500) nor more than five thousand dollars ($5,000).

Section 155. KRS 134.330 is amended to read as follows:

(1) No tax bill or tax book shall be delivered to the sheriff during the second or any subsequent calendar year of the sheriff's regular term until he exhibits a quietus from the ***Department of*** Revenue[~~ Cabinet~~] and from the fiscal court of his county for the preceding tax period and his revenue bond, if bonding is required by the fiscal court, for the next tax year.

(2) If the tax records of a county are destroyed by fire, lost, stolen, or mutilated so as to require reassessment of the property in the county or a recertification of the tax bills, the sheriff shall have five (5) months from the time he receives the recertified tax bills within which to make settlement with the ***department***[~~cabinet~~] and the fiscal court, and to receive his quietus from the ***department***[~~cabinet~~] and the fiscal court.

Section 156. KRS 134.340 is amended to read as follows:

(1) The sheriff shall, when he collects money from a delinquent taxpayer, record the tax, interest and penalty on his record book kept for that purpose.

(2) If the sheriff fails to record the money collected from a delinquent taxpayer, or fails to collect the tax due from a delinquent taxpayer if it was collectible by sale or otherwise when it came to his hands, he shall be held liable on his bond for the amount of tax, penalties, interest and costs due from the delinquent taxpayer that was collectible, plus thirty percent (30%) penalty thereon, to be recovered in the Circuit Court of the county in which the tax is due, on motion of the county attorney or agent of the ***Department of*** Revenue[~~ Cabinet~~] in the name of the state. The county attorney shall prosecute all such motions, for which services he shall be entitled to the penalties thereon recovered of the sheriff, but only if the tax, interest, costs, and penalties due are recovered and paid to the officers entitled to receive the same. The sheriff shall have ten (10) days' previous notice of the motion.

Section 157. KRS 134.360 is amended to read as follows:

In making his settlements with the fiscal court and the ***Department of*** Revenue[~~ Cabinet~~], the sheriff shall file a list of uncollectible delinquent taxes, which shall entitle the sheriff to a credit in his official settlement. The sheriff shall also be allowed credit in his official settlement for the tax bills on which certificates of delinquency have properly been issued to the state, county, and taxing districts.

Section 158. KRS 134.390 is amended to read as follows:

A tax bill rendered against omitted property required to be listed with the property valuation administrator or the ***Department of*** Revenue[~~ Cabinet~~] or against an increase in valuation over that claimed by the taxpayer, as finally determined upon appeal as provided for in KRS 133.120, shall become due on the day the bill is prepared, and shall be considered delinquent and subject to a penalty of ten percent (10%) of the tax, penalty and interest due, unless paid within thirty (30) days after it becomes due, except as otherwise provided by law. All provisions of law of the particular taxing district having an interest therein relating to delinquent taxes on the same class of property or taxpayers involved shall apply to the delinquent omitted tax bill unless otherwise provided by law.

Section 159. KRS 134.400 is amended to read as follows:

(1) All penalties imposed by law, either in whole or in part, in favor of or for the benefit of agents of the ***Department of*** Revenue[~~ Cabinet~~], sheriffs, and other state, county, or district agents or officers, upon or for the recovery of taxes or the assessment of omitted property, shall be paid into the State Treasury and credited as provided for the twenty percent (20%) penalty in subsection (2) of this section.

(2) The twenty percent (20%) penalty collected on taxes due the state, county, school, or other taxing district shall be paid into the State Treasury. One-fourth (1/4) of the moneys thus received shall be credited to the general expenditure fund. The remaining three-fourths (3/4) shall also be credited to the general expenditure fund unless the General Assembly, in its biennial branch budget bill, provides that it be credited to a fund to be designated and known as the delinquent tax fund, in which case it shall be so credited and so much thereof as may be necessary shall be used for the administration and enforcement of the laws relating to the collection of delinquent taxes and the assessment of omitted property. All salaries, fees, and expenses authorized by the laws relating to the collection of delinquent taxes and the assessment of omitted property, except the fees of county attorneys, shall be payable out of the delinquent tax fund upon certifications or requisitions of the ***commissioner***[~~secretary~~] of revenue.

Section 160. KRS 134.420 is amended to read as follows:

(1) The state and each county, city, or other taxing district shall have a lien on the property assessed for taxes due them respectively for ten (10) years following the date when the taxes become delinquent, and also on any real property owned by a delinquent taxpayer at the date when the sheriff offers the tax claims for sale as provided in KRS 134.430 and 134.440. This lien shall not be defeated by gift, devise, sale, alienation, or any means except by sale to a bona fide purchaser, but no purchase of property made before final settlement for taxes for a particular assessment date has been made by the sheriff shall preclude the lien covering the taxes. The lien shall include all interest, penalties, fees,

commissions, charges, and other expenses incurred by reason of delinquency in payment of the tax bill or in the process of collecting it, and shall have priority over any other obligation or liability for which the property is liable. The lien of any city, county, or other taxing district shall be of equal rank with that of the state. When any proceeding is instituted to enforce the lien provided in this subsection, it shall continue in force until the matter is judicially terminated. Every city of the third, fourth, fifth, and sixth class shall file notice of the delinquent tax liens with the county clerk of any county or counties in which the taxpayer's business or residence is located, or in any county in which the taxpayer has an interest in property. The notice shall be recorded in the same manner as notices of lis pendens are filed, and the file shall be designated miscellaneous state and city delinquent and unpaid tax liens.

(2) If any person liable to pay any tax administered by the ***Department of*** Revenue[~~ Cabinet~~], other than a tax subject to the provisions of subsection (1) of this section, neglects or refuses to pay the tax after demand, the tax due together with all penalties, interest, and other costs applicable provided by law shall be a lien in favor of the Commonwealth of Kentucky. The lien shall attach to all property and rights to property owned or subsequently acquired by the person neglecting or refusing to pay the tax.

(3) The lien imposed by subsection (2) of this section shall remain in force for ten (10) years from the date the notice of tax lien has been filed by the ***commissioner***[~~secretary~~] of the ***Department of*** Revenue[~~ Cabinet~~], or his delegate with the county clerk of any county or counties in which the taxpayer's business or residence is located, or any county in which the taxpayer has an interest in property.

(4) The tax lien imposed by subsection (2) of this section shall not be valid as against any purchaser, judgment lien creditor, or holder of a security interest or mechanic's lien until notice of the tax lien has been filed by the ***commissioner***[~~secretary~~] of the ***Department of*** Revenue[~~ Cabinet~~] or his delegate with the county clerk of any county or counties in which the taxpayer's business or residence is located, or in any county in which the taxpayer has an interest in property. The recording of the tax lien shall constitute notice of both the original assessment and all subsequent assessments of liability against the same taxpayer. Upon request, the ***department***[~~Revenue Cabinet~~] shall disclose the specific amount of liability at a given date to any interested party legally entitled to the information.

(5) Even though notice of a tax lien has been filed as provided by subsection (4) of this section, and notwithstanding the provisions of KRS 382.520, the tax lien imposed by subsection (2) of this section shall not be valid with respect to a security interest which came into existence after tax lien filing by reason of disbursements made within forty-five (45) days after the date of tax lien filing or the date the person making the disbursements had actual notice or knowledge of tax lien filing, whichever is earlier, provided the security interest:

(a) Is in property which:

1. At the time of tax lien filing is subject to the tax lien imposed by subsection (2) of this section; and

2. Is covered by the terms of a written agreement entered into before tax lien filing; and

(b) Is protected under local law against a judgment lien arising, as of the time of tax lien filing, out of an unsecured obligation.

Section 161. KRS 134.450 is amended to read as follows:

(1) The sheriff shall sell all tax claims for which payment by the delinquent taxpayer has not been made by the closing date for the acceptance by the sheriff of offers to purchase delinquent tax claims. If there is more than one (1) willing purchaser who has made an offer, the one having made the most recent purchase of a tax claim against the same delinquent or the same property shall have preference; if there is no such person, the person being the first, in the judgment of the sheriff, to offer to pay cash in the full amount of the tax claim shall receive priority for the purchase of the tax claim. If the total of all offers to purchase exceeds ten percent (10%) of the total dollar amount of the delinquent bills offered for sale, or the sum of two hundred thousand dollars ($200,000), whichever is less, the sheriff shall notify the Finance and Administration Cabinet of the offers of purchase within five (5) business days of the closing date when the offers were received. Upon receipt of the notice, the Finance and Administration Cabinet shall purchase the delinquent tax bills upon which the sheriff has received an offer of purchase and shall tender payment to the sheriff within fifteen (15) business days of the receipt of the sheriff's notice. Upon purchase of the tax claims, the state shall be the owner of the tax bills and may contract with the county attorney to collect all amounts due on its behalf under the terms and conditions of the county attorney's contract with the ***Department of*** Revenue[~~ Cabinet~~] to collect delinquent taxes. If the county attorney has not contracted with the ***Department of*** Revenue[~~ Cabinet~~] to collect delinquent taxes, the ***Department of*** Revenue[~~ Cabinet~~] shall collect all amounts due on behalf of the Finance and Administration Cabinet. If the Finance and Administration Cabinet does not purchase all of the delinquent tax bills, within fifteen (15) days of the closing date, the sheriff shall complete the sale of those tax claims for which the sheriff has received responsible offers to purchase. When a sale is made the tax bill shall be known as a certificate of delinquency and the sheriff shall inscribe thereon the date of sale, the sale price, and the name and address of the purchaser, in the place and manner prescribed by the ***Department of*** Revenue[~~ Cabinet~~], and the purchaser shall be entitled to a certified copy of the certificate of delinquency.

(2) If no responsible offer in the amount of the tax claim is received, the sheriff shall purchase it for the state, county, and taxing districts having an interest in the tax claim. In such case, the tax bill shall also be known as a certificate of delinquency, and the sheriff shall inscribe thereon the same information required when one other than the state, county, or taxing district is the purchaser.

(3) The sheriff shall file all certificates of delinquency in the county clerk's office immediately upon completion of the tax sale, or in a county containing a city of the first class or consolidated local government, within fourteen (14) working days of the sale, and the clerk shall retain them. The county clerk shall acknowledge receipt of the certificates by signing a receipt form that has been prepared in a manner prescribed by the ***Department of*** Revenue[~~ Cabinet~~]. If the sheriff fails to file the certificates, he shall be liable on his official bond for the aggregate amount of the certificates not returned, but the claim of the purchaser shall not be affected by this neglect. If the sheriff fails to return any certificate, the purchaser may file his certified copy with the clerk, with the same effect as the original.

(4) The clerk shall make, execute, and deliver a certified copy of a certificate of delinquency to the payor, or the clerk may provide for a certified electronic register of the certificates of delinquency in the clerk's record in lieu of delivering a certified copy of the certificate of delinquency.

(5) The certificate of delinquency is assignable by endorsement. The clerk shall note the assignment on the certificate of delinquency or the clerk may provide for a certified electronic certificate of delinquency in the clerk's records in lieu of delivering a certified copy of the certificate of delinquency. An assignment when noted on the record in the office of the county clerk vests in the assignee all rights and title of the original purchaser.

Section 162. KRS 134.480 is amended to read as follows:

(1) The delinquent taxpayer or any person owning or having a legal or equitable interest in real property covered by a certificate of delinquency may at any time pay the total amount of the certificate to any purchaser thereof, and any person whatsoever may likewise pay a certificate of delinquency when the state, county, or taxing district was the purchaser. When a certificate is paid to an owner other than the state, county, or taxing district, the assignee shall mark paid in full on the certified copy of the certificate and shall surrender the certified copy of the certificate of delinquency to the person making payment, and if he is the person primarily liable on the certificate he may file it with the county clerk and have the certificate released of record. When a certificate of delinquency has been fully paid to the state, county, and taxing districts, the clerk shall note the name and address of the person making the payment, the amount paid by him, and such other information as the ***Department of*** Revenue[~~ Cabinet~~] may require. The clerk shall mark the certificate of delinquency paid in full. Payment in such instance by one other than the person primarily liable on the certificate will amount to an assignment thereof. The clerk shall note the assignment on the certificate of delinquency and provide the assignee a certified copy of the certificate of delinquency, or the clerk may provide for a certified electronic certificate of delinquency in the clerk's records in lieu of delivering a certified copy of the certificate of delinquency. Anyone other than the person primarily liable who pays a certificate or purchases it from an owner other than the state, county, and taxing district may, by paying a fee of fifty cents ($0.50), have the clerk record the payment or purchase and such recordation shall constitute an assignment thereof. Failure to obtain such an assignment shall render the claim of such payor or purchaser to any real estate represented thereby inferior to rights of other bona fide purchasers, payors, or creditors. Any owner of a certificate of delinquency once having paid the assignment fee may have a change of his address noted of record by the clerk without paying an additional charge, otherwise he shall pay a fee of fifty cents ($0.50) to the clerk for entering such change on the certificate.

(2) The county clerk may receive payment of the amount due on certificates of delinquency owned by the state, county, and taxing districts, and he shall give a receipt to the payor and make a report to the ***Department of*** Revenue[~~ Cabinet~~], the county treasurer, and the proper officials of the taxing districts as often as such units may require, and not less than once in every thirty (30) days. The clerk may accept payment of taxes due by any commercially acceptable means, including credit cards. He shall pay to the ***Department of*** Revenue[~~ Cabinet~~] for deposit with the State Treasurer all moneys collected by him due the state, to the county treasurer all moneys due the county, and to the authorized officers of the taxing districts the amount due each such district. He shall pay the amount of fees, costs, commissions, and penalties to the persons, agencies, or parties entitled thereto. He shall retain ten percent (10%) of the amount due each taxing unit for his services as a fee. This fee shall be added to the amount of the tax claim and paid by the persons paying the tax claim.

(3) If the person entitled to pay a certificate of delinquency sends a registered letter addressed to the owner of record of the certificate, other than the state, county, or taxing district, and the letter is returned by mail unclaimed, the sender thereof may make payment to the county clerk, who shall make the necessary assignment or release and deposit the money to the account of the owner of record in the nearest bank having its deposits insured with the Federal Deposit Insurance Corporation. The clerk may deduct the sum of fifty cents ($0.50) as a fee for such service. The name of the bank in which the money is deposited shall be noted on the certificate.

(4) If any clerk fails to pay to the person entitled thereto, upon demand, the money received in payment of a certificate of delinquency, he and his sureties shall be liable for the same and twenty percent (20%) interest thereon annually from the time he received it until paid.

(5) Copies of the records provided for in KRS 134.450 and this section, certified by the county clerk, shall be evidence of the facts stated in them in all the courts of this state.

Section 163. KRS 134.500 is amended to read as follows:

(1) Uncollectible tax claims shall bear interest at twelve percent (12%) per annum simple interest from the date the certificate of delinquency is issued. A fraction of a month is counted as an entire month. The sheriff's add-on fee provided in KRS 134.430, the clerk's add-on fee provided in KRS 134.480, and the county attorney's add-on fee provided in this section

shall be excluded from the interest calculation except in counties containing cities of the first class or consolidated local government. All tax bills on omitted property that were not turned over to the sheriff in time to be collected or to make the sale provided for in KRS 134.430 and 134.440 shall also be submitted to the fiscal court but shall be carried over as a charge against the sheriff at the time he makes his next regular settlement.

(2) The ***department***[~~cabinet~~] shall be responsible for the collection of certificates of delinquency and delinquent personal property tax bills; however, the ***department***[~~cabinet~~] shall first offer the collection duties to the county attorney, unless the ***department***[~~cabinet~~] determines that the county attorney has previously failed to perform collection duties in a reasonable and acceptable manner. Any county attorney desiring to perform the duties associated with the collection of delinquent tax claims shall enter into a contract with the ***department***[~~cabinet~~] on an annual basis. The terms of the contract shall specify the duties to be undertaken by the county attorney. These duties shall include but are not limited to the following actions:

(a) Within fifty (50) days after the issuance of a certificate of delinquency to the state, county, and taxing district, the county attorney or the ***Department of*** Revenue[~~Cabinet~~] shall cause a notice of the purchase to be mailed by regular mail to the property owner at the address on the records of the property valuation administrator. The notice shall advise the owner that the certificate is a lien of record against all property of the owner, and bears interest at the rate of twelve percent (12%) per annum, and if not paid will be subject to collection by the county attorney as provided by law.

(b) The county attorney shall file in the office of the county clerk a list of the names and addresses to which the notice was mailed along with a certificate that the notice was mailed in accordance with the requirements of this section.

(c) All notices returned as undeliverable shall be submitted to the property valuation administrator. The property valuation administrator shall attempt to correct inadequate or erroneous addresses and, if property has been transferred, shall determine the new owner and the current mailing address. The property valuation administrator shall return the notices with the corrected information to the county attorney prior to the expiration of the one (1) year tolling period provided in KRS 134.470.

(d) Within ninety (90) days after the expiration of the one (1) year tolling period provided in KRS 134.470, the county attorney shall cause a notice of his intention to enforce the lien to be mailed to all owners whose tax bills remain delinquent. No second notice shall be required for addresses previously determined to be undeliverable and for which the property valuation administrator has not provided corrected information.

(e) Failure to mail the notices shall not affect the validity of the claim of the state, county, and taxing district. The postal cost of mailing the notices shall be added to the certificate of delinquency and, upon collection, the county attorney shall be reimbursed for the postage. The county attorney shall deliver at the same time a list of the owners whose tax bills remain delinquent to the property valuation administrator. The property valuation administrator shall review this list in accordance with the provisions of KRS 132.220 to establish that the properties on the list can be identified and physically located.

(3) The county attorney who enters into a contract with the ***department***[~~cabinet~~] shall have a period of two (2) years after the expiration of the one (1) year tolling period provided in KRS 134.470 to collect delinquent tax bills or to initiate court action for their collection. At the expiration of the two (2) years the ***department***[~~cabinet~~] may assume responsibility for all uncollected bills except those with pending court action.

(4) The county attorney who enters into a contract with the ***department***[~~cabinet~~] and performs his duties in respect to the certificate of delinquency and delinquent personal property tax bills shall be entitled to twenty percent (20%) of the amount due each taxing unit, whether the tax claim is voluntarily paid or is paid through sale or under court order, and the fee shall be paid to him by the county clerk when making distribution, as provided in KRS 134.480. This fee shall be added to the amount of the tax claims and paid by the persons paying the tax claims. They shall not be paid by the taxing districts or deducted from the taxes due the taxing districts. This fee shall be waived if the certificate of delinquency is paid by the taxpayer only within five (5) days of the sheriff's sale. If more than one (1) county attorney renders necessary services in an effort to collect a tax claim, the attorney serving the last notice or rendering the last substantial service preceding collection shall be entitled to the fee. When the county attorney's office, in an effort to collect a certificate of delinquency, or delinquent personal property tax bills files a court action which is litigated by the taxpayer, an additional county's attorney fee equal to thirteen percent (13%) of the total tax plus ten percent (10%) penalty, may be added to the certificate or the bill and shall become part of the tax claim.

(5) If a county attorney chooses not to contract for these collection duties or if a county attorney fails to perform the duties required by the contract, the ***department***[~~cabinet~~] shall assume responsibility for the collection process. In the performance of those duties, the ***department***[~~cabinet~~] shall have all the powers, rights, duties, and authority with respect to the collection, refund, and administration of the amount due on the certificate of delinquency conferred generally upon the ***department***[~~cabinet~~] by Kentucky Revised Statutes including, but not limited to, KRS Chapters 131, 134, and 135. The twenty percent (20%) fee that would have otherwise been paid to the county attorney shall be paid to the ***department***[~~cabinet~~] for deposit in the delinquent tax fund provided for under KRS 134.400.

(6) Any action on behalf of the state, county, and taxing districts authorized by this section or by KRS 134.470, 134.490, or 134.540 shall be filed on relation of the ***commissioner***[~~secretary~~], and the petition may be sent to the ***department***[~~cabinet~~], which may require revision in instances where it deems revision or amendment necessary. The ***department***[~~cabinet~~] shall

advise the county attorney in all actions, and may send him special assistance when the ***commissioner***[~~secretary~~] deems assistance necessary. A copy of the judgment shall also be sent to the ***department***[~~cabinet~~]. If the ***department***[~~cabinet~~] sends assistance to a county attorney who contracts to prosecute the suits or proceedings, the county attorney shall be entitled to his full fee. On the same day that suit is filed, the county clerk shall be given notice of its filing. Costs incident to the suit shall become a part of the tax claim.

(7) The ***department***[~~cabinet~~] may make its delinquent tax collection databases and other technical resources, including but not limited to income tax refund offsetting, available to the county attorney upon request from the county attorney. The county attorney seeking assistance shall enter into any agreements required by the ***department***[~~cabinet~~] to protect taxpayer confidentiality, to ensure database integrity, or to address other concerns of the ***department***[~~cabinet~~].

(8) The county attorney may, at any time after assuming collection duties, enter into an agreement with the delinquent taxpayer to accept installment payments on the delinquent tax bill. The agreement shall not waive the county attorney's right to initiate court action or other authorized collection activities if the taxpayer does not make payments in accordance with the agreement.

Section 164. KRS 134.510 is amended to read as follows:

(1) After the state, county and taxing districts obtain real property as authorized by KRS 134.490, the designated agent of the ***commissioner***[~~secretary~~] of revenue may advertise and sell at public sale any of the lands, and the ***commissioner***[~~secretary~~] may convey the lands by deed to the purchaser. The ***commissioner***[~~secretary~~] shall, within thirty (30) days from receipt of payment, pay to the county and taxing district the amount of the proceeds due each. The ***department***[~~Revenue Cabinet~~] shall be entitled to an administration fee equal to fifteen percent (15%) of the sale price of the property, which shall be paid into the delinquent tax fund provided for in KRS 134.400.

(2) The sales shall be advertised by a written or printed notice posted at the courthouse door for fifteen (15) days before the date of sale, and by publication pursuant to KRS Chapter 424, and may in addition be advertised by printed handbills posted for fifteen (15) days before the date of sale in three (3) or more conspicuous places in the taxing districts.

(3) Any real property acquired by the state, county and taxing districts pursuant to KRS 134.490 may be redeemed at any time before the ***commissioner***[~~secretary~~] gives a deed to a purchaser, by paying to the county clerk the amount due at the time the property was acquired, plus subsequent costs and interest at the rate of twelve percent (12%) per annum.

Section 165. KRS 134.540 is amended to read as follows:

(1) When the ***Department of*** Revenue[~~ Cabinet~~] has reason to believe that any sale made under the authority of Section 32 of Article VIII of Chapter 22 of the Acts of 1906, or Section 3 of Chapter 43 of the Acts of 1908, or Section 2 or 5 of Chapter 21 of the Acts of the first Extraordinary Session of 1938, is for any reason invalid, the invalidity may be alleged in an action to establish the lien provided for in Chapter 152 of the Acts of 1934. The action shall be brought on the relation of the ***commissioner***[~~secretary~~] of revenue, who shall publish notice on the courthouse door for fourteen (14) days before instituting the action, notifying all delinquents that actions will be instituted unless the delinquent taxes against land subject to such actions are paid at once. If the owner does not redeem the land within ten (10) days after the expiration of the fourteen (14) day period, and the ***commissioner***[~~secretary~~] is required to institute action, the state shall be entitled to a fee equal to fifteen percent (15%) of the amount of the taxes, penalties and interest, which shall be paid into the delinquent tax fund provided under KRS 134.400, to be used by the ***Department of*** Revenue[~~ Cabinet~~] to cover the expenses of filing and administering such actions. If the property is redeemed after action is instituted, the fee shall become a part of the redemption price. The ***commissioner***[~~secretary~~] may, if he deems necessary, institute action without giving the notice provided in this section, in which event the fifteen percent (15%) fee shall not apply.

(2) The county attorney shall assist the ***Department of*** Revenue[~~ Cabinet~~] in filing and prosecuting the actions. For these services he shall be entitled to twenty percent (20%) of the taxes, penalties and interest. If he fails or refuses to assist in filing and prosecuting the actions, he shall not be entitled to this fee.

(3) An action shall not be instituted on behalf of the state to establish the lien provided for in Chapter 152 of the Acts of 1934 until after the expiration of the time that must expire before action to recover possession can be instituted.

Section 166. KRS 134.805 is amended to read as follows:

(1) The county clerk shall be allowed by the ***Department of*** Revenue[~~ Cabinet~~], for collecting state ad valorem taxes on motor vehicles, a commission of four percent (4%) on state taxes collected.

(2) The county clerk shall be allowed by the county treasurer, for collecting county and special district ad valorem taxes on motor vehicles, a commission of four percent (4%) on county and special taxes collected.

(3) The county clerk shall be allowed a commission of four percent (4%) of the school district taxes collected.

(4) Effective January 1, 1985, the county clerk shall be allowed a commission of four percent (4%) of the city or urban-county government taxes collected.

(5) (a) For the convenience and benefit of the Commonwealth's citizens and to maximize ad valorem tax collections, county clerks shall be responsible for causing the preparation and mailing of a notice of ad valorem taxes due to the January 1 owner, as defined in KRS 186.010(7)(a) and (c), of each motor vehicle no later than forty-five (45) days prior to the ad valorem tax and registration renewal due date in each calendar year.

(b) When a vehicle is transferred in any year before the ad valorem taxes on that vehicle have been paid, a notice of taxes due shall be sent within ten (10) working days after the date of transfer or notice of transfer to the owner as of January 1 of that year.

(c) When ad valorem taxes on a vehicle become delinquent for sixty (60) days, as defined by KRS 134.810, a second notice shall be sent within ten (10) working days to the January 1 owner of record. The notice shall inform the delinquent owner of the lien provisions provided by KRS 134.810 on all vehicles owned or acquired by the owner of the vehicle at the time the tax liability arose.

(d) These notices shall be calculated, prepared, and mailed first class on behalf of county clerks by the AVIS. Nonreceipt of the notices required herein shall not constitute any defense against applicable penalty, interest, lien fees, or costs recovery.

Section 167. KRS 134.825 is amended to read as follows:

The ***Department of*** Revenue[~~ Cabinet~~] shall be responsible for payment of all expenses related to the development and implementation of computer and administrative systems necessary to carry out the provisions of KRS 134.805, 134.810 and 186A.145 and, further, shall reimburse each state agency involved for all ongoing operational costs, including the calculation, preparation, and mailing of notices of ad valorem property tax due on motor vehicles, incurred by each such agency in administering the provisions of KRS 134.805, 134.810 and 186A.145.

Section 168. KRS 134.990 is amended to read as follows:

(1) Any sheriff who violates subsection (2) of KRS 134.140 shall be fined one hundred dollars ($100) for each offense.

(2) Any person who violates the provisions of KRS 134.150 shall, upon indictment and conviction in the county in which the act was done, be fined not less than one hundred dollars ($100) nor more than five hundred dollars ($500), and be removed from office.

(3) Any sheriff who violates subsection (3) of KRS 134.170 shall be fined not less than one hundred dollars ($100) nor more than five hundred dollars ($500) for each offense.
